Walt Crawford

Funny on Purpose Joe Randazzo, 2015-06-02 “A guidebook to the world of professional humoring . . . Randazzo pulls off the rare trick of being funny while discussing comedy.” —Michael Ian Black, The New York Times Book Review It takes guts to be a comedian, and it takes smarts to make a living off it. In this insider’s guide, former Onion editor Joe Randazzo delivers a funny and insightful blueprint for those looking to turn their sense of humor into a vocation, and solicits advice and stories from the likes of Judd Apatow, Jack Handey, Weird Al Yankovic, Rob Delaney, Joan Rivers, Tim & Eric, Nick Kroll, Lisa Hanawalt, and more. Explaining how it works and how to break in, Joe provides tips and guidance, outlines successful career paths, and gives readers the knowledge and inspiration to launch a career in comedy with confidence. “Covers an impressive range of comedy formats including standup, improv, sketch, TV, writing, directing, animation, and YouTube . . . includes tons of little details (reviews of websites that accept submissions, tips on how to create funny characters), any one of which might be the thing to jumpstart a comedian’s success.” —Publishers Weekly

Have a Good Trip Eugenia Bone, 2024-10-22 From a much-loved expert and popular science writer comes this straight-from-the-trenches report on how and why folks from all walks of life are using magic mushrooms to enhance their lives. Interest in psychedelic mushrooms has never been greater – or the science less definitive. Popular science writer and amateur mycologist Eugenia Bone reports on the state of psychedelics today, from microdosing to heroic trips, illustrating how “citizen science” and anecdotal accounts of the mushrooms’ benefits are leading the new wave of scientific inquiry into psilocybin. With her signature blend of first-person narrative and scientific rigor, Bone breaks down just how the complicated cocktail of psychoactive compounds is thought to interact with our brain chemistry. She explains how mindset and setting can impact a trip – whether therapeutic, spiritual/mystical, or simply pleasure seeking – and vividly evokes the personalities and protocols that populate the tripping scene, from the renegade “Noccers” of Washington who merrily disperse magic mushroom spores around Seattle, to the indigenous curanderas who conduct traditional ceremonies in remote Mexican villages. Throughout she shares her journey through the world of mushrooms, cultivating her own stash, grappling with personal challenges, and offering the insights she gleaned from her experiences. For both seasoned trippers and the merely mushroom curious, *Have a Good Trip* offers a balanced, entertaining, and provocative look at this rapidly evolving cultural phenomenon.

Still Speaking with the Stars Bob Benson,2011-12-27 Theyre back and theyre sharing! Now the second verbal dance with the stars features over 1250 of the best sounding quotes of all time. These are chosen with the ear in mind and designed to bridge the wide gap between yawn and smile or knowing nod. So talk on!

Successful Social Networking in Public Libraries Walt Crawford,2014 Most commentaries to date on library use of social networks such as Facebook and Twitter have focused on a handful of well-funded public libraries with high-profile employees. Now Crawford's Successful Social Networking in Public Libraries fills in the rest of the picture, offering for the first time an in-depth look at how a large variety of public libraries are using social networks. Examining nearly 6,000 libraries across the US, Crawford Analyzes social network usage by libraries of many different sizes and funding levels, showing how many of them are active and effective in quite different ways Offers many examples that will help other libraries establish or refine their own social networking activities Lays out several key questions that libraries should ask themselves, such as "Who do we want to reach?" and "What's the best way to interact with communities?" Gives libraries guidelines for setting social networking goals and conducting ongoing evaluation Includes illuminating comments from numerous librarians on the front lines of communication Based on broad research, Crawford draws a vivid portrait that shows how a wide range of public libraries is conducting digital outreach and marketing through social networking.

