The Worship Mall Bryan D. Spinks, 2011-02-01 Religion today is in competition with the leisure and entertainment industries. Gen Y, the postmodern generation, is open to spirituality; but most of today's young adults have not been born into faith communities where they feel any lasting allegiance. Studies suggest that for the young, belief in God is an optional matter, a virtual consumer choice. As a result, different trends in worship and worship styles are offered by different churches to suit lifestyles, attitudes, and personal taste.

Dissident Women, Beguines, and the Quest for Spiritual Authority Catherine Lambert, 2024-11-12 *Dissident Women, Beguines, and the Quest for Spiritual Authority* focuses on the responses of a group of twenty-first-century women to the lives and writings of thirteenth-century beguine mystics, and reveals how the struggle to discover their own inner spiritual authority connects two groups of women across centuries. For contemporary women who are disenchanted with the institutional church and who seek spiritual direction, models deeply rooted within the tradition may not be the most helpful. The author explores the value of exemplars from the fringes, ushering Hadewijch of Brabant, Mechthild of Magdeburg, and Marguerite Porete into the spotlight. The contemporary women studied developed a relationship with the beguines that transformed and influenced their own journeys. Their encounters underline the importance of re-membering the beguine mystics, the value of contemplative engagement with historical mystics, and the need for explicit validation of the richness of the edges of tradition within spiritual direction. *Dissident Women, Beguines, and the Quest for Spiritual Authority* will be of particular interest to scholars of mysticism and spirituality as well as practical, pastoral, and feminist theology.

Eldredge 2 in 1: Waking the Dead & Desire John Eldredge, 2008-04-16

The Journey of Desire John Eldredge, 2000-03-06 Sometimes it seems we just can't get what we want. Circumstances thwart our best-laid plans. We struggle to live a heartfelt life. Worst of all, says Eldredge, the modern church mistakenly teaches its people to kill desire (calling it sin) and replace it with duty or obligation (calling it sanctification). As a result, at best Christians tend to live safe, boring lives of resignation. At worst, their desire eventually breaks out in destructive ways such as substance abuse, affairs, and pornography addictions. In *The Journey of Desire*, Eldredge invites readers to rediscover God-given desire and to search again for the life they once dreamed of.

Vignettes of Modern Greece Melissa Orme-Marmarelis, 2004 Part memoir and part travelogue, this book adds its own distinctive voice to the chorus of writers of Modern Greek living in the Greek-American diaspora. This unique voice belongs to a tall, blond American woman, a professor of aerospace engineering at the University of California, who met her future Greek-born and raised husband-to-be when she was still a graduate student. This book tells the story of her journey toward understanding Greece and its people, and more importantly, how she became a Greek woman... at least in spirit. It is a story of her coming to terms with her role as Greek wife and mother, observer and ponderer. The author uses her precise eye for detail and her crystalline memory in the service of her goal. She listens carefully to her husband's family stories to make them her own. She watches her lovable mother-in-law Elpida, to learn how she cooks and how she lives. She observes the differences in customs between Americans and Greeks and vividly illustrates them in her amusing vignettes. This is a book that you read with all of your senses. Its freshness in style allows you to taste, smell, feel, hear and see the written accounts of family, friends, lore and nature.
