The Castle Cross the Magnet Carter Kia Corthron, 2016-01-26 Winner of the Center for Fiction's 2016 First Novel Prize The hotly anticipated first novel by lauded playwright and *The Wire* TV writer Kia Corthron, *The Castle Cross the Magnet Carter* sweeps American history from 1941 to the twenty-first century through the lives of four men--two white brothers from rural Alabama, and two black brothers from small-town Maryland--whose journey culminates in an explosive and devastating encounter between the two families. On the eve of America's entry into World War II, in a tiny Alabama town, two brothers come of age in the shadow of the local chapter of the Klan, where Randall--a brilliant eighth-grader and the son of a sawmill worker--begins teaching sign language to his eighteen-year-old deaf and uneducated brother B.J. Simultaneously, in small-town Maryland, the sons of a Pullman Porter--gifted six-year-old Eliot and his artistic twelve-year-old brother Dwight--grow up navigating a world expanded both by a visit from civil and labor rights activist A. Philip Randolph and by the legacy of a lynched great-aunt. The four mature into men, directly confronting the fierce resistance to the early civil rights movement, and are all ultimately uprooted. Corthron's ear for dialogue, honed from years of theater work, brings to life all the major concerns and movements of America's past century through the organic growth of her marginalized characters, and embraces a quiet beauty in their everyday existences. Sharing a cultural and literary heritage with the work of Toni Morrison, Alex Haley, and Edward P. Jones, Kia Corthron's *The Castle Cross the Magnet Carter* is a monumental epic deftly bridging the political and the poetic, and wrought by one of America's most recently recognized treasures.

Horror Tales That Scare the Soul MD Sharr, 101-01-01 Within these pages, you will encounter decrepit mansions filled with restless spirits, echoes of past atrocities, and malevolent entities that prey on the living. These stories are not merely about the physical structures that house these horrors but about the psychological torment that accompanies the experience of being haunted. They explore themes of guilt, regret, and the inescapable nature of past sins. Next, we venture into the realm of the monstrous, where creatures born of nightmare and myth roam the earth. From the bloodthirsty vampire to the relentless werewolf, these tales tap into our primal fears of being hunted and devoured. They delve into the ancient legends that have been passed down through generations, breathing new life into the myths that have long haunted human consciousness. These stories remind us that sometimes the true monsters are not the ones with fangs and claws but the ones

that reside within us. The supernatural is a recurring theme throughout this collection, with stories that feature ghosts, demons, and otherworldly entities. These tales draw from folklore and mythology, weaving intricate narratives that leave a lasting impression. They remind us that there is much in this world that defies explanation and that there are forces beyond our comprehension that can reach out and touch us in ways we cannot predict or control.

The Country Gentleman ,1901

Sepharad Antonio Muñoz Molina,2008-08 From one of Spain's most celebrated writers, an extraordinary, inspired book--at once fiction, history, and memoir--that draws on the Sephardic diaspora, the Holocaust, and Stalin's purges to tell a twentieth-century story. Shifting seamlessly from the past to the present and following the routes of escape across countries and continents, Muñoz Molina evokes people real and imagined who come together in a richly allusive pattern--from Eugenia Ginsburg to Grete Buber-Neumann, the one on a train to the gulag, the other heading toward a Nazi concentration c& from a shoemaker and a nun who become lovers in a small Spanish town to Primo Levi bound for Auschwitz. From the well known to the virtually unknown--all of Molina's characters are voices of separation, nostalgia, love, and endless waiting. Written with clarity of vision and passion, in a style both lyrical and accessible, Sepharad makes the experience our own. A brilliant achievement.

This House Is Mine Dörte Hansen,2016-11-15 Long-listed for the 2018 International DUBLIN Literary Award All her life Vera has felt like a stranger in the old and drafty half-timbered farmhouse she arrived at as a five-year-old refugee from East Prussia in 1945, and yet she can't seem to let it go. Sixty years later, her niece Anne suddenly shows up at her door with her small son. Anne has fled the trendy Hamburg, Germany neighborhood she never fit into after her relationship imploded. Vera and Anne are strangers to each other but have much more in common than they think. As the two strong-willed and very different women share the great old house, they find what they have never thought to search for: a family. Told in skillfully crafted alternating points of view and a nonlinear storyline, Dörte Hansen's internationally bestselling debut novel This House is Mine showcases her impressive talent for characterization and dialogue in an exceptional book that combines emotional depth and humor. The author's sparse language and sometimes oblique references make for a deeply immersive reading experience, and the characters will resonate long after the last page has been turned.

Anything Goes Lucy Moore, 2010-03-04 "A fast-paced portrait of the twentieth-century's fizziest decade, replete with gangsters, flappers, speakeasies and jazz" (Kirkus Reviews). The glitter of 1920s America was seductive, from jazz, flappers, and wild all-night parties to the birth of Hollywood and a glamorous gangster-led crime scene flourishing under Prohibition. But the period was also punctuated by momentous events—the political show trials of Sacco and Vanzetti, the huge Ku Klux Klan march down Washington DC's Pennsylvania Avenue—and it produced a dizzying array of writers, musicians, and film stars, from F. Scott Fitzgerald to Bessie Smith and Charlie Chaplin. In *Anything Goes*, Lucy Moore interweaves the stories of the compelling people and events that characterized the decade to produce a gripping portrait of the Jazz Age. She reveals that the Roaring Twenties were more than just "the years between wars." It was an epoch of passion and change—an age, she observes, not unlike our own. "A varied and dazzling portrait gallery of crooks and film stars, boxers and presidents, each brilliantly delineated and colored in by a historian with a novelist's relish for human foibles." —The Sunday Times (London) "Mesmerizing . . . Like the champagne-immersed age she portrays, Moore's book effervesces with the detail of this fascinating story." —Juliet Nicholson, Evening Standard (UK) "What a decade it was! What goings-on more violent, subversive and exotic than any of the parties, japes or shenanigans of our own Bright Young Things . . . Moore has knitted the various diverse strands together impressively with an overview of the large cast of characters, events, attitudes, industries and statistics." —Anne de Courcy, Daily Mail (UK) "Full of anecdote, detail and color. . . . Fluid and elegant." —Marianne Brace, Independent (UK)
