

A Brit In The Fbi Series

Paul Worthington Carhart, Thomas Albert Knott, William Allan Neilson

The End Game Catherine Coulter, J. T. Ellison, 2016-09-06 Nicholas Drummond, “a new son of Bond licensed to shine”(Kirkus Reviews), returns in the third Brit in the FBI thriller. Nicholas Drummond and his partner, Mike Caine, rush to stop the deadly bombings and cyber attacks of an environmental terrorist group. But when the organization is infiltrated by an international assassin, it will take help from fellow FBI agents Dillon Savich and Lacey Sherlock to stop something much bigger from going down...

The Final Cut Catherine Coulter, J. T. Ellison, 2013-09-17 From Catherine Coulter, the #1 New York Times-bestselling author of the FBI Thriller series, and J.T. Ellison, bestselling author and ITW Award winner, comes the first book in a brilliant new international thriller series featuring the new hero: American-born, UK-raised Nicholas Drummond. Scotland Yard’s new chief inspector Nicholas Drummond is on the first flight to New York when he learns his colleague, Elaine York, the “minder” of the Crown Jewels for the “Jewel of the Lion” exhibit at the Metropolitan Museum of Art, was found murdered. Then the centerpiece of the exhibit, the infamous Koh-i-Noor Diamond, is stolen from the Queen Mother’s crown. Drummond, American-born but raised in the UK, is a dark, dangerous, fast-rising star in the Yard who never backs down. And this case is no exception. Special Agents Lacey Sherlock and Dillon Savich from Coulter’s bestselling FBI series don’t hesitate to help Drummond find the cunning international thief known as the Fox. Nonstop action and high stakes intensify as the chase gets deadly. The Fox will stop at nothing to deliver the Koh-i-Noor to the man who believes in its deadly prophecy. Nicholas Drummond, along with his partner, FBI Special Agent Mike Caine, lay it on the line to retrieve the diamond for Queen and country.

The Sixth Day Catherine Coulter, J.T. Ellison, 2019-03-26 Special agents Nicholas Drummond and Michaela Caine take on a criminal mastermind in the next captivating thriller in the New York Times bestselling A Brit in the FBI series. “Coulter and Ellison smoothly mix contemporary political issues with eerie historical legend in this fast-paced” (Publishers Weekly) thriller. The mystery: shocking. When several major political figures die mysteriously, officials blame their deaths on natural causes. However, when a small drone is spotted at the scene of the most recent death, it quickly becomes clear to FBI agents Nicholas and Michaela that there’s more to this mystery than meets the eye. The key: indecipherable. Dr. Isabella Marin is a language expert, and she’s dedicated her entire life to researching an ancient text that has long been considered

indecipherable...that is, until now. When it becomes clear that there's an alarming pattern between the text and the recent deaths, she teams up with the FBI to find the link. It's clear that the manuscript is the key to catching the killer. But how? The case: nearly impossible. When Nicholas and Michaela uncover plans for a devastating attack on London, they must race against the clock to stop the killer before it's too late. Not only are they in danger of losing the manuscript—an object of extreme value—but they're also at risk of losing more innocent lives: including their own. With their signature heart-pounding tension and suspense, Catherine Coulter and J.T. Ellison's *The Sixth Day* is "another amazing entry in this ongoing series" (Associated Press).

