Books for Living Will Schwalbe, 2017 A celebration of reading in general and [a] ... recommendation of specific books that can help guide us through our daily lives ... for everyone who loves books, loves reading, and loves to hear the answer to the question: 'What have you been reading lately?'--

The Splintering of the American Mind William Egginton, 2018-08-28 A timely, provocative, necessary look at how identity politics has come to dominate college campuses and higher education in America at the expense of a more essential commitment to equality. Thirty years after the culture wars, identity politics is now the norm on college campuses-and it hasn't been an unalloyed good for our education system or the country. Though the civil rights movement, feminism, and gay pride led to profoundly positive social changes, William Egginton argues that our culture's increasingly narrow focus on individual rights puts us in a dangerous place. The goal of our education system, and particularly the liberal arts, was originally to strengthen community; but the exclusive focus on individualism has led to a new kind of intolerance, degrades our civic discourse, and fatally distracts progressive politics from its commitment to equality. Egginton argues that our colleges and universities have become exclusive, expensive clubs for the cultural and economic elite instead of a national, publicly funded project for the betterment of the country. Only a return to the goals of community, and the egalitarian values underlying a liberal arts education, can head off the further fracturing of the body politic and the splintering of the American mind. With lively, on-the-ground reporting and trenchant analysis, *The Splintering of the American Mind* is a powerful book that is guaranteed to be controversial within academia and beyond. At this critical juncture, the book challenges higher education and every American to reengage with our history and its contexts, and to imagine our nation in new and more inclusive ways.

Unequal Michael Eric Dyson, Marc Favreau, 2022-05-03 YALSA Excellence in Nonfiction for Young Adults Award Finalist □ New York Times bestselling author Michael Eric Dyson and critically acclaimed author Marc Favreau show how racial inequality permeates every facet of American society, through the lens of those pushing for meaningful change. The true story of racial inequality—and resistance to it—is the prologue to our present. You can see it in where we live, where we go to school, where we work, in our laws, and in our leadership. *Unequal* presents a gripping account of the struggles that shaped America and the insidiousness of racism, and demonstrates how inequality persists. As readers meet some of the many

African American people who dared to fight for a more equal future, they will also discover a framework for addressing racial injustice in their own lives.

The World in Books Kenneth C. Davis, 2025-10-21 From ancient times to the present day, *The World in Books* offers a wide-ranging historical education through pleasure reading-and a fantastic introduction to some of the most thought-provoking, profound, and interesting nonfiction works of all time. From Sun Tzu's *The Art of War* to bell hooks's *All About Love*, as well as such recent classics as Barbara Ehrenreich's *Nickel and Dimed* and Chimamanda Ngozi Adichie's *We Should All Be Feminists*, Davis's guide suggests a world of nonfiction books and explains just why they're so historically meaningful and culturally relevant today--

Just Mercy Bryan Stevenson, 2014-10-21 #1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE STARRING MICHAEL B. JORDAN AND JAMIE FOXX • A powerful true story about the potential for mercy to redeem us, and a clarion call to fix our broken system of justice—from one of the most brilliant and influential lawyers of our time. “[Bryan Stevenson’s] dedication to fighting for justice and equality has inspired me and many others and made a lasting impact on our country.”—John Legend NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • Named One of the Best Books of the Year by The New York Times • The Washington Post • The Boston Globe • The Seattle Times • Esquire • Time Bryan Stevenson was a young lawyer when he founded the Equal Justice Initiative, a legal practice dedicated to defending those most desperate and in need: the poor, the wrongly condemned, and women and children trapped in the farthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young man who was sentenced to die for a notorious murder he insisted he didn’t commit. The case drew Bryan into a tangle of conspiracy, political machination, and legal brinksmanship—and transformed his understanding of mercy and justice forever. *Just Mercy* is at once an unforgettable account of an idealistic, gifted young lawyer’s coming of age, a moving window into the lives of those he has defended, and an inspiring argument for compassion in the pursuit of true justice. Winner of the Carnegie Medal for Excellence in Nonfiction • Winner of the NAACP Image Award for Nonfiction • Winner of a Books for a Better Life Award • Finalist for the Los Angeles Times Book Prize • Finalist for the Kirkus Reviews Prize • An American Library Association Notable Book “Every bit as moving as *To Kill a Mockingbird*, and in some ways more so . . . a searing indictment of American criminal justice and a stirring testament to the salvation that fighting for the vulnerable sometimes

yields.”—David Cole, The New York Review of Books “Searing, moving . . . Bryan Stevenson may, indeed, be America’s Mandela.”—Nicholas Kristof, The New York Times “You don’t have to read too long to start cheering for this man. . . . The message of this book . . . is that evil can be overcome, a difference can be made. Just Mercy will make you upset and it will make you hopeful.”—Ted Conover, The New York Times Book Review “Inspiring . . . a work of style, substance and clarity . . . Stevenson is not only a great lawyer, he’s also a gifted writer and storyteller.”—The Washington Post “As deeply moving, poignant and powerful a book as has been, and maybe ever can be, written about the death penalty.”—The Financial Times “Brilliant.”—The Philadelphia Inquirer
