Offside Hearts Nikki Lawson, 2023

Offside Hearts Stephanie Julian, 2025-04-14 They're not quite ready for the big league, but these hot hockey hunks are ready to find true love... **NETTING THE GOALIE** I need to get my head in the game, not let my heart call the shots. A goaltender in a slump spends one night with a redhead who raises more than his blood pressure. Now it's game on. **PUCKING THE GRINDER** I go in deep and make the plays... but she's not falling for my game. A fast-talking minor-league hockey player with a reputation as a grinder meets a cool blonde who trips all his switches. But will his lifelong dream of playing in the NHL cost him the woman of his dreams? **FALLING FOR THE ENFORCER** I'm used to making an impression, but it's not always a good one. He's not afraid to drop his gloves in defense of his teammates. Until a chance collision with a curvy brunette makes him want more than she's willing to give. Now he's willing to fight for his shot at love.

Offside Avery Keelan, 2024-12-02 From TikTok sensation Avery Keelan comes *Offside*, an addictive college hockey romance where Hannah Grace meets Elle Kennedy. After being dumped on her 21st birthday, Bailey James rebounds right into the arms of her ex's biggest competition... Chase Carter: antagonist, womanizer, and infamous left winger for her college's rival team. Following a string of scandals and substandard grades, Chase is on thin ice with his teammates and tyrannical coach. The last thing he needs is to have his focus and loyalty called into question by fraternizing with his team's #1 competition, but a beautiful stranger who throws herself at him one night is too tempting to pass up... until she throws up on his shoes. Caught in the midst of a bitter rivalry that extends far beyond the arena, Chase and Bailey are on opposite sides of the bench. He's worked his entire life to secure a future in the NHL. She's tagged along while her brother has done the same. Fraternizing with the enemy is definitely out of the question, but what if the enemy is impossible to resist? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Offside Kelly Jamieson, 2024-03 Eight years ago Honey Holbrook was a spoiled, rich, wild child who didn't think twice about a wicked fling with pro hockey player Matt Heller. Even though her dad owned the team. When Matt tried to get her to quit her partying ways, their short relationship imploded. She threw herself further into her lifestyle while Matt carved out a career for himself in the NHL. Now Honey has a new job, a new home, and is staying out of the limelight. But the first day of her new job doesn't go as she expects when her boss and coworkers make it clear she's not wanted. To add insult to injury,

her first project requires her to work with none other than Matt Heller. Matt's recovering from a serious injury that has changed his whole outlook on life. He's not impressed to be working with Honey, even though her cleaned up image arouses his curiosity. And arouses something else...

Offside Vows Vishal K,2025-07-04 They faked the vows. They never planned the feelings. Now the only thing offside... is their hearts. Riley Quinn built her reputation as a hard-hitting sideline sports reporter by staying focused, fearless, and far away from the athletes she covers. But when a PR scandal threatens her career, the last person she expects to offer her a lifeline is Logan Reed-hockey's golden boy, her childhood best friend, and the guy who broke her heart without ever knowing it. Logan's carefully crafted image is crumbling after an off-ice controversy he didn't see coming. His solution? A fake marriage to the one woman who knows how to spin a story and keep her cool in front of a crowd. Six months. One contract. No emotions. No problem-until private moments start to feel real, history comes roaring back, and the lines between

performance and partnership begin to blur. What started as a clean break from their past may become the story of their future-if they're brave enough to rewrite the ending. *Offside Vows* is a slow-burn, second-chance, fake-marriage romance about buried feelings, public pressure, and finding your way back to the person who knew you best-before the world ever knew your name.

Offside Juliana Stone,2014-01-18 When hockey phenom Billie-Jo Barker returns home and decides to play in the local Friday night hockey league, all hell breaks loose. Not because Billie's talent is in question, but because Billie is a woman. And though these are modern times, some of the local guys still have a problem letting a girl into their 'men's club.' Soon, Billie is at the center of a small town battle of the sexes, with everyone choosing sides. Her sisters. The townsfolk. Her friends. And yet, the only person whose opinion she cares about doesn't seem to care much at all. Logan Forest, the man who broke her heart when she was eighteen and the man she now shares the bench with every Friday night. She's got a lot to prove and though Billie Jo Barker scores on the ice, will this girl ever score with the man of her dreams?

Offside! Sandra Diersch,2001-02-01 Alecia tries to hold her soccer team together after a new girl with a bad attitude joins the squad.
