

# Is It Me

**Francesco Petrarca**

*Is It Me?* Tiffany M. Randall, 2022-01-19 *Is It Me?* By: Tiffany M. Randall How can someone be with someone else if they do not know themselves? You want the fairy tale life that you have always dreamed of, but most importantly someone to share it with. You fail sometimes or even think you're winning with someone, but then that too fails. You start to lose hope that you will find someone to spend the rest of your life with or that someone you cannot stop thinking about. Sometimes it seems far away and sometimes it has been right in front of your face and you just keep overlooking them. You ask yourself IS IT ME? Am I not doing something right? How come my friends have someone but not me? Then you think, do I even know myself before I try throwing myself out there to someone else. It is all about knowing who you are, so you do know what to look for and not just chasing a hopeless dream. When you figure out who you are, the odds are endless.

Is It Me or My Meds? David A. Karp, 2007-10-30 By the millennium Americans were spending more than 12 billion dollars yearly on antidepressant medications. Currently, millions of people in the U.S. routinely use these pills. Are these miracle drugs, quickly curing depression? Or is their popularity a sign that we now inappropriately redefine normal life problems as diseases? Are they prescribed too often or too seldom? How do they affect self-images? David Karp approaches these questions from the inside, having suffered from clinical depression for most of his adult life. In this book he explores the relationship between pills and personhood by listening to a group of experts who rarely get the chance to speak on the matter--those who are taking the medications. Their voices, extracted from interviews Karp conducted, color the pages with their experiences and reactions--humor, gratitude, frustration, hope, and puzzlement. Here, the patients themselves articulate their impressions of what drugs do to them and for them. They reflect on difficult issues, such as the process of becoming committed to medication, quandaries about personal authenticity, and relations with family and friends. The stories are honest and vivid, from a distraught teenager who shuns antidepressants while regularly using street drugs to a woman who still yearns for a spiritual solution to depression even after telling intimates I'm on Prozac and it's saving me. The book provides unflinching portraits of people attempting to make sense of a process far more complex and mysterious than doctors or pharmaceutical companies generally admit.

**Superwoman Vol. 2: Rediscovery (Rebirth)** Phil Jimenez,K. Perkins,2017-12-05 Superwoman Lana Lang is at a crossroads. Her memories are out of sync with the reality around her, her superpowers are killing her...and the only hope for her survival may mean giving up the superhero career she's barely begun! In the aftermath of SUPERMAN REBORN, Superman, Steel, Natasha Irons and former fellow Superwoman Lois Lane all want Lana to continue on as a hero, but what does Lana want? And what role will the mysterious Insect Queen armor play in helping Lana make her decision? Meanwhile, as Lana struggles to find a way to go on as Superwoman, the monstrous villain known as Skyhook—who has hurt those closest to Lana before—menaces Lana's loved ones once more. With or without powers, will Lana be able to stop him and embrace her destiny as a hero to the people of Metropolis? One of DC's newest heroes finds an unexpected path to greatness in SUPERWOMAN VOL. 2: REDISCOVERY, collecting issues #8-12 of the series from writers K. Perkins (SUPERGIRL) and Phil Jimenez, with art by Jimenez (WONDER WOMAN), Stephen Segovia (ACTION COMICS), Art Thibert (TRINITY) and more!
