

A Ladies Guide To Fortune Hunting

M Mark

A Lady's Guide to Fortune-Hunting Sophie Irwin, 2024-07-02 "A sharp, modern, and absolutely delicious take on the marriage plot. Sophie Irwin's debut is one of the most fun, romantic books I've read in a long time. I cannot wait to see what she does next." —Taylor Jenkins Reid, New York Times bestselling author of *Malibu Rising* A whip-smart historical rom-com debut that follows an entirely unconventional heroine who throws herself into the London Season in hopes of finding a wealthy husband to save her family from ruin. But the last thing she expects is to find love... When Kitty Talbot is jilted by her fiancé three months before their wedding, the future looks dark. Without his fortune to pay off her late father's gambling debts, she and her four sisters face certain ruin. But Kitty has never backed down from a challenge, so she leaves the countryside and heads toward the most dangerous battleground in all of Regency England: The London Season. The aim is simple: find a wealthy bachelor to wed in order to save the Talbot family from destitution. Kitty is neither accomplished nor all that genteel, but she is utterly single-minded; imbued with her father's gambling spirit, Kitty knows that risk is just part of the game. What she doesn't anticipate is Lord Radcliffe, elder brother of the deliciously wealthy Archibald de Lacy. Radcliffe sees Kitty for the fortune-hunter that she really is, and is determined to scotch her plans at all costs... A scintillating mano-a-mano between Kitty and Lord Radcliffe will turn into the romance of the year, one whose brilliant repartee and enticing wit make *A Lady's Guide to Fortune-Hunting* a pure delight.

A Lady's Guide to Fortune-Hunting Sophie Irwin, 2022-09 Kitty Talbot needs a fortune. Or rather, she needs a husband who has a fortune. Left with her father's massive debts, she has only twelve weeks to save her family from ruin.

Still Reading Romance Josefine Smith, Kathleen W. Taylor Kollman, 2025-04-01 In a world that commodifies feminism, is adapting romance novels for small and big screen projects, and the Romance Writers Association is evolving to a more inclusive representative group, it is imperative for researchers to reevaluate the cultural assumptions and gender norming work happening in the romance genre. It is time to question the cultural capital of traditional archetypes, explore the experience of romance readers, and question how romance and cultural studies researchers create quantitative, qualitative, and mixed methods research. This work centers around a data set collected with a revised version of Janice Radway's *Reading the Romance* survey that will be shared with all the authors of this anthology. By having access to this pool, authors will have the opportunity to explore different elements of reader experience and cultural norms in romance fiction, and

potentially reflect on changes since Janice Radway's seminal work. The norms and negotiations readers experience while consuming romance is especially interesting as romancelandia becomes a more mainstream part of popular culture with the popularity of *Bridgerton* and romance series like *Ice Planet Barbarians* exploding on BookTok. No other book in romance or popular culture studies identifies a data set as the connecting element, and to do so creates an exciting opportunity to create a more inclusive study of popular romance, offer truly interdisciplinary research on the question of how readers read romance, and generate diverse areas of future scholarship. This edited volume explores multiple issues in romance fiction, based on survey data from real romance readers. An updated version of Janice Radway's influential survey looking at romance readers in the early 1980s, this time scholars explore romance readers' habits and attitudes in the twenty-first century. Each contributor in this volume uses the same survey data to make unique statements about gender, intersectionality, popular fiction, and popular culture. By using a common data set but approaching it from different perspectives, this unique volume is able to apply multiple methodologies to the same subject.

A Lady's Guide to Scandal Sophie Irwin,2025-07-01 "Sophie Irwin is an exciting and original voice. She's a must-buy author for me."—Taylor Jenkins Reid, New York Times bestselling author of *Carrie Soto Is Back* From the internationally bestselling author of *A Lady's Guide to Fortune-Hunting*, another fresh, witty take on a romantic escape led by a fiercely intelligent heroine determined to defy expectations and take her life into her own hands. When shy Miss Eliza Balfour married the austere Earl of Somerset, twenty years her senior, it was the match of the season—no matter that he was not the husband Eliza would have chosen. But ten years later, Eliza is widowed. And at eight and twenty years, she is suddenly left titled, rich, and, for the first time in her life, utterly in control of her own future. Instead of living out her mourning quietly, Eliza heads to Bath with her cousin Margaret. After years of behaving according to everyone else's rules, Eliza has resolved, at last, to do as she wants. But when word of the Dowager Lady Somerset's behaviour reach the new Lord Somerset—whom Eliza knew, once, as a younger woman—Eliza is forced to confront the fact that freedom comes with consequences. But it also brings unexpected opportunities...

Harper's New Monthly Magazine Henry Mills Alden,1896 Harper's informs a diverse body of readers of cultural,

business, political, literary and scientific affairs.

The Ladies' Repository ,1873 The idea of this women's magazine originated with Samuel Williams, a Cincinnati Methodist, who thought that Christian women needed a magazine less worldly than Godey's Lady's Book and Snowden's Lady's Companion. Written largely by ministers, this exceptionally well-printed little magazine contained well-written essays of a moral character, plenty of poetry, articles on historical and scientific matters, and book reviews. Among western writers were Alice Cary, who contributed over a hundred sketches and poems, her sister Phoebe Cary, Otway Curry, Moncure D. Conway, and Joshua R. Giddings; and New England contributors included Mrs. Lydia Sigourney, Hannah F. Gould, and Julia C.R. Dorr. By 1851, each issue published a piece of music and two steel plates, usually landscapes or portraits. When Davis E. Clark took over the editorship in 1853, the magazine became brighter and attained a circulation of 40,000. Unlike his predecessors, Clark included fictional pieces and made the Repository a magazine for the whole family. After the war it began to decline and in 1876 was replaced by the National Repository. The Ladies' Repository was an excellent representative of the Methodist mind and heart. Its essays, sketches, and poems, its good steel engravings, and its moral tone gave it a charm all its own. -- Cf. American periodicals, 1741-1900.

Reference Guide to Short Fiction Thomas Riggs,1999 Reference Guide to Short Fiction provides study and commentary on the most instrumental writers of short fiction through the 20th century. International in scope, this single scholarly volume includes 779 entries on 377 authors and 402 short stories.
