**The Psychoanalysis of Career Choice, Job Performance, and Satisfaction** Paul Marcus, 2017-01-20 Freud said that love and work are the central therapeutic goals of psychoanalysis; the twin pillars for a sound mind and for living the good life. While psychoanalysis has masterfully contributed to understanding the experience of love, it has only made a modest contribution to understanding the psychology of work. This book is the first to explore fully the psychoanalysis of work, analysing career choice, job performance and job satisfaction, with an eye toward helping people make wiser choices that bring out the best in themselves, their colleagues and their organization. The book addresses the crucial questions concerning work: how does one choose the right career; what qualities contribute to excellence in performance; how best to implement and cope with organizational change; and what capacity and skills does one need to enjoy every day work? Drawing on psychoanalytic thinking, vocational counseling, organizational psychology and business studies, *The Psychoanalysis of Career Choice, Job Performance, and Satisfaction* will be invaluable in clinical psychoanalytic work, as well as for mental health professionals, scholars, career counselors and psychologists looking for a deeper understanding of work-based issues.

*Lady Gaga and the Sociology of Fame* Mathieu Deflem, 2016-11-30 This book investigates the stardom of Lady Gaga within a cultural-sociological framework. Resisting a reductionist perspective of fame as a commodity, Mathieu Deflem offers an empirical examination of the social conditions that informed Lady Gaga's rise to fame. The book delves into topics such as the marketing of Lady Gaga; the legal issues that have dogged her career; the media; her audience; her activism; issues of sex, gender, and sexuality; and Lady Gaga's unique artistry. By training a spotlight on this singular pop icon, *Lady Gaga and the Sociology of Fame* invites readers to consider the nature of stardom in an age of celebrity.

**The Performance Identities of Lady Gaga** Richard J. Gray II, 2014-01-10 Three years after entering the pop music scene, Lady Gaga became the most well-known pop star in the world. These thirteen critical essays explore Lady Gaga's body of work through the interdisciplinary filter of performance identity and cover topics such as gender and sexuality, body commodification, visual body rhetoric, drag performance, homosexuality and heteronormativity, Surrealism and the theatre of cruelty, the carnivalesque, monstrosity, imitation and parody, human rights, and racial politics. Of particular interest is the way that Lady Gaga's oeuvre, however popular, strange, raw or controversial, enters into the larger sociopolitical discourse,

challenging the status quo and altering our perceptions of reality.

**Lady Gaga** Elizabeth Goodman,2010-09-14 Packed with 120 full-color photos of the new queen of pop, this volume celebrates the fashion of the edgy, wildly original Lady Gaga, catching this rocketing star at her most outrageous, most revealing, and most fashionable.

Quotes by Lady Gaga Lilith Regan,2020-04-08 Lady Gaga is my name. If you know me, and you call me Stefani, you don't really know me at all. What I've discovered is that in art, as in music, there's a lot of truth-and then there's a lie. The artist is essentially creating his work to make this lie a truth, but he slides it in amongst all the others. The tiny little lie is the moment I live for, my moment. It's the moment that the audience falls in love. I don't like Los Angeles. The people are awful and terribly shallow, and everybody wants to be famous but nobody wants to play the game. I'm from New York. I will kill to get what I need. I've had grand pianos that are more expensive than, like, a year's worth of rent. I am so excited to extend myself behind the scenes as a designer and to - as my father puts it - finally have a real job. I'm working on bringing the

