

Les Dangers De La Rose Croix Dor

Christian Drosten

L'Appel de la Fraternité de la Rose-Croix Jan van Rijckenborgh, Le premier des Manifestes Rose-Croix, paru en 1614, s'appelle « La Fama Fraternitatis ». Il s'agit d'un appel aux savants et aux grands de ce monde pour entreprendre la réformation nécessaire en vue de l'arrivée du Verseau et de ses influences nouvelles. C'est une onde de choc qui se répand sur le monde intellectuel de l'époque! Fondé en 1604 à Tübingen, le cercle des frères de la Rose-croix trouva son apogée dans les années 1614-1616 avec la publication des Manifestes Rose-Croix, grâce à laquelle l'Europe occidentale connut au 17^e siècle une forte impulsion spirituelle qui poussa les hommes à se tourner vers la « moitié inconnue du monde ». Dans ce récit fort énigmatique, il est évoqué la vie de Christian Rose-Croix, qui entreprend un voyage pour aller à la rencontre de la sagesse de ce monde : Chypre, Damas, Damcar, Egypte, Fez, Espagne. Il tenta de faire appliquer la réformation qu'il pressentait nécessaire, mais fut souvent éconduit. Revenu en Europe, il tente l'expérience avec seulement quelques collaborateurs et constitue la Fraternité de la Rose-Croix. Des générations de travail, où les frères se succèdent. L'histoire culmine lors de la découverte du temple-tombe du Père-Frère Christian Rose-Croix et de la demeure Sancti Spiritus, qui serait accessible à l'homme individuellement. L'analyse ésotérique et les commentaires de Jan van Rijckenborgh sont plus que nécessaires pour donner un sens à cette « Fama », qui autrement resterait bien mystérieuse... L'auteur tente néanmoins de garder le ton du texte original, fait ressortir l'impérieuse nécessité d'entreprendre la réforme à un niveau individuel, si bien que s'en dégagent assez clairement les attributs « Rose-Croix » toujours d'actualité aujourd'hui.

The Frankenstein of 1790 and Other Lost Chapters from Revolutionary France Julia V. Douthwaite, 2024-05-31
The French Revolution brings to mind violent mobs, the guillotine, and Madame Defarge, but it was also a publishing revolution: more than 1,200 novels were published between 1789 and 1804, when Napoleon declared the Revolution at an end. In this book, Julia V. Douthwaite explores how the works within this enormous corpus announced the new shapes of literature to come and reveals that vestiges of these stories can be found in novels by the likes of Mary Shelley, E. T. A. Hoffmann, Honoré de Balzac, Charles Dickens, Gustave Flaubert, and L. Frank Baum. Deploying political history, archival research, and textual analysis with eye-opening results, Douthwaite focuses on five major events between 1789 and 1794—first in newspapers, then in fiction—and shows how the symbolic stories generated by Louis XVI, Robespierre, the market women who stormed Versailles, and others were transformed into new tales with ongoing appeal. She uncovers a

1790 story of an automaton-builder named Frankenstein, links Baum to the suffrage campaign going back to 1789, and discovers a royalist anthem's power to undo Balzac's Père Goriot. Bringing to light the missing links between the ancien régime and modernity, *The Frankenstein of 1790 and Other Lost Chapters from Revolutionary France* is an ambitious account of a remarkable politico-literary moment and its aftermath.

Mémoires Pour Servir À L'histoire Du Jacobinisme: pties. Conspiration des sophistes de l'impiété et de l'anarchie abbé Barruel, Gabriel Richard, 1797

Les magiciens du crépuscule : Sectes, sociétés secrètes et complot mondial Jean-Pierre MONTEILS, 2023-10-31 Sociétés secrètes, Illuminatis, conspirations de l'ombre... Les théories du complot nourrissent l'imaginaire collectif depuis toujours. Jean-Pierre Monteils, passionné d'énigmes historiques et auteur de plusieurs ouvrages sur le sujet, ouvre une réflexion inédite et passionnante sur la question des sectes, complots et sociétés secrètes, et leur place dans l'imaginaire collectif aujourd'hui.
