**Number the Stars** Lois Lowry, 1989-04-24 The unforgettable Newbery Medal-winning novel from Lois Lowry. As the German troops begin their campaign to relocate all the Jews of Denmark, Annemarie Johansen's family takes in Annemarie's best friend, Ellen Rosen, and conceals her as part of the family. Through the eyes of ten-year-old Annemarie, we watch as the Danish Resistance smuggles almost the entire Jewish population of Denmark, nearly seven thousand people, across the sea to Sweden. The heroism of an entire nation reminds us that there was pride and human decency in the world even during a time of terror and war. A modern classic of historical fiction, *Number the Stars* has won generations of fans and continues to speak to today's readers. Jessica Grose wrote in a November 2022 New York Times essay entitled *This Perfect Mother-Daughter Read Holds a Powerful Lesson for Fighting Antisemitism*: "*Number the Stars* is particularly relevant to our family, and to this moment. As *School Library Journal* put it: Readers are taken to the very heart of Annemarie's experience, and, through her eyes, come to understand the true meaning of bravery.

**A Literature Kit for Number the Stars by Lois Lowry** Nat Reed, Lois Lowry, 2006 A Literature Kit. A story of a ten-year-old girl, her family, and their courageous journey to save the lives of their Jewish friends! During the darkest days of World War II living in Copenhagen, ten-year-old Annemarie Johansen is caught up in these unfolding historical events when she learns that the life of her best friend, Ellen Rosen, is in danger. The Rosens go into hiding and Annemarie's parents volunteer to take Ellen into their home until the voyage to the safe country of Sweden can be arranged. Annemarie is thrust into several perilous adventures as she does the utmost to save the lives of the Rosens. Annemarie's courage and ingenuity are severely tested as she is forced to confront German soldiers intent on killing her friend.
