Jancee Dunn

How Not to Hate Your Husband After Kids Jancee Dunn, 2017-03-21 Get this for your pregnant friends, or yourself (People): a hilariously candid account of one woman's quest to bring her post-baby marriage back from the brink, with life-changing, real-world advice. Recommended by Nicole Cliffe in Slate Featured in People Picks A Red Tricycle Best Baby and Toddler Parenting Book of the Year One of Mother magazine's favorite parenting books of the Year *How Not To Hate Your Husband After Kids* tackles the last taboo subject of parenthood: the startling, white-hot fury that new (and not-so-new) mothers often have for their mates. After Jancee Dunn had her baby, she found that she was doing virtually all the household chores, even though she and her husband worked equal hours. She asked herself: How did I become the 'expert' at changing a diaper? Many expectant parents spend weeks researching the best crib or safest car seat, but spend little if any time thinking about the titanic impact the baby will have on their marriage - and the way their marriage will affect their child. Enter Dunn, her well-meaning but blithely unhelpful husband, their daughter, and her boisterous extended family, who show us the ways in which outmoded family patterns and traditions thwart the overworked, overloaded parents of today. On the brink of marital Armageddon, Dunn plunges into the latest relationship research, solicits the counsel of the country's most renowned couples' and sex therapists, canvasses fellow parents, and even consults an FBI hostage negotiator on how to effectively contain an explosive situation. Instead of having the same fights over and over, Dunn and her husband must figure out a way to resolve their larger issues and fix their family while there is still time. As they discover, adding a demanding new person to your relationship means you have to reevaluate -- and rebuild -- your marriage. In an exhilarating twist, they work together to save the day, happily returning to the kind of peaceful life they previously thought was the sole province of couples without children. Part memoir, part self-help book with actionable and achievable advice, *How Not To Hate Your Husband After Kids* is an eye-opening look at how the man who got you into this position in this first place is the ally you didn't know you had.

How Not to Hate Your Husband After Kids Jancee Dunn, 2017-03-23 'Clever, honest and hilarious . . . her book should become a baby shower classic.' Publishers Weekly 'Funny, honest and helpful.' Grazia 'Loads of useful, achievable advice.' The Pool How did I become the 'expert' at changing a nappy? Jancee Dunn wondered. This, combined with a lack of sleep, a

suddenly unfair division of household chores and her husband's new found passion for very long bike rides, meant that Jancee found it hard to look at her well-meaning, clever, funny husband playing with his iPhone without feeling a white-hot rage. Like many expectant parents, they'd spent weeks researching the safest car seat but little time thinking about the titanic impact the baby would have on their marriage - and the way their marriage would affect their child. Tired of having the same fights over and over, Dunn consults the latest relationship research, solicits the counsel of renowned sex and couples therapists, canvasses friends and parents, and even consults an FBI hostage negotiator on how to effectively contain an 'explosive situation'. Could it be that the person who got her into this position is the ally she'd forgotten she had? Funny, honest and actually helpful, this book can't do the washing but it might just save your marriage.

Understanding Aaron Winfield, 2025-06-22 No one warned you that the hardest part of parenting might be your marriage. In this refreshingly honest look at modern motherhood and partnership, *Understanding: How Not to Hate Your Husband After Kids* dives into the real-life chaos, frustration, and unexpected comedy of life after babies through the lens of Jancee Dunn's personal experiences and hard-earned insights. With wit, warmth, and fearless honesty, this book traces Dunn's journey from silent resentment to radical understanding. It captures the silent standoffs over laundry, the deep sighs at bedtime, and the unspoken question echoing in so many women's minds: What happened to us? But at its heart, this isn't a book about blame-it's about reclaiming connection. It's a tribute to the messy, maddening, and ultimately meaningful work of rebuilding trust, partnership, and humor in the wake of sleepless nights and shifting priorities. If you've ever loved your partner but wanted to scream into a burp cloth, this book is for you.

Summary of How Not to Hate Your Husband After Kids by Jancee Dunn Paul Adams / Bookhabits, 2019-01-09 How Not To Hate Your Husband After Kids by Jancee Dunn: Conversation Starters Jancee Dunn relates how she turned from a loving wife to a new mother hurling invectives at her husband for not emptying the diaper genie. Her husband is a loving and attentive father to their baby, describing him as a very evolved man, but she turned into a constantly angry woman which threatened their previously solid relationship. To save her marriage, she consults famous couples' and sex therapists, asks other parents, and even interviews FBI officers for tips on how to prevent explosive situations with her husband. Dunn and her husband have to find a way to avoid fights from being repeated again and again. It is an enlightening story about how the man who is complicit in the problem could be the woman's best ally. *How Not to Hate Your Husband After Kids* is written by New York Times bestselling author Jancee Dunn who has written five books including the biography of Cyndi Lauper and *Why is My Mother Getting a Tattoo? Summary of Jancee Dunn's How Not to Hate Your Husband After Kids Everest Media,2022-06-11T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 I had a friend who was pregnant, and when she got her baby, she screamed at her husband because he wouldn't empty the Diaper Genie. Tom is a sweet, caring spouse and father who spends hours with our daughter, Sylvie, patiently playing an eighth round of Go Fish. #2 I had assumed that my very evolved husband and I, who were both freelance writers who worked from home, would naturally be in tune with each other. But after our baby was born, we quickly slid backward into the traditional roles we'd grown up seeing. #3 I feel like I am constantly playing the scorekeeping game with my husband, Tom. I am always trying to see if he will step up and help out with the household chores, but he seems to enjoy floating around in a happy single-guy bubble on weekends. #4 What makes me the most sad about our constant bickering is that it drags down what is, by all accounts, a pretty wonderful life. Our daughter is easygoing and goofy, and we live in a serene converted church in Brooklyn.

This Is How Your Marriage Ends Matthew Fray,2022-03-22 A thoughtful, down-to-earth, contemporary guide to help partners identify and address relationship-killing behavior patterns in their own lives. Good people can be bad at relationships. One night during his divorce, after one too many vodkas and a call with a phone-in-therapist who told him to "journal his feelings," Matthew Fray started a blog. He needed to figure out how his ex-wife went from the eighteen-year-old college freshman who adored him to the angry woman who thought he was an asshole and left him. As he pieced together the story of his marriage and its end, Matthew began to realize a hard truth: even though he was a decent guy, he was a bad husband. As he shared raw, uncomfortable, and darkly humorous first-person stories about the lessons he'd learned from his failed marriage, a peculiar thing happened. Matthew started to gain a following. In January 2016 a post he wrote—"She Divorced Me Because I left the Dishes by the Sink"—went viral and was read over four million times. Filtered through the lens of his own surprising, life-changing experience and his years counseling couples, This Is How Your Marriage Ends exposes the root problem of so many relationships that go wrong. We simply haven't been taught any of the necessary skills, Matthew explains. In fact, it is sometimes the assumption that we are acting on good intentions that causes us to alienate our partners and foment mistrust. With the humorous, entertaining, and counterintuitive approach of The Subtle Art of Not Giving a F*ck, and the practical insights of The 5 Love Languages, This is How Your Marriage Ends helps readers identify relationship-killing behavior patterns in their own lives, and offers solutions to break free from the cycles of dysfunction and

destruction. It is must-read for every partner no matter what stage—beginning, middle, or even end—of your relationship.
