She Comes First Ian Kerner, 2019 'There are some fantastic books out there that men should read ... It really worked' Coleen Nolan, ITV's Loose Women Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information, essential to both beginners and experienced lovers. 'It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cunnilingus is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can bestow upon a woman.' Ian Kerner

**The Abolition of Woman** Fiorella Nash, 2018 For the great majority on both sides of the abortion debate, the idea of a pro-life feminist is the ultimate contradiction in terms. Abortion has become so central to feminist thinking that women who affirm their belief in both women's empowerment and the inalienable right to life can find themselves viewed with suspicion and hostility from both sides. Yet the author of this book is indeed a pro-life feminist, and her insightful analysis of contemporary issues can provide the basis for common ground between those defending human rights. This book unashamedly calls mainstream feminists, journalists and Western politicians to account for their silence and – in some cases – vocal justification of the persecution of women because of an absolutist loyalty to abortion. It asks uncomfortable questions to those who claim to believe in women's empowerment: Where is their passionate outrage when Chinese women are forcibly aborted and sterilised? Where is their concern for the thousands of baby girls killed by abortion every year because their lives are held as worthless simply for being female? What about the thousands of women used as surrogates for wealthy Western couples, treated as chattels and denied their most basic human rights? But the book also tackles difficult issues for the pro-life side—the need for a sensitive, realistic approach to problematic pregnancies and the importance of confronting

the continued exploitation and abuse of women within a sexualised society. Pro-life feminism is not only possible; it is vital if the complex struggles facing women are to be adequately met. The Abolition of Woman is a rallying cry to feminists to stand with the pro-life movement, fighting to build a society in which women are equal and every human life is protected.

*He Comes Next* Ian Kerner, 2006-01-10 The companion book to Ian Kerner's smash success *She Comes First*, *He Comes Next* offers women his sometimes radical, always expert advice on everything from the nature of male desire to sex-techniques that work. While women everywhere benefited from Ian Kerner's sexual philosophy of female pleasure in *She Comes First*, now it's time to learn all about what turns men on and makes them stay on. In *He Comes Next*, Kerner covers every angle of male sexuality, illuminates the most common sex-life ruts, and offers practical, knowledgeable answers to women's most frequently asked questions. In his role as a sex therapist, Kerner has spoken with countless men not only about the best sex they ever had, but also perhaps more important about the best sex they never had -- experiences they always desired and fantasized about, but were afraid to share with their partners. In the spirit of full exposure, *He Comes Next* is the closest you'll ever come to waking up in a guy's skin and knowing what truly makes him sexually tick. Sexual pleasure goes beyond tips and tactics, however. Our sexual identities -- and the expression, gratification, and growth of these identities -- is fundamental to the success of our intimate relationships. With step-by-step and -- yes -- blow-by-blow detail, Kerner provides a clear, concise, achievable vision of sexual pleasure, one in which each technique forwards the action and where the whole is greater than the sum of its parts. Written in the same witty, insightful, and utterly readable voice that has made *She Comes First* and *Be Honest -- You're Not That Into Him* either so popular, *He Comes Next* is the thinking woman's guide to enjoying sex to the fullest and ensuring that he does the same.

**Passionista** Ian Kerner, 2013-01-22 Transform Yourself from Passion Victim to Passionista! In the smash hit *She Comes First*, Ian Kerner singlehandedly waged battle against male sexual ill-cliteracy, and women everywhere benefited from his viva la vulva philosophy of female pleasure. Now, in *Passionista*, it's time to learn all about what turns men on and makes them stay on. In this point-by-point, blow-by-blow guide, Kerner makes giving as much fun as receiving as he covers every angle of male sexuality, unlocks the secrets of satisfaction, and offers knowledgeable answers to the questions every woman wonders about. His advice is the closest you'll ever come to waking up in a guy's skin and knowing what truly makes him sexually tick. Written in the same witty, insightful, and utterly readable voice that has made *She Comes First* and *Be Honest* so popular, *Passionista* is the empowered woman's guide to enjoying sex to the fullest

Headaches Among the Overtones Catherine Laws, 2013-12-10 Samuel Beckett produced some of the most powerful writing – some of the funniest but most devastating – of the twentieth century. He described his plays, prose and poetry as ‘an unnecessary stain on the silence’, but the extraordinary combination of concision and richness in his writing stems from his peculiar sensitivity to the sounds and rhythms of words. Moreover, music forms a part of Beckett's comic aesthetics of failure: it plays a role in his exploration of the possibilities and failures of the imagination, and the ever-failing attempt to forge a sense of self. No wonder, then, that so many composers have taken inspiration from Beckett, setting his words to music or translating into music the dramatic themes or contexts of his work. *Headaches Among the Overtones* considers both music in Beckett and Beckett's significance in contemporary music. In doing so, it explores the relationship between words, music and meaning, examining how comparable philosophical concerns and artistic effects appear in literature and music of the twentieth and twenty-first centuries.

The Fire Line Fernanda Santos, 2024-09-04 The story of the Yarnell Hill wildfire of 2013 and the Arizona men who gave everything to fight it. Meticulously researched and as dramatic as any thriller. — People Magazine Western Writers of America 2017 Spur Award Winner, Best First Nonfiction Book Spur Award Finalist, Best Western Contemporary Nonfiction

The Fire Line is the story of the Granite Mountain Hotshots, an elite crew trained to combat wildfires in the wildlands of the American West, crisscrossing the country wherever the fires take them. A stirring portrait of a band of brothers at work, at play, and at home, until a fire burning in their own backyards leads to a national tragedy. With impeccable research that draws upon more than a hundred hours of interviews with the firefighters' families, colleagues, and state and federal officials. New York Times Phoenix Bureau Chief Fernanda Santos has written a riveting, pulse-pounding narrative of an unthinkable disaster, a remarkable group of men, and the raging wildfires that threaten our country's treasured wilderness. A riveting, pulse-pounding account of an American tragedy; and also as a meditation on manhood, brotherhood and family love. The Fire Line is a great and deeply moving book about courageous men and women. —Héctor Tobar, author of *Deep Down Dark: The Untold Stories of 33 Men Buried in a Chilean Mine and the Miracle that Set Them Free* In this riveting and poignant narrative, Fernanda Santos introduces the reader to a brave band of men, most of them in their 20's, who battle destructive wildfires. . . . A gripping account of one of the nation's most deadly wildfires and an inspiring look at the men who put their lives on the line and the loved ones they left behind. —The Associated Press [Santos] makes a valuable contribution to the literature of disaster preparedness and management—and given that wildfire is a growing problem in the ever more arid West, that literature needs all the good work it can get. — Kirkus Reviews
