Amori d'Amare AA. VV., 2014-10-19 È l'antologia di racconti d'amore più "marina" mai pubblicata. Il mare è il grande scenario dentro cui si sviluppano le storie dei misteriosi protagonisti reali e di fantasia, che entusiasmeranno, faranno soffrire, si faranno amare e riemergeranno a loro volta. Da Cesenatico a Roseto, da Genova a Castiglione, con una puntatina a Cuba e a Poquerolles passando per la Costiera Amalfitana e la Versilia... e via ancora per altri splendidi mari e spiagge e scogliere con amori che nascono, muoiono, continuano, si muovono sotto il sole cocente. Due libri da amare al mare... (ma volendo anche in montagna).

Fratellanza d'anima Marzia Biondi, 2021-08-30 Il titolo del saggio "Fratellanza d'anima" è esplicativo del senso di questo libro. Nello scorrere delle pagine accade che si sfoglino anche quelle della propria vita già vissuta, attesa, disattesa e quella in progettazione nell'immaginario. In questo saggio ho tentato di porre in evidenza il denominatore comune di alte voci poetiche e critiche letterarie: Paola Lucarini, Massimo Morasso e Alessandro Ramberti, diverse fra loro nei vissuti, esperienza della vita. Tuttavia, nei tre grandi autori vi sono assonanze ed armonie per quel che concerne i valori fondanti la vita, in primis l'amore. Gli strumenti tecnici poetici e letterari o le riflessioni riguardanti la sfera religiosa e la vita stessa sono solo alcuni dei "pennelli" che hanno contribuito a fissare sulla carta il profumo dell'indicibile, del divino e l'oltre. La ricerca ed il bisogno di amare di un amore puro, la cui fonte è divina, sono il messaggio ed il caldo suggerimento rivolto ai lettori: non abbiate paura, amate. Siamo nati per questo.

Noi siamo il cielo Marzia Biondi, 2021-08-30 "Noi siamo il cielo" vuole essere un fermo-immagine sulla quotidianità ed i momenti difficili, le situazioni sociali di oggi, con lo sguardo rivolto verso il cielo, verso la forza spirituale che guida nella soluzione dei problemi terreni, per giungere alla vita vera. Strada facendo, ci si rende conto che solo insieme umanamente e spiritualmente, uniti al Creatore, il cielo può essere raggiunto ogni giorno. Marzia Biondi, nata a Forlì (FC), Educatrice professionale e Mediattrice interculturale, Manager della formazione, nel 2011 ha pubblicato la prima raccolta "Ogni Istante" Gruppo Albatros-Il Filo; nel 2016 esce la raccolta poetica "Soffi di vita" Ed. Risguardi - Carta Canta; nel 2018 esce la terza silloge poetica "L'amaca dell'abbraccio dissetante" Raffaelli Editore. Dal 2008 al 2018 ha svolto attività di volontariato presso l'Associazione Psicologi per i Popoli Emilia-Romagna in Bologna, riconosciuta dalla Protezione Civile Nazionale, con la quale collabora in situazioni di emergenza. Incontriamoci all'Inferno. Parodia di fatti e personaggi della Divina Commedia di Dante Alighieri Cinzia Demi, 2007

Modern Italian Poets Jacob Blakesley, 2014-02-24 In 1948, the poet Eugenio Montale published his *Quaderno di traduzioni* and created an entirely new Italian literary genre, the “translation notebook.” The quaderni were the work of some of Italy’s foremost poets, and their translation anthologies proved fundamental for their aesthetic and cultural development. *Modern Italian Poets* shows how the new genre shaped the poetic practice of the poet-translators who worked within it, including Giorgio Caproni, Giovanni Giudici, Edoardo Sanguineti, Franco Buffoni, and Nobel Prize-winner Eugenio Montale, displaying how the poet-translators used the quaderni to hone their poetic techniques, experiment with new poetic metres, and develop new theories of poetics. In addition to detailed analyses of the work of these five authors, the book covers the development of the *quaderno di traduzioni* and its relationship to Western theories of translation, such as those of Walter Benjamin and Benedetto Croce. In an appendix, *Modern Italian Poets* also provides the first complete list of all translations and quaderni di traduzioni published by more than 150 Italian poet-translators.

