"Being loved gives you strength, loving someone gives you courage." - The Tao

Seventh-Day Adventists, Ellen G. White, and Salvation R. Van Orden, 2018-06-11 This book started out as an intense personal study by the author to evaluate and confirm his beliefs about God and salvation in regard to the teaching of the Seventh-Day Adventist Church. Why is it that so many Seventh-Day Adventists do not have the assurance of salvation? What criteria in the Bible and what specifically in Ellen G. White's writings might lead someone to believe they were not fit for heaven, that they did not qualify to be there, that God would not forgive them, and there was more required than just relying on Jesus's sacrifice to cover their sins? If they did not meet a strict set of rules, would God cast them aside in the end? In this

book, you will find out just who are the saved, who are the lost, and what happens to them in the end and what end-times will look like according to Ellen G. White and the SDA Church. The author estimates he has spent well in excess of ten thousand hours and has read over fifteen thousand pages of material over a seven-year period in the preparation of this book. It is the author's hope and prayer that this book will make the reader question, not their belief in the saving grace of God and the loving sacrifice of Jesus but rather question anything that might have come between them and that grace.

Proceedings of The 11th European Conference on Social Media Susana Pinto, 2025-06 The European Conference on Social Media (ECSM) is a well-established academic conference, held annually for over a decade, with a focus on advancing research and dialogue around social media. The primary aim of ECSM is to provide a platform for scholars, researchers, practitioners, and industry professionals to share and discuss their findings on the multifaceted impacts of social media. The conference emphasises the importance of understanding how social media influences various sectors, including society, education, business, and governance.

Liminal Jordan Tannahill, 2018-01-23 From award-winning playwright and filmmaker Jordan Tannahill comes a masterful and moving novel in the tradition of Ben Lerner's *Leaving the Atocha Station* and Sheila Heti's *How Should a Person Be*. At 11:04 a.m. on January 21st, 2017, Jordan opens the door to his mother's bedroom. As his eyes adjust to the half-light, he finds her lying in bed, eyes closed and mouth agape. In that instant he cannot tell whether she is asleep or dead. The sight of his mother's body, caught between these two possibilities, causes Jordan to plunge headlong into the uncertain depths of consciousness itself. From androids to cannibals to sex clubs, an unforgettable personal odyssey emerges, populated by a cast of sublime outsiders in search for the ever-elusive nature of self. Part ontological thriller, part millennial saga, *Liminal* is a riotous and moving portrait of a young man in volatile times, a generation caught in suspended animation, and a son's enduring love for his mother.

Russia's Carnival Christoph Neidhart, 2003 This colorfully drawn and acutely observed book explores Russia by engaging all our senses. Today's Russia smells different from the Soviet Union. The country looks and sounds different, its touch is different and its food tastes different. Thus, Christoph Neidhart argues, Russia is truly a changed country from the Soviet Union it was, little more than a decade ago. Russian society is rapidly urbanizing and modernizing, as can be perceived by all senses, including the awareness of space and the conception of time. After almost a century, space can be privately owned and freely traded; time too has become commodified. New role models and new ways to express social status are emerging. Russia has become a 'monetized' economy as the old Soviet practice of provision by networking has grown obsolete. Russia thus readies itself gradually to grow into a Western-style, middle-class society with a free market and democratic polity. The author assesses these rapid changes using the evocative metaphor of the carnival to understand the chaotic inversion of the Communist structure of society. He explores the transition's traps and shortcomings--such as the privatization of politics and

the looting of the state's assets--and compares this process to the modernization Western society underwent a century earlier.

Exiles in America Christopher Bram,2009-10-13 Zack Knowles, a psychologist, and Daniel Wexler, an art teacher at a college in Virginia, have been together for twenty-one years. In the fall of 2002, a few months before the Iraq War, a new artist in residence, Abbas Rohani, arrives with his Russian wife, Elena, and their two children. But Abbas is not quite what he seems, and he begins an affair with Daniel. Soon politics intrude upon two families thrown together by love, threatening the future of both in ways no one could have predicted. A novel that explores how the personal becomes political, *Exiles in America* offers an intimate look at the meaning of marriage, gay and straight.

Snake Oil Kelsey Rae Dimberg,2024-09-17 "A brisk and fun thriller... This is a novel with a lively, churning plot, about which nothing more can be said without revealing its deftly constructed twists. Blending soap-operatic thrills and boardroom intrigue, *Snake Oil* is consistently satisfying, a reminder that it might be intoxicating to watch bubbles grow, but it's always more memorable when they burst." — San Francisco Chronicle A razor-sharp literary thriller about three women vying for

power at a wellness startup, where the cost of ambition might be deadly One woman's elixir is another woman's poison Rhoda West is Silicon Valley's favorite female CEO: the luminously charismatic founder of the fast-growing startup Radical, a wellness company whose core mission is the betterment of women's lives. Rhoda's Instagram page offers intimate glimpses of her personal life alongside promotions for the cult-status products developed in the Well, Radical's secretive lab. Dani Lang is a "quester," as Rhoda calls her most avid followers. Dani found Radical at a low point in her life, and took an entry level job just to get in the door. When she volunteers to test a controversial new supplement, Dani wins an opportunity to rise in the company, even to work with Rhoda herself. Cecelia Cole is a "quasher." She grinds away at the Customer Worship queue, resenting the entitled customers, the woo-woo Radical jargon, and Rhoda's smiling hypocrisy. Cecelia, who suffers from a miserable chronic illness, knows that the remedies Rhoda sells can't cure real sickness. Just as Rhoda announces another fundraising round that could turn Radical into a billion-dollar unicorn, an anonymous Twitter account begins spilling snarky gossip from inside the startup. Is Rhoda really the nurturing leader she presents to the world, or a fraud? Or is this just another case of a woman in business being punished for her strength and audacity? Tensions rise and loyalties clash, then tragedy strikes during a company party. In the aftermath of what looks more and more like a crime, even the most faithful questers begin to wonder to what lengths Rhoda will go to protect her company. Part page-turning suspense, part darkly comic skewering of startup culture, *Snake Oil* is a gripping exploration of ambition and authenticity, shining a revealing light on the wellness world.
