**Craig Duncan**

*Solos for Young Violinists Violin Part and Piano Accompaniment., Volume 1* Barbara Barber, Solos for Young Violinists is a graded series of works ranging from elementary to advanced levels representing an exciting variety of styles and techniques for violinists -- a valuable resource for teachers and students of all ages. Many of the works in this collection have long been recognized as stepping stones to the major violin repertoire, while others are newly published pieces for further choices of study.

Gustav Holst Mary Christison Huismann, 2011-04-26 First published in 2011, this text provides citations to the core Holst literature. The volume is intended for students and researchers, as well as those seeking an introduction to Holst. The inclusion of materials for the non-specialist seems entirely appropriate as Holst devoted much of his career to teaching amateur musicians. The contents of this book presents a selective, annotated list of essential materials published through the end of 2009, although a very few exceptions were made for a limited number of post-2009 print and web resources.
