Do Not Go Gentle Into That Good Night DYLAN. THOMAS, 2025-04-17

Do Not Go Gentle Into That Good Night Dylan Thomas, 2024-01-21 The poetry of Dylan Thomas has long been heralded as amongst the greatest of the Modern period, and along with his play, *Under Milk Wood*, his books are amongst the best-loved works in the literary canon. This new selection of his poetry contains all of his best-loved verse - including 'I See the Boys of Summer', 'And Death Shall Have No Dominion', 'The Hand that Signed the Paper' and, of course, 'Do Not Go Gentle into that Good Night' - as well as some of his lesser-known lyrical pieces, and aims to show the great poet in a new light. '[Then] the greatest living poet in the English language.' (Observer) 'He is unique, for he distils an exquisite mysterious moving quality which defies analysis.' (Sunday Times)

The Brown Mask Percy James Brebner, 1911 For a few moments the very daring of the leap paralysed the hunters. The man had surely gone to his death, preferring an end of this sort to the one that most surely awaited him if he were captured. They had looked to see horse and rider crash downwards to destruction, or perchance fall backwards to be crushed and maimed past all healing; but when neither of these things happened a cry of astonishment, not unmingled with admiration,

burst from a dozen throats.

Voices Ursula K. Le Guin,2008-04-01 In this second novel in the Annals of the Western Shore trilogy, Ursula K. Le Guin brings readers a haunting and gripping coming-of-age story set against a backdrop of violence, intolerance, and magic. Ansul was once a peaceful town filled with libraries, schools, and temples. But that was long ago, and the conquerors of this coastal city consider reading and writing to be acts punishable by death. And they believe the Oracle House, where the last few undestroyed books are hidden, is seething with demons. But to seventeen-year-old Memer, the house is a refuge, a place of family and learning, ritual and memory—the only place where she feels truly safe. Then an Uplands poet named Orrec and his wife, Gry, arrive, and everything in Memer's life begins to change. Will she and the people of Ansul at last be brave enough to rebel against their oppressors? *Voices* is a novel that readers will not soon forget. “Le Guin's crystalline prose and her ability to dramatise political and spiritual issues of our time are unequalled.” —Amanda Craig, London Times “As always, Le Guin's language is as airy and sensuous as her concerns are weighty and abstract, every sentence as precise as a spade cut.” —Elizabeth Ward, The Washington Post “Barbarians-versus-brainiacs may be well-trod turf, but Le Guin sure-footedly makes it new. She creates a protagonist with obvious appeal to her intended audience: a geeky girl with bad hair but a quick intelligence, who nurses a seething contempt for the illiterate thugs who run everything. —Anne Boles Levy, Los Angeles Times The Annals of the Western Shore Trilogy includes: Gifts Voices Powers