Contributi italiani al XIII Congresso Internazionale degli Slavisti Alberto Alberti, Marcello Garzaniti, Stefano Garzonio, 2015 The Italian contributions to the XIII International Congress of Slavists (Ljubljana, 15-21 August 2003) had a very limited circulation between the participants in the congress and the restricted circle of experts. Considering the high scientific value of the individual contributions, to which we continue to refer in the framework of Slavic literature, it was decided to publish these acts in the series *Library of Slavic Studies* also to celebrate the ten years of its existence. Faced with a consolidated tradition of studies in the philological and literary field, Italian Slavistics of the beginning of the millennium found itself facing new needs. On the one hand, a new generation of linguists has established themselves, who have developed a series of innovative research on Slavic languages, especially in the contrastive field. On the other hand, new research paths have developed in contemporary literature, especially in relation to the most recent historical circumstances which have seen profound cultural transformations in the Slavic countries themselves, with the need to reconstruct consolidated literary canons also on the basis of the literature of emigration. The same philological research has been able to question itself again on its role by taking up in a different form traditional issues such as the Cyril-Methodian question, the problem of biblical citations or the debate on the Latin Slavia and the Orthodox Slavia, as well as the more traditional ecdotic issues manifesting a new sensitivity starting from religious issues. Alberto Alberti is researcher in Slavistics at the University of Bologna.

Italian Literature Before 1900 in English Translation Robin Healey, 2011-01-01 *Italian Literature before 1900 in English Translation* provides the most complete record possible of texts from the early periods that have been translated into English, and published between 1929 and 2008. It lists works from all genres and subjects, and includes translations wherever they have appeared across the globe. In this annotated bibliography, Robin Healey covers over 5,200 distinct editions of pre-1900

Italian writings. Most entries are accompanied by useful notes providing information on authors, works, translators, and how the translations were received. Among the works by over 1,500 authors represented in this volume are hundreds of editions by Italy's most translated authors - Dante Alighieri, [Niccoláo] Machiavelli, and [Giovanni] Boccaccio - and other hundreds which represent the author's only English translation. A significant number of entries describe works originally published in Latin. Together with Healey's Twentieth-Century Italian Literature in English Translation, this volume makes comprehensive information on translations accessible for schools, libraries, and those interested in comparative literature.--Pub. desc.

Contemporary Italian Poets Luca Gueneri,1999 This is number 12 in the modern poetry series. It focuses on poetry from Dutch and Flemish writers, amongst whom are included Peter Ghysaert, Dirk van Bastelaere, Erik Spinoy, Esther Jansma, Pieter Boskma, Benno Barnard, Tonnus Oosterhoff, Miriam Van hee, Stefan Hertmans, and Eva Gerlach.

Contro la letteratura Davide Rondoni,2016-09-01 Fanno gli svolazzi calligrafici sul suo nome e intanto le calpestano il viso, la sfigurano a calci. Le si dedicano cattedre in tutte le scuole superiori dello Stato e intanto le si tarpano le ali. La letteratura è l'unico bene antropologico del nostro Paese. E la scuola la sta distruggendo. A chi difende il vigente sistema di insegnamento dico: voi state difendendo questa situazione. Ne siete dunque corresponsabili almeno quanto quelli che l'hanno generata in migliaia di pubblicazioni, convegni, ore di insegnamento. Perdi più pagati dallo Stato. Una montagna di soldi pubblici per ottenere la pubblica fucilazione dei grandi capolavori della nostra letteratura. Una formidabile idiozia. Tutto questo non vi suscita nessun moto di insurrezione? A me sì, e per questo faccio una proposta: smettiamo di insegnare la letteratura a scuola, rendiamola facoltativa. Lasciamo ai nostri figli questa libertà.
