Sometimes, a relationship feels so special, it's hard to believe it can work out. Featuring chapters from both Sadie's and Julius's perspective, they'll have to decide if their love—and the lives they plan to build on the other side of the world—are too good to be true. I Hope This Finds You Well Natalie Sue, 2024-05-21 NATIONAL BESTSELLER In this wildly funny and heart-warming office comedy, an admin worker accidentally gains access to her colleagues' private emails and DMs and decides to use this intel to save her job. A laugh-till-you-cry debut novel you'll be eager to share with your entire list of contacts, perfect for fans of Anxious People and Eleanor Oliphant Is Completely Fine. As far as Jolene is concerned, her interactions with her colleagues should start and end with her official duties as an admin for Supershops, Inc. Unfortunately, her irritating, incompetent coworkers don't seem to understand the importance of boundaries. Her secret to survival? She vents her grievances in petty email postscripts, then changes the text colour to white so no one can see. That is, until one of her secret messages is exposed. Her punishment: sensitivity training (led by the suspiciously friendly HR guy, Cliff) and rigorous email restrictions. When an IT mix-up grants her access to her entire department's private emails and DMs, Jolene knows she should report it, but who could resist reading what their coworkers are really saying? And when she discovers layoffs are coming, she realizes this might just be the key to saving her job. The plan is simple: gain her boss's favour, convince HR she's Supershops material and beat out the competition. But as Jolene is drawn further into her coworker's private worlds and secrets, her carefully constructed walls begin to crumble—especially around Cliff, who she definitely cannot have feelings for. Soon she will need to decide if she's ready to leave the comfort of her cubicle, even if it means coming clean to her colleagues. Crackling with laugh-out-loud dialogue and relatable observations, I Hope This Finds You Well is a fresh and surprisingly tender comedy about loneliness and love beyond our computer screens. This sparkling debut novel will open your heart to the everyday eccentricities of work culture and the undeniable human connection that comes with it.

i hope this finds you Samica Mehta,2017-03-18 i close my eyes putting my most beautiful dream of watching you sleep to an end i hold you, because i can, and let my body whisper "you make self-love look so easy and beautiful." - you gave a face to my future and my dreams you gave my direction a path my calls of hope a voice to reach my eyes a sight to see - "you've got sad eyes with a hint of braveness," is all she said, that moment changed my life - i still think i just needed to be kissed, or hugged, or talked to about ordinary dreams, failures, about bridges and red rare bushes. about souls and personalities - broken personalities - and how they are fixable. how sadness isn't here to stay but it might take a while. how some days you need to be on your own and just make it to the end of the day or cry it all out on your own because friends aren't always there beside you. i just feel so deeply for everything, and i'm not sure if there's anything scarier than that. because this is life. its cold and harsh with cracks of warmth and softness. - i slept. i dreamed of words. can you mend me? i hope this finds you is the question of all the answers you've been searching all your life.
