Selected Poems Oscar Wilde, 1998-07-15 Then suddenly the tune went false, The dancers wearied of the waltz, The

shadows ceased to wheel and whirl. And down the long and silent street The dawn with silver-sandalled feet, Crept like a frightened girl. The life and works of Oscar Wilde (1854-1900) have a perennial fascination for the theatre going and reading public, and it is surprising that no separate edition of the poetry has been published for decades. Malcolm Hicks provides a generous and timely selection, introduction and notes. Here is the brilliant twenty-six-year-old's only collection of poems, which displays his sensuousness and technical precocity, with deft echoes of earlier masters. The young Wilde explores styles and forms to counteract what seemed to him the exhaustion of the poetic language current at the time. The substantial works of his later maturity-including 'The Harlot's House', The Sphinx and the legendary Ballad of Reading Gaol-are also included.

Selected Poems by Oscar Wilde Oscar Wilde,2015-05-27 Oscar Wilde: one of the most celebrated literary artists in history. He stoked the fires of his fame with his sensational wit and flamboyant eccentricity. During a time of strict Victorian social norms he flaunted the most outrageous dandy attire--and if that wasn't enough, while studying at Oxford he walked through the streets with a lobster on a leash. Reputation aside Oscar Wilde was an incredible artist: his plays and his one novel stand out against time as utterly brilliant, relevant, and funny. Here we offer the Selected Poems of Oscar Wilde, a collection that highlights his range as a master of the classics when he read at Oxford-where he graduated with the highest honors.

The Collected Poems of Oscar Wilde Oscar Wilde,2015-07-14 The Collected Poems of Oscar Wilde Oscar Fingal O'Flahertie Wills Wilde (16 October 1854 - 30 November 1900) was an Irish author, playwright and poet. After writing in different forms throughout the 1880s, he became one of London's most popular playwrights in the early 1890s. Wilde's parents were successful Anglo-Irish Dublin intellectuals. Their son became fluent in

French and German early in life. At university, Wilde read Greats; he proved himself to be an outstanding classicist, first at Dublin, then at Oxford. He became known for his involvement in the rising philosophy of aestheticism, led by two of his tutors, Walter Pater and John Ruskin. After university, Wilde moved to London into fashionable cultural and social circles. As a spokesman for aestheticism, he tried his hand at various literary activities: he published a book of poems, lectured in the United States and Canada on the new English Renaissance in Art, and then returned to London where he worked prolifically as a journalist. Known for his biting wit, flamboyant dress and glittering conversation, Wilde became one of the best-known personalities of his day. At the turn of the 1890s, he refined his ideas about the supremacy of art in a series of dialogues and essays, and incorporated themes of decadence, duplicity, and beauty into his only novel, *The Picture of Dorian Gray* (1890). The opportunity to construct aesthetic details precisely, and combine them with larger social themes, drew Wilde to write drama. He wrote *Salome* (1891) in French in Paris but it was refused a licence for England due to the absolute prohibition of Biblical subjects on the English stage. Unperturbed, Wilde produced four society comedies in the early 1890s, which made him one of the most successful playwrights of late Victorian London. At the height of his fame and success, while his masterpiece, *The Importance of Being Earnest* (1895), was still on stage in London, Wilde had the Marquess of Queensberry prosecuted for libel. The Marquess was the father of Wilde's lover, Lord Alfred Douglas. The charge carried a penalty of up to two years in prison. The trial unearthed evidence that caused Wilde to drop his charges and led to his own arrest and trial for gross indecency with other men. After two more trials he was convicted and imprisoned for two years' hard labour. In 1897, in prison, he wrote *De Profundis*, which was published in 1905, a long letter which discusses his spiritual journey through his trials, forming a dark counterpoint to his earlier philosophy of pleasure. Upon his release he left immediately for France, never to return to Ireland or Britain. There he wrote his last work, *The Ballad of Reading Gaol* (1898), a long poem commemorating the harsh rhythms of prison life. He died destitute in Paris at the age of 46.