Faithful Unto Death Stephanie Jaye Evans,2012-06-05 Everything looks perfect in Sugar Land, Texas. But it's not. No one knows that better than Walker "Bear" Wells, a former college football player now serving as a minister in this upscale Texas town, where famous athletes mix with ranchers and the local parish priest wants to arm wrestle. It's a beautiful master-planned community, but people can't be held to neighborhood restrictions, and Bear deals daily with emotional and spiritual problems, in both his flock and his own family. But never murder. Not until a man is found dead on the nearby golf course, his skull crushed. Bear has no interest in playing detective. His job is praying for the dead, not searching for their killers. But every time he turns around, another facet of the investigation tangles with his own life...like the fact that the murdered man's son—and a main suspect—is currently dating his own rebellious teenage daughter. He made a promise to do the right thing. But keeping promises may be what led to murder...

Book Review Index - 2009 Cumulation Dana Ferguson,2009-08 Book Review Index provides quick access to reviews of books, periodicals, books on tape and electronic media representing a wide range of popular, academic and professional interests. The up-to-date coverage, wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool. More than 600 publications are indexed, including journals and national general interest publications and newspapers. Book Review Index is available in a three-issue subscription covering

the current year or as an annual cumulation covering the past year.

Life Will Be the Death of Me Chelsea Handler, 2019-04-09 #1 NEW YORK TIMES BESTSELLER • The funny, sad, super-honest, all-true story of Chelsea Handler's year of self-discovery—featuring a nerdily brilliant psychiatrist, a shaman, four Chow Chows, some well-placed security cameras, various family members (living and departed), friends, assistants, and a lot of edibles A SKIMM READS PICK • “This will be one of your favorite books of all time.”—Amy Schumer In a haze of vape smoke on a rare windy night in L.A. in the fall of 2016, Chelsea Handler daydreams about what life will be like with a woman in the White House. And then Donald Trump happens. In a torpor of despair, she decides that she's had enough of the privileged bubble she's lived in—a bubble within a bubble—and that it's time to make some changes, both in her personal life and in the world at large. At home, she embarks on a year of self-sufficiency—learning how to work the remote, how to pick up dog shit, where to find the toaster. She meets her match in an earnest, brainy psychiatrist and enters into therapy, prepared to do the heavy lifting required to look within and make sense of a childhood marked by love and loss and to figure out why people are afraid of her. She becomes politically active—finding her voice as an advocate for change, having difficult conversations, and energizing her base. In the process, she develops a healthy fixation on Special Counsel Robert Mueller and, through unflinching self-reflection and psychological excavation, unearths some glittering truths that light up the road ahead. Thrillingly honest, insightful, and deeply, darkly funny, Chelsea Handler's memoir keeps readers laughing, even as it inspires us to look within and ask ourselves what really matters in our own lives. Praise for *Life Will Be the Death of Me* “You thought you knew Chelsea Handler—and she thought she knew herself—but in her new book, she discovers that true progress lies in the direction we haven't been.”—Gloria Steinem “I always wondered what it would be like to watch Chelsea Handler in session with her therapist. Now I know.”—Ellen DeGeneres “I love this book not just because it made me laugh or because I learned that I feel the same way about certain people in politics as Chelsea does. I love this book because I feel like I finally really got to know Chelsea Handler after all these years. Thank you for sharing, Chelsea!”—Tiffany Haddish

Chelsea Chelsea Bang Bang Chelsea Handler, 2010-04-01 In these personal essays, the hilarious comedian and Chelsea Lately host reflects on family, love life, and the absurdities of adulthood with cheeky candor and signature wit (Philadelphia Inquirer). Life doesn't get more hilarious than when Chelsea Handler takes aim with her irreverent wit. Who else would send all-staff emails to smoke out the dumbest people on her show? Now, in this new collection of original essays, the #1 bestselling author of *Are You There, Vodka? It's Me, Chelsea* delivers one laugh-out-loud moment after another as she sets her sights on the ridiculous side of childhood, adulthood, and daughterhood. Family moments are fair game, whether it's writing a report on Reaganomics to earn a Cabbage Patch doll, or teaching her father social graces by ordering him to stay indoors. It's open season on her love life, from playing a prank on her boyfriend (using a ravioli, a fake autopsy, and the Santa Monica pier) to adopting a dog so she can snuggle with someone who doesn't talk. And everyone better duck for cover when

