The Democrat Party Hates America Mark R. Levin, 2023-09-19 INSTANT #1 NEW YORK TIMES BESTSELLER The eight-time #1 New York Times bestselling author, radio host, and Fox News star returns to the page to reveal the radically dangerous Democrat agenda that is upending American life. In *American Marxism*, Mark Levin explained how Marxist ideology has invaded our society and culture. In doing so, he exposed the institutions, scholars, and activists leading the revolution. Now, he picks up where he left off: to hold responsible the true malefactors steering our country down the wrong path. Insightful and hard-hitting as ever, Levin proves that since its establishment, the Democrat Party has set out to rewrite history and destroy the foundation of freedom in America. More than a political party, it is the entity through which Marxism has installed its philosophy and its new revolution. As in a Thomas Paine pamphlet or a clarion call from Paul Revere, Levin alerts his fellow Americans to the destruction this country is facing, and rallies them to defeat the threat in front of us—more looming than ever. He writes, “Every legal, legitimate, and appropriate tool and method must be employed in the short- and long- run to defeat the Democrat Party. The Democrat Party must be resoundingly conquered in the next election and several elections thereafter, or it will become extremely difficult to undo the damage it is unleashing at breakneck pace.”

The Corruption of Interest Ron Gallo, 2023-10-10 This book I consider one of my best and most intense. The false truth about what’s going on in our society, and the world, has gotten so ridiculous, that I felt I had to write this to advise believers and non-believers the truth as Jesus states in the word, in John 14:6 & 8:32. It was upsetting me that the truth was not coming from the politicians and from the pulpit. It took President Trump (thank God for sending him), to expose the corrupt state wide media, and the corruption in Washington D.C. I give the plain truth, from the word not only about the evil Demoncrats, but I also talk about subjects like religion, race, crime, etc. topics that most people will not talk about, because they are afraid there not “politically correct”. I don’t have to be politically correct; I have to be Biblically correct, this is Gods world, not Washingtons. I start off with Interest, which God meant for good, but man has corrupted it. Did you know that you can learn from a spider how to be closer to God and live a more fulfilled Christian life of discipleship? Did you know you can learn from the child and the dog about yourself? There are many other gems wisdom that you will love and learn from. In my other books you can find on Amazon you would get a great blessing as well. There are the three volumes on “Balance, The Spider and the Saint, When I look up, and the childrens book, “Charlie the Spider and friends. I wrote them differently then

other books out there. There are jokes, stories, quotes, to keep you entertained. Be Blessed my find, enjoy my books, but your relationship with God is even greater, that's first Priority. Thank you for reading this text, and enjoy my friend. See you on the way up.

Rising Fascism in America Anthony DiMaggio, 2021-12-30 Rising Fascism in America: It Can Happen Here explores how rising fascism has infiltrated U.S. politics—and how the media and academia failed to spot its earlier rise. Anthony R. DiMaggio spotlights the development of rightwing polarization of the media, Trump's political ascendance, and the prominence of extremist activists, including in Congress. Fascism has long bubbled under the surface until the coup attempt of January 6th, 2021. This book offers tactics to combat fascism, exploring social movements such as Antifa and Black Lives Matter in mobilizing the public. When so little scholarship engages the question of fascism, Anthony R. DiMaggio combines the rigor of academic analysis with an accessible style that appeals to student and general readers.

America Through the Eyes of an Immigrant from a Socialist Country Dave W Chen ,2020-09-03 America Through the Eyes of an Immigrant from a Socialist Country By: Dave W Chen America Through the Eyes of an Immigrant from a Socialist Country details Dave W Chen's early life in China, his experiences immigrating to and living in America, and the stark difference between the two systems. Many Americans are naïve about the evils of living in a socialist country compared to the freedom of capitalist America. With his perspective as an immigrant, Chen has a unique vantage point as first an outsider and then an insider and citizen of the USA. Americans must treasure this country in order to keep it great and never let it slip into the hands of socialism or communism where dictators and their accomplices benefit and the rest of mankind suffers.

