Catechetical Sessions on Christian Prayer Laurie Delgatto, Mary Shrader, 2004 By teaching young people to pray, you can open for them a way to communicate on a deeply personal level with God, who is the source of all holiness. By inviting them to explore different forms of personal prayer, you will encourage them to expand their image of God and their expectations of prayer. By challenging them to look at communal prayer, you will remind them that their role in building God's Reign and as a part of the Body of Christ is important, unique, and valued. This manual can help you give young people the tools to pray all ways, and always, and enable them to build their relationship with God on a solid foundation.

Restoring Family Connections Amy J.L. Baker, PhD, Paul R. Fine, LCSW, Alianna LaCheen-Baker, 2020-01-21 Broken relationships between adult children and their parents is a widespread phenomenon. While the parent-child attachment relationship is of critical importance for the child in the early years of life, the parent-child relationship continues to be a source of great importance over the course of the individual's life span for both the child and the parent. For adults and adult children who are estranged/alienated from each other, the pain and dissatisfaction never fully go away. Despite the prevalence of the problem of ruptured relationships, there are few resources available for mental health professionals working with this population. This book provides a tool for clinicians to turn to when they are working with adult children and their parents seeking to resolve conflict, improve communication, and enhance their relationships.

Break Free from Reactive Parenting Laura Linn Knight, 2022-11-08 Reactive parenting encompasses the negative behaviours that stem from frustration, like yelling, threatening, and over-rewarding or bribing. It's difficult not to snap when you're overworked, overtired, and faced with a child experiencing extremely high emotions. This book offers a new approach focusing on the family as a whole to create a calmer, more equitable home environment. From addressing the issues that cause and result from being reactive to implementing a more effective parenting approach, this book serves as your support system as you seek to bring meaningful change into your home.

Coming Home Kathy Spiciarich, 2022-10-23 Coming Home, a teaching memoir, was written for any spiritual seeker searching for a Power greater than ourselves. Author Kathy Spiciarich shares the revelations, truths and powerful spiritual experiences leading to her own enlightenment, as she relays the steps necessary to make the life-changing connection to the

Spirit, to Higher Power, to God within. She teaches you how, by embracing the spiritual landscape, the Spirit within will naturally guide you and direct your steps. Life is a juggling act between deep material hunger and spiritual thirst, and if you feed only the material, your thirst will never be quenched. Once you find God, your soul starts to awaken and flourish. Faith, gratitude and trust flawlessly set the stage, letting the Spirit guide you through your every breath, and the Universe takes care of the rest. If you listen harder and search deeper you find that no boundaries can confine the Spirit within. You find your own extraordinary path, leading you to your many homes.
