GotQuestions.org is the most trusted, biblically grounded resource online. This book answers one hundred of the most frequently asked questions on the site in a compassionate, accessible, and straightforward manner, including questions like ● Is Jesus God? ● Who is the Holy Spirit? ● What is salvation? ● What happens after death? ● How, why, and when did Satan fall from heaven? ● What signs indicate that the end times are approaching? ● What does the Bible say about divorce and remarriage? People have big questions about God and the Bible, and the answers have real-world consequences. Here is the biblical truth we all need to better understand God, ourselves, and the world we live in.

**The Pinnacle of Holiness** D. L. Anderson, 2013-02-28 There's more to inheriting eternal life than what many of us have been told. Depending upon your level of spiritual commitment, this statement may or may not mean anything to you. But it means everything to me. Why? It is because eternal life represents the progressive alternative to endless death, the only other potential final destination of my soul. Therefore, as the soul shall subsist forever, securing eternal life should be the primary objective of every progressive existence. At the same time, many have been deceived into believing that inheriting eternal life is as easy as saying a simple prayer or having an undeveloped, meager level of faith. Still, the reality is that inheriting eternal life [i.e. the greatest prize of all time] will naturally require the greatest investment of all time a life dedicated to the will of the Father which is the basis of progressive spiritualism. Accordingly, the scriptures teach us For whosoever will save his life shall lose it: and whosoever will lose his life for my sake shall find it. For what is a man profited, if he shall gain the whole world, and lose his own soul? Or what shall a man give in exchange for his soul? [See Matthew 16:25-26]. In my opinion, any honest person would come to this conclusion and would rightfully (as well as willfully) desire to make the necessary investment required to obtain the prize of eternal life. The problem is that many honest believers haven't been told the whole story and are preparing to go to the Judgment with many of their works undone. Consequently, the question of the hour is simply this what more is there to the story? Conclusively, the answers to this inquiry are found within

this volume of The Pinnacle of Holiness. Building off the former volume which provides a high-level description of the path which leads to eternal life, this volume will focus on providing detailed information about the path. Thus it should be viewed as a spiritual training manual which each sojourner soldier can employ to ensure that they are abiding by every criterion associated with inheriting eternal life. In the end (and with regards to the delicate matter of eternal life), the most critical factors are the instructions which the Father has revealed to us by His Spirit and recorded within His Word. Definitively, these spiritual and scriptural disclosures are contained within this volume. As the scriptures have said, And thine ears shall hear a word behind thee, saying, This is the way, walk ye in it, when ye turn to the right hand, and when ye turn to the left.

**The Devil Aspect** Craig Russell,2020-01-21 Steeped in the folklore of Eastern Europe, and set in the shadow of Nazi darkness erupting just beyond the Czech border, this bone-chilling, richly imagined novel is propulsively entertaining, and impossible to put down. A wildly entertaining story...Russell has created a truly frightening story. —The New York Times Book Review Czechoslovakia, 1935: Viktor Kosárek, a newly trained psychiatrist who studied under Carl Jung, arrives at the infamous Hrad Orly Asylum for the Criminally Insane. The facility is located in a medieval mountaintop castle surrounded by forests, on a site that is well known for concealing dark secrets going back many centuries. The asylum houses six inmates--the country's most treacherous killers--known to the terrified public as the Devil's Six. Viktor intends to use a new medical technique to prove that these patients share a common archetype of evil, a phenomenon he calls The Devil Aspect. Yet as he begins to learn the stunning secrets of these patients, he must face the unnerving possibility that these six may share a darker truth. Meanwhile, in Prague, fear grips the city as a phantom serial killer emerges in the dark alleys. Police investigator Lukas Smolak, desperate to locate the culprit (a copycat of Jack the Ripper), turns to Viktor and the doctors at Hrad Orly for their expertise with the psychotic criminal mind. And Viktor finds himself wrapped up in a case more terrifying than he could have ever imagined.

**RESET: Living in God's Emotional and Instinctual Balance** Dr. Susan Grove, 2024-08-19 Have you ever felt stuck? Have you been praying but feel like you're not getting any traction? Do you ever feel like you just need to start all over, hit the reset button? This book can walk you through the process of uncovering and discovering what is blocking you from living a life filled with the fruits of the Spirit. With a simple chart of nineteen instincts and emotions that can get out of balance, it's possible to identify key areas to recalibrate, in order to claim the joy that Christ gifted us with. The middle column of the chart illustrates a balanced, joyful, and fruitful life, while the rest of the chart looks at the signs along the way that indicate we're out of balance. There are key elements of our faith that can help us to move toward this balance: Getting to know our Savior better. Donning the full armor that God provides us with to battle our very real enemy. Looking with eyes wide-open at the temptation we face today. Centering our lives on Christ. Demystifying and using prayer. A closer look at these elements can help us reset, leading us to a life free of the bondage of emotions and instincts that are out of control.
