D Kirk

In Your Dreams, Holden Rhodes Stephanie Archer (Romance author),2022 The deal is simple: he'll pay off my debt if I find him a wife. Holden Rhodes is grumpy, unfairly hot, and owns the other half of the inn we just inherited. He's hated me for years. As we renovate the inn and practice his dating skills, I wonder if I was all wrong. When we add 'friends with benefits' to the deal, our chemistry is so hot the sparks could burn down the inn. Holden's a secret romantic, and I'm secretly falling for him. I'm terrible at bartending, a video of a bear stealing my toy went viral, and everyone in this small town knows my business, but Holden Rhodes is so much more than I expected, and now I'm not sure I want to leave--Back cover.

As we renovate the inn and practice his dating skills, I see a different side of him. Was I all wrong about Holden? New Zealand Novels and Novelists, 1861-1979 James Alexander Scott Burns, 1981 More than four hundred authors and a thousand titles are included in this comprehensive bibliography that has long been required in New Zealand literature. The main entries are arranged chronologically with a brief description of the contents of each book and there are separate listings by title and by author. The chronological entries serve as a history of the development of the novel in this country, from Stoney's Taranaki of 1861 to the novels of the present day. Students of New Zealand literature, librarians and the general reader will find the bibliography of considerable value and interest both in recalling novels they have intended to read or may once have read, and in disclosing titles that would otherwise have remained unknown. An essential book for all who read novels.