The End Of Earth Philip N. Moore, 2024-11-01 In this eye-opening exploration, discover how Moses' ancient prophecies on Israel, the coming of Jesus, and the End Times have striking connections to modern-day events. Delve into how these timeless predictions align with the unexpected rise of Donald Trump, Nostradamus' cryptic visions, and the eerie legacy of the Kennedy curse. With meticulous research, this book unravels a complex web of prophetic clues, leading to the conclusion that the mystery surrounding the assassination of JFK and its aftermath has finally been solved. Prepare to be astonished as you uncover the undeniable threads that tie together history's greatest mysteries with prophetic foresight. Is it coincidence, or is there a higher plan at work?

Escaping the Racism of Low Expectations Barbara from Harlem, 2018-05-15 I was a liberal by default. I asked no questions. I had no answers. I just pulled the lever to vote for Democrats as was expected of me. Most of my fellow Black Americans do not fully understand what the term "liberal" means, or who or what they are voting for. And, in turn they don't realize how harmful those "liberal" policies are to our freedoms and liberties as Americans. I was born into a culture that believes Black equals Democrat. A broken home, failed marriage, and a feeling of victimization fueled my need for inclusion, which the Democratic Party fulfilled. As an activist and member of the NAACP and Democratic Clubs in Harlem, the men I

looked up to—the Rev. Jesse Jackson (whom I also campaigned for), Congressman Charlie Rangel, and Rev. Al Sharpton—reinforced the negative perceptions that shaped my world. But just like false prophets, the false narrative that has been spoon-fed to us by Black leaders, the Black community, the media, and progressive politicians has enslaved Blacks in a victimhood mentality and entitlement mindset. But my eyes were opened to reject victimhood and lack of accountability. My journey has proven to me that when you have clarity of conscience, love of God, and a deep-seated belief in America’s goodness, your life will be enriched and your focus will change to one of accountability.

The Emerging Republican Minorities Udi Sommer, Idan Franco, 2025-01-23 How is it possible that Donald Trump, a champion of racist and anti-immigrant policies, has only attracted more minority voters since 2016? Drawing on extensive statistical analysis, this book challenges the conventional wisdom on Black, Latino, and Asian American voters. Positing a host of theoretical innovations based on diverse data sources, *The Emerging Republican Minorities* establishes that some of the most heated debates of the Trump era—race, immigration, and relations with China—had effects on minority voters that challenged a paradigm ascribing their automatic loyalty to the Democrats. For Black, Latino, and Asian American constituents, much like for their white counterparts, minority-hostile positions are critical in explaining how members of those same minority groups vote, even for candidates who *prima facie* should not win any of their support. Udi Sommer and Idan Franco analyze detailed regression models and conduct robust empirical tests to demonstrate how minority constituencies are more ideologically diverse than commonly thought, even on such issues where we would expect near unanimity, such as opinions toward their own communities. Moreover, this diversity complicates the way we think and theorize not only about minority political behavior but also about democracy and its vitality in the Trump and post-Trump eras.

The Enemy Within David Horowitz, 2021-04-06 “The Enemy Within is a book for all patriots who understand that our country is in a fight for its life.”—MARK LEVIN *America on the Brink* A questionable election. The president of the United States illegally impeached—twice—and silenced. The First Amendment hanging by a thread. The national heritage under attack. Mob violence. America is on the brink of becoming a one-party dictatorship. How did this happen? *The Enemy Within: How a Totalitarian Movement Is Destroying America* provides the answer. David Horowitz has been the *bête noire* of the Left for decades on account of his courageous revelations of their aims and tactics, and now he sounds the alarm: the barbarians are already inside the gates. Horowitz lays out how we have ended up in the worst national crisis since the Civil War. He details:

- The Left’s embrace of Critical Race Theory and Cultural Marxism—the underpinnings of their totalitarian ideology
- The decades-long infiltration of our education system by ideologies hostile to America, our institutions, and our freedom
- Why the Obama administration marked a point of no return in the division of America into two irreconcilable political factions
- The Democrats’ unprincipled campaign to destroy a duly elected U.S. president
- Their political exploitation of the

coronavirus pandemic • Their complicity in the riots of the summer of 2020, which left twenty-five dead, injured two thousand police officers, caused billions of dollars in property damage, and revealed the fragility of our civic order As Abraham Lincoln so presciently warned on the eve of America's last existential crisis, "If destruction be our lot, we must ourselves be its author and finisher. As a nation of freemen, we must live for all time, or die by suicide." In *The Enemy Within*, David Horowitz provides a spot-on assessment of the threat to the American Republic and points to an escape route—while there's still time.
