*Quotes from the Edge of Nowhere* Gary Lewis LeRoy, MD, 2020-12-03 *Quotes from the Edge of Nowhere: The Art of Noticing Unnoticed Wisdom* By: Gary Lewis LeRoy, MD. This book is about a twenty- to forty-year life journey. It recounts ten randomly selected personal quotes, saved in a cookie jar, and creates a life-learning narrative using the origin of the quote. Each story evolves by looking back at the signposts and hints of wisdom sprinkled along the author's life path. Many of these events whispered subtle quotes of wisdom to his conscience. It was up to the author to make sense of them or proceed on life's path, having missed an opportunity to obtain wisdom. All of us are on a similar journey cluttered with obstacles of the human condition. It is the author's desire that this little book of hope and inspiration will serve as a torchlight to illuminate the way on the reader's journey toward a more joyful life—one filled with knowledge, truth, and wisdom.

**The Use of Scripture in the Markan Passion Narrative** Kelli S. O'Brien, 2010-05-27 The Library of New Testament Studies (LNTS) is a premier book series that offers cutting-edge work for a readership of scholars, teachers in the field of New Testament studies, postgraduate students and advanced undergraduates. All the many and diverse aspects of New Testament study are represented and promoted, including innovative work from historical perspectives, studies using social-scientific and literary theory, and developing theological, cultural and contextual approaches Kelli S. O'Brien examines the use of scripture in the Markan passion narrative. O'Brien begins by laying firm methodological foundations, providing an incisive definition of the term allusion and the criteria by which the presence of allusions may be established. She then tests the plethora of allusions that previous scholars have discerned within Mark 14-15, arguing that only sixteen references have sufficient support to be considered as allusions out of approximately 270 references suggested. O'Brien then moves to assess the interpretive impact of the most likely allusions on the Markan passion narrative. Some allusions make bold statements with regard to Christology, including Jesus' ultimate vindication and exaltation. Many, however, have little Christological content and function as literary devices to interpret the narrative. Allusions illuminate the significance of events, from the flight of the disciples to the offer of vinegary wine. The presence of allusions provides a window to the evangelist's understanding of Jesus' death in eschatological and redemptive terms. As such this study is of immense importance in furthering comprehension of the Second Gospel's interpretation of the passion.