The Devil's Triangle Catherine Coulter, J.T. Ellison, 2017-03-14 From New York Times bestselling authors Catherine Coulter and J.T. Ellison comes the highly anticipated thriller in their Brit in the FBI series, featuring special agents Nicholas Drummond and Michaela Caine in their new roles as heads of the Covert Eyes team—but will their first case be their last when the enigmatic and dangerous thief known as the Fox reappears? "He who controls the weather, will control the world. He who controls time, will never be around." —Thomas Frey FBI Special Agents Nicholas Drummond and Michaela Caine are the government's Covert Eyes—leading a top-notch handpicked team of agents to tackle crimes and criminals both international and deadly. But their first case threatens their fledgling team when the Fox calls from Venice asking for help. Kitsune has stolen an incredible artifact from the Topkapi Museum in Istanbul, and now the client wants her dead. She has a warning for Nick and Mike: she's overheard talk that a devastating Gobi desert sandstorm that's killed thousands in Beijing isn't a natural phenomenon, rather is produced by man. The Covert Eyes team heads to Venice, Italy, to find out the truth. From New York to Venice and from Rome to the Bermuda Triangle, Nicholas and Mike and their team are in a race against time, and nature herself, to stop an obsessed family from devastating Washington, DC.

The Lost Key Catherine Coulter, J. T. Ellison, 2015-08-25 An international manhunt sets the scene for an explosive thriller in the second Brit in the FBI novel featuring Special Agent Nicholas Drummond. After working with Special Agents Lacey Sherlock and Dillon Savich, Nicholas Drummond has joined the FBI. Now, he and partner Mike Caine are in an eleventh-hour race to stop a madman from finding a cache of lost World War I gold—and a weapon unlike anything the world has ever seen... "A thriller packed with nonstop action, real-life name-dropping and enough cutting-edge science to make you wonder how much of it could be true." —Kirkus Reviews

The Last Second Catherine Coulter, J.T. Ellison, 2019-03-26 The New York Times bestselling Brit in the FBI series continues with this thrilling "popcorn movie in print form" (Associated Press) pitting special agents Nicholas Drummond and Michaela Caine against a private French space agency that has the power to end the world as we know it. Galactus, France's answer to SpaceX, has just launched a communications satellite into orbit, but the payload actually harbors a frightening weapon: a nuclear bomb that can trigger a massive electromagnetic pulse (EMP). When the satellite is in position, Galactus's

second-in-command, Dr. Nevaeh Patel, will have the power to lay waste to the world. A former astronaut, Patel believes she is following the directions of the Numen, aliens who saved her life when she space-walked outside the International Space Station. She is convinced that with the Holy Grail—just discovered by the owner of Galactus, eccentric treasure hunter Jean-Pierre Broussard—she can be reunited with the Numen, change the world's destiny, and become immortal with them. The countdown has begun when Special Agents Nicholas Drummond and Michaela Caine are thrown into the pending disaster. They must stop the EMP that would wreak havoc on communication and electronic systems on Earth, resulting in chaos and anarchy. With their high-octane and suspenseful prose, "Coulter and Ellison are a thriller writer's dream team, and *The Last Second* is some of their best work yet" (The Real Book Spy).

Reckoning Catherine Coulter, 2022 Agents Savich and Sherlock are back in the latest installment in Catherine Coulter's #1 New York Times bestselling FBI Thriller series, and this time both are enlisted to help women with traumatic pasts who are in mortal danger--

A Brit's Guide to New York 2004 Karen Marchbank, 2003-09 When a student named Ashley enrolls at East High, Gabriella offers to show her around.

Double Take Catherine Coulter, 2008-06-24 FBI agents Dillon Savich and Lacey Sherlock are joined by one of their own and a Virginia sheriff in an extraordinary case that immerses them in the world of psychic visions, mind benders, and communications with the dead It's been more than six months since her husband's brutal death, and Julia Ransom is just beginning to breathe again. She loved her husband, renowned psychic August Ransom, but the media frenzy that followed his murder sapped what little strength she had left. Now, after dinner with friends, strolling along San Francisco's Pier 39, she realizes that she's happy. Standing at the railing, she savors the sounds around her—tourists, seals on a barge—and for a moment enjoys the sheer normalcy of it all. And then it comes to an end. Out of nowhere she's approached by a respectable-looking man who distracts her with conversation before violently attacking her and throwing her the railing. If it hadn't been for Special Agent Cheney Stone, out to stretch his legs between courses at a local restaurant, Julia would have vanished into the bay's murky depths. Not only does he save her from a watery grave, but he senses a connection between her assault and her husband's death, and sets out to serve as her protector while reopening August Ransom's murder investigation. Meanwhile, in Maestros, Virginia, Sheriff Dixon Noble—last seen in Point Blank—still mourns his wife, Christie, who vanished three years earlier. His life, too, is just getting back to normal when he learns of a San Francisco woman named Charlotte Pallack, whose shocking resemblance to Christie sends Dix across the country. Though he knows in his heart that she can't possibly be his wife, Dix is compelled to see her with his own eyes. Once in San Francisco, Dix and Cheney's paths inevitably

