Mark Leslie

Tomes of Terror Mark Leslie, 2014-09-10 A supernatural tour of bookstores and libraries around the world, focusing on the ghost stories from haunted locations. Throughout history, books have inspired, informed, entertained, and enriched us. They have also kept us up through the night, thrilled us, and lured into their endless depths. *Tomes of Terror* is a celebration and an eerie look at the siren call of literature and the unexplained and fascinating stories associated with bookish locations around the world. Mark Leslie's latest paranormal page-turner is a compendium of true stories of the supernatural in literary locales, complete with hair-raising first-person accounts. You may even recognize a spectre of your local library lurking in these true stories and photographs. If you have ever felt an indescribable presence hanging about a quiet bookshop, then you'll enjoy these fascinating and haunting tales.

Past Lives That Matter Isisi Allthings, 2023-02-27 As a dawning understanding emerged slowly into view, Rose began to see her life experiences through a more compassionate lens. It became necessary for her to fully forgive and release any trauma she still clung on to from her past, but not only from this present lifetime. Her ever more mysterious life path began to lead her along a metaphysical pilgrimage into other past lives and experiences not belonging solely to her current one, but strangely inter-linked. What she discovered about her conscious reality, began to metamorphose into a realisation that she is not a lone figure in the tapestry of experiences that she wove over the centuries. Stitch by stitch, she imagined a far greater picture with others joining her along the way, on a special past life pilgrimage. As she stood back and observed it from afar, as an artist would a painting, it seemed that all the unrelated knots and ties came together as a beautiful whole. Along The Way, she learned how her challenges had shaped her destiny over and over again, down through history. Some experiences taught her painful lessons and others brought her unimaginable gifts but everyone she includes in this jigsaw of a tale, seemed to play a unique and important part to the overview of life that was emerging. In this second book, she traces each character's life learnings and mysterious self-discoveries in order to understand how each piece of the jigsaw fits with hers and what she can share with others keen to understand the same. Although a personal journey, it took on a spiritual nature of a very different kind, leading to some exciting revelations about the magic we can each weave. Haunted Tombstone Cody Polston, 2018 Once the rowdiest town in the Old West, Tombstone still holds echoes from those

wild days of thieves, outlaws and gamblers. The ghost of the Swamper is said to stalk Big Nose Kate's Saloon, afraid someone might find his stolen hoard of silver. The Brunckow Cabin played host to a string of mysterious murders in the late 1800s, and some say that a menacing specter remains. Pictures of cowboy Billy Clanton's headstone in the infamous Boot Hill Graveyard are frequently reported to have unexplainable apparitions. From the ghosts of the O.K. Corral to the feuding prostitutes lingering in the Bird Cage Theatre, eerie wraiths live again in these stories from Cody Polston, former president of the Southwest Ghost Hunter's Association.

Anime Explosion! Patrick Drazen, 2014-04-01 One of the best overviews of the anime phenomenon, its history and cultural significance, ideal for surveys and in-depth study.

Bizarre Brooklyn Allison Huntington Chase, 2022-09-19 Brooklyn. The most populous borough in New York City. Birthplace of the Dodgers, Sweet'n Low, and Season 21 of The Real World. With more than 400 years under its belt, the borough is filled with a history of both sweet and savory moments. It's hard to imagine Brooklyn as anything other than a concrete jungle. Who would guess that that first battle of the Revolutionary War was fought here? Or that the world's oldest subway is hidden beneath the streets of Boerum Hill? Or how an airplane fell from the sky and landed in the middle of the street in Park Slope? Hundreds of people pass by the Prison Ship Martyrs Monument in Fort Greene Park everyday. Virtually no one stops to read the plaque. If they did, they would learn that it is actually a grave, holding up to 15,000 bodies. Author Allison Huntington Chase, Brooklyn's own Madame Morbid, takes readers on a journey beyond the brownstones, to discover the hidden, macabre and bizarre throughout Brooklyn history.

Kaiki-- Uncanny Tales from Japan, 2009 The first volume of a 3-volume set introducing the world of Japanese weird and supernatural literature: outstanding works from centuries of creativity, with an in-depth introduction to the genre by recognized authority Higashi Masao.
