SellWave Audio

Summary of The Retirement Miracle SellWave Audio, 2025-10-27 The Retirement Miracle by Patrick Kelly is a straightforward and engaging guide for anyone who wants to retire with confidence and peace of mind. Written in Kelly's signature style—lighthearted, humorous, and easy to follow—the book strips away the intimidation often associated with retirement planning and offers readers a clear path forward. Rather than drowning you in financial jargon, Kelly lays out practical strategies that emphasize safety, growth, and freedom. At the heart of the book is the promise of growth without market risk. Kelly introduces readers to methods that allow their money to build steadily without the fear of losing it during sudden downturns. For anyone who's watched their retirement savings shrink in turbulent times, this message comes as both reassurance and hope. He emphasizes the possibility of growing wealth securely while bypassing the rollercoaster of the stock market, helping readers rethink what financial stability in retirement can really mean. Another pillar of Kelly's approach is tax-free access. Retirement often comes with the stress of wondering how much of your money you'll actually get to keep once taxes are applied. Kelly shares how to set up your finances so that you can access your savings tax-free, allowing retirees to enjoy the fruits of their labor without the constant bite of government deductions. Beyond personal use, he also shows how these same principles can be extended to generational planning, ensuring loved ones receive income-tax-free inheritances that preserve a family's hard-earned wealth. Throughout the book, Kelly guides readers through these principles with stories, analogies, and a sense of humor that makes the content not just digestible, but enjoyable. He frames retirement as less of a dry financial puzzle and more of a rewarding game—one you can win if you know the rules. Combining fresh lessons with a natural conversational tone, The Retirement Miracle becomes more than a financial guide; it's a blueprint for securing a future filled with stability, joy, and the ability to pass on a lasting legacy.

Wealth Is Your Birthright Ricardo Avelino,2015-01-05 For your Heavenly Father knows that you need all these things. But seek first the Kingdom of God and His righteousness and all these things shall be added to you (Matthew 6:32b-33). Are you looking for an avenue where you can put your money safe with growth, tax advantage, and protection? Do you dream of a cash retirement for yourself that is tax-free? Would you like to leave a tax-free inheritance to your family when you are no longer around? If the answer is a big yes, then this book is for you! Likewise, this book shows how giving, saving, and investing before spending is a blessed strategy toward wealth accumulation whether it is through man at work or money at work. When God created man in his image, he gave us tangible assets with a command and a blessing: Be fruitful and increase in number; fill the earth and subdue it. Have dominion over . . . (Genesis 1:27-28). When we work, we are exercising our birthright, our dominion. For if we don't work, neither should we eat (2 Thessalonians 3:10).

Wine, Women & Wealth Denise Arand,2019-10-25 Imagine how great life would be if you knew the money rules ahead

of time and the tools you could use to create great financial success. This book breaks the long-standing taboo that it's "not polite" to talk about money... right up there with politics, sex and religion. Which means that money is not talked about at cocktail parties, it's not talked about around the dinner table, it's not talked about in the classroom - or anywhere else for that matter! ...Until now. Years ago, working as a financial professional I realized that many women had little-to-no education about personal finance. That, coupled with the fact that almost all women will have total control over their money at some point in their lives, yet most feel completely unprepared for that, set me on a mission to educate and empower women regarding their finances. This book creates a place of inspiration and reference for all women who want more success in their relationship with money.