instant film camera back as part of the future. I'm definitely a Polaroid camera girl. For me, what I'm really excited about is bringing back the artistry and the nature of Polaroid. I guess you could say I devoted myself so strongly to my music that for awhile I forgot about my family. But I only get one set of parents, and I think I forgot about that for a little while. I like pushing boundaries. In a sense I portray myself in a very androgynous way, and I love androgyny. I had this dream, and I really wanted to be a star. And I was almost a monster in the way that I was really fearless with my ambitions. Every bit of me is devoted to love and art. And I aspire to try to be a teacher to my young fans who feel just like I felt when I was younger. I just felt like a freak. I guess what I'm trying to say is I'm trying to liberate them, I want to free them of their fears and make them feel that they can make their own space in the world. I was performing in New York and my friends started to call me Gaga, they said I was very theatrical and they said, 'You're Gaga'. When the whole world has their eyes on you, if you say something that doesn't truly come from your spirit and your soul, or if you wear something that doesn't come from your spirit and your soul, it's an injustice to your position. And so, I'm really myself every single day and I do it because I know my fans would want me to. The instrument that I never learned how to play was my fans. You know, they are the part of the story that nobody teaches you. I just want to do the right thing; I want to be a voice with them, among them. I live halfway between reality and theater at all times. And I was born this way. 'Born this Way' is about being yourself, and loving who you are and being proud. I hope that what you take away from my album is not just the music - which I did want to be fun, and I did want it to be about individuality, but please also take away from it that there's no dream that's too big. If you are not being bullied all I would say - cause I like to talk about the other side of it as well - is you know, be someone that nurtures, and if there's someone in your class that maybe doesn't have a lot of friends, be the person that sits with them in the cafeteria sometimes; be the bigger person. I've been actually really very pleased to see how much awareness was raised around bullying, and how deeply it affects everyone. You know, you don't have to be the loser kid in high school to be bullied. Bullying and being picked on comes in so many different forms. What I've learned is that you really don't need to be a celebrity or have money or have the paparazzi following you around to be famous. I think what made it difficult for people to get, and still makes it difficult for people to get, is the theatrical nature of the work and the fact that, my music doesn't exist without the performance-art element.

**Poker Face** Maureen Callahan,M Callahan,2010-09-14 “Stop feeding me bullshit. Tell me the truth.” —Lady Gaga, 2009 “I hate the truth. I hate the truth so much I prefer a giant dose of bullshit any day over the truth.” —Lady Gaga, 2010 In little over a year, Stefani Germanotta, a struggling performer in New York’s Lower East Side burlesque scene, has become the global demographic-smashing pop icon known as Lady Gaga. She is a once-in-a-decade artist, a gifted singer, composer, designer, and performance artist who mixes high and low culture, the avant-garde with the accessible, authenticity with artifice. Who is Lady Gaga She is a twenty-four-year-old woman whose stage mantra—“I’m a free bitch!”—is the polar opposite of who she is offstage: isolated, insecure, and unable to be alone. She is an outrÉ artist who wanted to be a sensitive singer-songwriter, whose musical heroes include Britney Spears, Billy Joel, and Bruce Springsteen. She is a woman who says no man can ever compete with her career, but who still isn’t over the ex-boyfriend who said she was too ambitious. She claims not to care what people think, but spends her downtime online, reading what people have to say about her. She claims to be a con artist and utterly authentic. She is never less than compelling. Based on over fifty original interviews with friends, employees, rivals, and music industry veterans, Poker Face is the first in-depth biography of the extraordinary cultural phenomenon that is Lady Gaga. Quotes from POKER FACE: “It’s a privilege to be here tonight to open for Lady Gaga. I’ve made it.” --President Barack Obama, October 2009 “I remember thinking, ‘That could be her. But I hope it's not.’” --Producer Rob Fusari “Her ‘crazy’ outfit was putting suspenders on her jeans.” --former classmate “She is perfectly, almost genetically engineered to be a twenty-first-century pop star.” --Eric Garland, CEO, BigChampagne.com “If you looked at her, you’d think

she was a jam band chick. She had a heady, grimy vibe.” --former NYU classmate Jon Sheldrick “She’s not progressive, but she’s a good mimic. She sounds more like me than I f---ing do!” --Singer/rapper M.I.A. “You won’t be able to order a cup of coffee at the f---ing deli without hearing or seeing me.” —Lady Gaga to an ex-boyfriend, 2008
