*The Joy of Breeding Your Own Show Dog* Ann Seranne, 2004-12-03 Back by popular demand the only breeding book endorsed by top breeders There are many books on breeding dogs, but Ann's book is so on-target and comprehensive that it has become a bible among successful breeders. The news that Howell is making this modern classic available again is to the benefit of both new and future generations of aspiring breeders. -- From the new Foreword by Wendell J. Sammet, The American Kennel Club's first Breeder of the Year (2002) The bible of quality dog breeding, *The Joy of Breeding Your Own Show Dog* is a must-have for novice and veteran breeders alike, covering everything from developing a viable breeding program to genetics to whelping, raising, and socializing puppies. Written in easy-to-understand language by renowned dog breeder Ann Seranne, this classic takes you step by step through the entire process of breeding a successful litter, from the moment of conception to a dog's first show. You'll see how to select a method of breeding, evaluate your own breeding stock and the potential of a litter, avoid the pitfalls of whelping, and properly care for the litter until the puppies are ready to go to their new homes. Ann Seranne's deep love of dogs, her vast knowledge, and her expertise make this the only guide you will ever need to become a successful breeder.

**The Joy of Keeping Horses** Jessie Shiers, 2012-08-14 *The Joy of Keeping Horses* is a celebration of how to best keep happy and healthy horses at home. With an emphasis on the differences between owning a horse at a boarding stable and keeping that same horse at your own small farm, this beautiful, clear guide is written specifically for horse lovers who are considering taking the plunge into farm ownership. Jessie Shiers lays out all the important facts and information, from purchasing property and building facilities to daily grooming and nutritional needs. Shiers also dispels some common myths and misconceptions about horses, and answers questions the novice owner may not know to ask. Along the way, she shares anecdotes from her own experiences and from interviews with other horse owners that demonstrate the main reason people choose to keep horses: the joy they bring to the lives of their owners.