her beach vacation turns into matchmaking gone wild. Outrageously funny and deliciously wicked, Chelsea Chelsea Bang Bang is good good good good! Chelsea Handler on . . . Being unpopular: My parents couldn't have been more unreasonable when it came to fads or clothes that weren't purchased at a pharmacy. Living with her boyfriend: He's similar to a large toddler, the only difference being he doesn't cry when he wakes up. Appreciating her brother: He's a certified public accountant, and I have a real life. Arm-wrestling a maid of honor: It wasn't her strength that intimidated me. It was the starry way her eyes focused on me, like Mike Tyson getting ready to feed.

The Publishers Weekly, 2010

Judging a Book By Its Lover Lauren Leto, 2012-10-02 “Leto is as funny as she is well-read; a delight for bibliophiles and wannabes alike.” —Wylie Overstreet, author of *The History of the World According to Facebook* Lauren Leto, humor blogger and co-author of *Texts from Last Night*, now offers a fascinating field guide to the hearts and minds of readers everywhere. *Judging a Book by Its Lover* is like a literary Sh*t My Dad Says—an unrelentingly witty and delightfully irreverent guide to the intricate world of passionate literary debate, at once skewering and celebrating great writers, from Dostoevsky to Ayn Rand to Jonathan Franzen, and all the people who read them. This provocative, smart, and addictively funny tome arose out of Leto’s popular “book porn” blog posts, and it will delight and outrage literature fans, readers of *Stuff White People Like* and *I Judge You When You Use Poor Grammar*—people obsessed with literary culture and people fed up with literary culture—in equal measure.

Lies That Chelsea Handler Told Me Chelsea's Family, Friends, and Other Victims, 2011-05-10 A hilarious #1 bestselling collection of essays from those nearest and dearest to comedian Chelsea Handler--the people she's lied to. My tendency to make up stories and lie compulsively for the sake of my own amusement takes up a good portion of my day and provides me with a peace of mind not easily attainable in this economic climate. -- Chelsea Handler, from Chapter 10 of *Chelsea Chelsea Bang Bang* It's no lie: Chelsea Handler loves to smoke out dumbassness, the condition people suffer from that allows them to fall prey to her brand of complete and utter nonsense. Friends, family, co-workers--they've all been tricked by Chelsea into believing stories of total foolishness and into behaving like total fools. Luckily, they've lived to tell the tales and, for the very first time, write about them.

New York, 2010-05

No One Asked For This Cazzie David, 2020-11-17 A NEW YORK TIMES BESTSELLER. From writer/director Cazzie David comes a series of acerbic, darkly funny essays about anxiety, social media, misanthropy, and growing up in a wildly eccentric family. For Cazzie David, the world is one big trap door leading to death and despair and social phobia. From shame spirals caused by hookups to panic attacks about being alive and everyone else having to be alive too, David chronicles her life’s most chaotic moments with wit, bleak humor, and a mega-dose of self-awareness. In *No One Asked for*

This, David provides readers with a singular but ultimately relatable tour through her mind, as she explores existential anxiety, family dynamics, and the utterly modern dilemma of having your breakup displayed on the Internet. With pitch-black humor resonant of her father, comedy legend Larry David, and topics that speak uniquely to generational malaise, *No One Asked for This* is the perfect companion for when you don't really want a companion. Blisteringly honest...kind of like if a David Sedaris book was written by an anxiety-ridden millennial who grew up in Hollywood.—Entertainment Weekly Cazzie David is the delicious antidote to the poison of basic influencer culture. This book will make all misanthropes feel seen and loved—well, seen and tolerated.—Diablo Cody, screenwriter and author of *Candy Girl*
