Malice Keigo Higashino,2014-10-07 This smart and original mystery is a true page-turner... will baffle, surprise, and draw out suspicion until the final few pages. With each book, Higashino continues to elevate the modern mystery as an intense and inventive literary form. —Library Journal (starred review) Fiendishly clever... Higashino offers one twist after another... Readers will marvel at the artful way the plot builds to the solution. —Publishers Weekly (starred review) *** Acclaimed bestselling novelist Kunihiro Hidaka is found brutally murdered in his home on the night before he's planning to leave Japan and relocate to Vancouver. His body is found in his office, a locked room, within his locked house, by his wife and his best friend, both of whom have rock solid alibis. Or so it seems. At the crime scene, Police Detective Kyochiro Kaga recognizes Hidaka's best friend, Osamu Nonoguchi. Years ago when they were both teachers, they were colleagues at the same public school. Kaga went on to join the police force while Nonoguchi eventually left to become a full-time writer, though with not nearly the success of his friend Hidaka. As Kaga investigates, he eventually uncovers evidence that indicates that the two writers' relationship was very different that they claimed, that they were anything but best friends. But the question before Kaga isn't necessarily who, or how, but why. In a brilliantly realized tale of cat and mouse, the detective and the killer battle over the truth of the past and how events that led to the murder really unfolded. And if Kaga isn't able to uncover and prove why the murder was committed, then the truth may never come out. *Malice* is one of the bestselling—the most acclaimed—novel in Keigo Higashino's series featuring police detective Kyochiro Kaga, one of the most popular creations of the bestselling novelist in Asia.

The Final Curtain Keigo Higashino,2023-12-12 From the acclaimed author of *Malice* and *Newcomer*, a confounding murder in Tokyo is connected to the mystery of the disappearance and death of Detective Kaga's own mother. A decade ago, Tokyo Police Detective Kyoichiro Kaga went to collect the ashes of his recently deceased mother. Years before, she ran away from her husband and son without explanation or any further contact, only to die alone in an apartment far away, leaving her estranged son with many unanswered questions. Now in Tokyo, Michiko Oshitani is found dead many miles from home. Strangled to death, left in the bare apartment rented under a false name by a man who has disappeared without a trace. Oshitani lived far away in Sendai, with no known connection to Tokyo - and neither her family nor friends have any idea why she would have gone there. Hers is the second strangulation death in that approximate area of Tokyo - the other was a homeless man, killed and his body burned in a tent by the river. As the police search through Oshitani's past for any clue that might shed some light, one of the detectives reaches out to Detective Kaga for advice. As the case unfolds, an unexpected connective emerges between the murder (or murders) now and the long-ago case of Detective Kaga's missing mother. *The Final Curtain*, one of Keigo Higashino's most acclaimed mysteries, brings the story of Detective Kaga to a surprising

conclusion in a series of rich, surprising twists.

Under the Midnight Sun Keigo Higashino, 2016-11-08 From the acclaimed international bestseller Keigo Higashino (*The Devotion of Suspect X*) comes a sweeping novel in the tradition of *Les Misérables* and *Crime and Punishment*. This is the compelling story of a brutal crime and the two teenagers—Ryo, the son of the murdered man, and Yukiho, the daughter of the main suspect—whose lives remain inextricably linked over the twenty-year search for the truth behind the crime. In Osaka in 1973, the body of a murdered man is found in an abandoned building. Investigating the crime, Detective Sasagaki is unable to find the killer. Over the next twenty years, through the lens of a succession of characters, Higashino tells the story of two teens, Ryo and Yukiho, whose lives are most affected by the crime, and the obsessed detective, Sasagaki, who continues to investigate the murder, looking for the elusive truth. *Under the Midnight Sun* is a complex, psychological novel about crime and its after-effects by one of the most read and most accomplished contemporary mystery authors. Guilt Keigo Higashino, 2016-04-09 A tour de force crime novel from one of the international masters of the form, where a simple murder case questions the simple notions of good and evil, guilt and redemption. Homicide Detective Godai of the Tokyo Metropolitan Police Department is assigned to investigate the death of a lawyer, Kensuke Shiraishi, whose body was found on a Central Tokyo riverbank. His investigations lead him to one Tatsuro Kuraki, who claims to have had limited contact with Shiraishi - but, surprising the investigators, Kuraki not only confesses to the lawyer's murder, but another one from thirty years ago - for which another man was arrested and died in custody before trial. This brings unexpected resolution to two cases but there is one problem: to Detective Godai the confession rings false. And Godai is not the only one who cannot accept Kuraki's explanation of both murders and his professed motives. The confessed murderer's son and the victim's daughter both feel strongly that both the act and the motive claimed are untrue. As Godai investigates further, he discovers that the relation between the murder of thirty years ago and the recent one is complex, raising multi-faceted questions of guilt and innocence. *Guilt* is a rich novel about crime and its aftereffects on those left behind by both the victim and perpetrator, a twisting, compelling work that will surprise and astonish.

Overhearing the commotion, Yasuko's next door neighbor, middle-aged high school mathematics teacher Ishigami, offers his help, disposing not only of the body but plotting the cover-up step-by-step. When the body turns up and is identified, Detective Kusanagi draws the case and Yasuko comes under suspicion. Kusanagi is

unable to find any obvious holes in Yasuko's manufactured alibi and yet is still sure that there's something wrong. Kusanagi brings in Dr. Manabu Yukawa, a physicist and college friend who frequently consults with the police. Yukawa, known to the police by the nickname Professor Galileo, went to college with Ishigami. After meeting up with him again, Yukawa is convinced that Ishigami had something to do with the murder. Invisible Helix Keigo Higashino, 2024-12-17 Detective Galileo, Keigo Higashino's best loved character from The Devotion

of Suspect X, returns in a case where hidden history, and an impossible crime, are linked by nearly invisible threads in surprising ways. The body of a young man is found floating in Tokyo Bay. But his death was no accident—Ryota Uetsuji was shot. He'd been reported missing the week before by his live-in girlfriend Sonoka Shimauchi, but when detectives from the Homicide Squad go to interview her, she is nowhere to be found. She's taken time off from work, clothes and effects are missing from the apartment she shared. And when the detectives learn that she was the victim of domestic abuse, they presume that she was the killer. But her alibi is airtight—she was hours away in Kyoto when Ryota disappeared, forcing Detectives Kusanagi and Utsumi to restart their investigation. But if Sonoko didn't kill her abusive lover, then who did? A thin thread of association leads them to their old consultant, brilliant physicist Manabu Yukawa, known in the department as Detective Galileo. With Sonoko still missing, the detectives investigate other threads of association—an eccentric artist, who was Sonoko's mother figure after her own single mother passed; and an older woman who is the owner of a hostess club. And how is Sonoko continuing to stay one step ahead of the police searching for her? It's up to Galileo to find the nearly hidden threads of history and coincidence that connect the people around the bloody murder- which, surprisingly, connect to his own traumatic past—to unravel not merely the facts of the crime but the helix that ties them all together.
