Your Rep Book Adam Wachter, 2024-04-18 Prepping songs for Musical Theatre auditions can be more stressful and confusing than a bad production of Sweeney Todd... but this book can help. How do you find the right songs, and in all the various genres? Where do you get the sheet music? How do you edit it down to make your 16- or 32-bar cut? What even is a 16-bar cut?! Relax, diva: Your Rep Book has the answers to all these questions and so many more. Adam Wachter has taught courses on audition repertoire selection at top conservatories in the US and UK and spent years accompanying and sitting “behind the table” in auditions for everything from university programs to Broadway shows. This friendly and accessible guide is designed to answer all your questions and help you stock that rep book with tight cuts of great songs so you can walk into your next audition and totally nail it. Including a foreword by Broadway casting director Rachel Hoffman and an afterword by Broadway and West End star Caissie Levy, Your Rep Book takes its readers step-by-step through the strangely mysterious process of building your audition repertoire portfolio (or “rep book” in industry jargon). Leaving no stone - or showtune - unturned, it helps you identify what songs you need in which categories and explains where to find them, how to source and cut the sheet music, and even how to communicate effectively with the accompanist and act your song. Whether you're a high school student auditioning for college MT programs or the ink is still wet on your recent BFA, or even if you're a seasoned pro dusting off those old charts, Your Rep Book is here to help!

Fabrications Pamela Painter, 2020-11-17 A crowning collection from the award-winning short story writer Pamela Painter. Pamela Painter's short stories have been praised by Margot Livesey for their wicked intelligence and ruthless humor. In *Fabrications*, which brings together 7 new and 24 selected stories, characters struggle to avoid the chaos in their lives, but—driven by addictions and appetites—often bring on disaster. Nobody is ordinary in Painter's stories. A burglar can't believe what he is asked to do by the woman whose jewelry he is stealing. Hitchhikers, hell-bent on murder, are thwarted by the miracle of story-telling. A wife can make rooms—and her husband—disappear, but saves the family dog. A young woman insists on the romance of being married in an Elvis Presley chapel, but for the wrong reasons. *Fabrications* is a testament to Painter's lyric skill and psychological insight across her career. Praise for Previous Books by Pamela Painter These wonderful stories—about dogs and housewives, scholars and teenagers—vividly demonstrate Painter's wicked intelligence and ruthless humor and her utterly democratic interest in all our faults and foibles. . . . [A] quirky, sexy, irresistible collection.—Margot

Livesey Pamela Painter's stories are warm, wise, funny, and ultimately true to the way we live now—trying to carry on in the face of things breaking down around us. Reading each story is a thrill—for the full-blown lives, astute details, exact metaphors, and pitch-perfect dialogue. She's like a carpenter—nailing it, again and again.—Bobbie Ann Mason This is fiction of immense beauty, full of wisdom and informed by rare grace.—Steve Yarbrough

The Concise New Partridge Dictionary of Slang and Unconventional English Terry Victor, Tom Dalzell, 2007-12 Reviews of

the two-volume New Partridge Dictionary of Slang and Unconventional English, 2005: The king is dead. Long live the king! The old Partridge is not really dead; it remains the best record of British slang antedating 1945 Now, however, the preferred source for information about English slang of the past 60 years is the New Partridge. James Rettig, Booklist, American Library Association Most slang dictionaries are no better than momgrams or a rub of the brush, put together by shmegegges looking to make some moola. The New Partridge Dictionary of Slang and Unconventional English, on the other hand, is the wee babes. Ian Sansom, The Guardian The Concise New Partridge presents, for the first time, all the slang terms from the New Partridge Dictionary of Slang and Unconventional English in a single volume. With over 60,000 entries from around the English-speaking world, the Concise gives you the language of beats, hipsters, Teddy Boys, mods and rockers, hippies, pimps, druggies, whores, punks, skinheads, ravers, surfers, Valley girls, dudes, pill-popping truck drivers, hackers, rappers and more. The Concise New Partridge is a spectacular resource infused with humour and learning its rude, its delightful, and its a prize for anyone with a love of language.