cross. With the help of agents Dillon Savich and Lacey Sherlock, whose San Francisco connections prove essential in unlocking the mystery behind Charlotte Pallack's identity as well as the forces behind Julia Ransom's attempted murder, Sheriff Noble and Agent Stone push deep into a complex world of psychics and poseurs. As the stakes and the body count rise, Savich, Sherlock, Dix, and Cheney fight for answers-and their lives.

A Brit's Guide to New York 2002 Karen Marchbank,2001-09-30

The Origins of FBI Counterintelligence Raymond J. Batvinis,2007 Examines the United States- efforts to create and project a strong counterintelligence capability both at home and abroad during the 1930s. Several federal agencies, governmental departments, and military divisions vied for that role before it was eventually handed to the FBI. The author, a former FBI agent, chronicles the evolution, achievements, and failure of that effort.

Tailspin Catherine Coulter,2009-07-07 The next title in New York Times bestselling author Catherine Coulter's FBI series. When a fellow agent's plane crashes deep in the Appalachian Mountains, married FBI agents Savich and Sherlock find the pilot and his passenger alive. But that's just the beginning of a case that plunges them into a whirlwind of vicious murder attempts, powerful suspects, political secrets, and escalating terror.

Hollywood War Films, 1937-1945 Michael S. Shull,David Edward Wilt,2015-09-03 From 1937 through 1945, Hollywood produced over 1,000 films relating to the war. This enormous and exhaustive reference work first analyzes the war films as sociopolitical documents. Part one, entitled The Crisis Abroad, 1937-1941, focuses on movies that reflected America's increasing uneasiness. Part two, Waging War, 1942-1945, reveals that many movies made from 1942 through 1945 included at least some allusion to World War II.

National Union Catalog ,1956 Includes entries for maps and atlases.

Blowout Catherine Coulter,2005-02-22 A long weekend in the Poconos is cut short when Sherlock and Savich are helicoptered back to Washington to lead the investigation into the brutal murder of a Supreme Court justice. Savich allows Callie Markham, an investigative reporter for The Washington Post, to partner with local Metro Police liaison Ben Raven since she's got the inside track--she's the stepdaughter of the murdered justice. Despite Detective Raven's unwillingness to have a civilian along, Callie Markham ends up riding shotgun to help look for her stepfather's murderer.

The Oxford Companion to Twentieth-century British Politics John Ramsden,2002 From Tony Blair to Tonyandy, the BBC to the Bank of England, The Oxford Companion to 20th Century British Politics is an essential source of information on the full range of British political life during the last 100 years. In this comprehensive and authoritative guide, more than 100 contributors--journalists, scholars, former cabinet secretaries, and other specialists--provide more than 3,000 entries on a wide variety of subjects. Organized alphabetically, the entries cover the important ideas, institutions, people and events that have defined modern British politics. The scope of the Companion is necessarily wide, moving from formal politics to the

political culture of films, television, and the media, and from domestic economic debates to Britain's changing role on the world stage. Major conflicts and economic events, slogans and sayings, clubs, charities, and societies--the complete world of British politics is captured in this unique reference source. The Companion also includes a wealth of additional resources: a list of office holders from 1900 to the present day, a table of election results up to and including the 2001 elections, the dates of ministries, and a topical table of contents.
