Adam is used to wearing a mask—he's a goalie, after all. And as he holds onto a secret that threatens to unravel him and destroy his new family, they're both at risk of losing more than ever before.

**Consider Me** Becka Mack,2023-11-06 In the ice-hockey romance that has taken TikTok by storm, the ultimate player turns romantic in order to win over the woman he is desperate to be with. Carter Beckett is the NHL's best player – both on and off the ice. His career is at its peak, his team is performing better than ever, and there's no shortage of women to spend the night with. What more could he want? Olivia Parker isn't new to professional hockey players, thanks to her best friend's boyfriend, but she has no interest in dating one herself – no matter how hot he is. And anyway, she loves working as a teacher and hanging out with her best friend, drama-free. Why would she want to spend her time stroking the ego of an arrogant athlete? But once Carter meets Olivia, he can't think of anyone else. Too bad for him, Olivia is hell-bent on keeping him at arm's length, with no intention of giving into his charms. Perhaps it's time for Carter to up his game ... after all, nobody ever said he had to play fair. Sparks will fly as Carter does whatever it takes for Olivia to consider him. 'Becka Mack's writing is endlessly sexy and funny. Consider Me will have you fanning yourself and googling your closest hockey team hangout.' Hannah Grace, bestselling author of *Icebreaker*

Play with Me Becka Mack, 2023-11-06 In the ice-hockey romance that has taken TikTok by storm, a dedicated player struggles with the number one team rule: don't go near the captain's sister. Garrett Andersen knows that playing professional hockey requires absolute dedication to the rules. There's just one rule he's finding very difficult to follow: stay away from the captain's younger sister. As a professional dancer, Jennie Beckett knows what it takes to excel. She prides herself on being every bit as confident and bold as her brother, sassy as hell, and the only person in charge of her pleasure. No wonder Garrett can't stay away from her – even if he forgets how to form sentences whenever she's around. When they become neighbours, Jennie and Garrett resolve to keep their distance from each other. But after several embarrassing run-ins, the connection between them only grows, so they decide to have some fun, no strings attached. But what if their feelings get in the way? After all, they're only supposed to be playing with each other ... 'Funny, vulnerable, and relatable. Mack writes hot, steamy stories interweaved with real, raw emotions perfectly. Play with Me is a 10/10.' Hannah Grace, bestselling author of Icebreaker

*Fall with Me* Becka Mack, 2024-07-30 From the bestselling author and TikTok sensation Becka Mack comes the next book in her sizzling hockey romance series about a playboy defenseman and the team photographer who captures his heart. The fourth book in the globally popular Playing for Keeps series that New York Times bestselling author Hannah Grace calls "endlessly sexy and funny." Jaxon Riley is exceptional at three things: starting fights on the ice, picking up women post-game, and going home to fulfill his role as the world's best cat dad. Relationships, unfortunately, missed the list. Lennon Hayes is supposed to be on her honeymoon. Instead, she's alone and single, vacationing next door to a surly tattooed man who ran his date off the resort. When a run-in at the bar results in a night of bickering and cocktails, she finds herself tumbling into bed with the enemy next door, then sneaking out before the sun comes up. Lennon's plan to start over in a new city is going great, until she starts her new job. The job? The Vancouver Vipers' new photographer. And the defenseman scowling at her from across the room? The one-night stand she wasn't supposed to see again. Good thing neither of them are looking for anything serious... Right? Jaxon may not be used to falling, but if he's going to go, he refuses to go alone. If he falls, he wants Lennon to fall with him.

Adam is het gewend om zich te verschuilen achter een masker. Hij is nou eenmaal de goalie. En hij is ook de enige met een geheim dat zijn prille geluk in één keer kapot kan maken. Als zijn geheim uitkomt, is de kans groot dat zowel Adam als Rosie in één klap alles kunnen verliezen wat hen dierbaar is. Unravel Me Katherine Bitner, 2025-02-25 She's the black sheep of a wealthy family; he's a down-to-earth farmer's son. She's running from her past; he's building his future. It's just a summer fling...that's what she keeps saying anyway. Audrey: I was born an Elson, which meant two things: I had more money than I could ever spend, and my entire life had been mapped out before I could even walk. As the black sheep of my family, I spent my life struggling under the crushing weight of their expectations. But marrying a high-profile man was supposed to be my ticket to finally belong - until he pulled the rug out from under me, and everything around me crumbled. Still, I had never doubted my path. That is until a ruggedly handsome stranger found me broken and crying on my rooftop. He was my secret and my undoing. Rhett: After my dad passed, only one choice made sense - stay in my small hometown of Roseville and be the man my family needed. That was almost ten years ago, but I never left. Everything I needed was here. I had my patch of land, my friends, a business that was finally finding its

feet, and a dog my sister insisted I get so I don't die alone. But then Audrey came along - a rich girl who lived in the building I was hired to work in. The moment I saw her, my simple life got complicated. Audrey was the kind of woman a man made plans for, the kind who made you dream of something bigger. But she was from a world I couldn't touch - one I clearly didn't belong in. I had nothing to offer her, not really. But that didn't stop me from giving her everything I had.
