Whoopsie Doodle Little Noodle Rebecca McAllister, Dominic Petronzi, 2019-06-13 Meet Noodle and her family! It's a very messy day for Noodle. There is nothing she loves more than ice cream and exploring. Can Noodle make the right choices and help her family? Research is fast-paced and recommendations are frequently put forward for parents, carers or practitioners to act on. As a result, it is often difficult to know the best way to approach a range of increasingly complex issues that can impact children's development and lives. The 'Whoopsie Doodle Little Noodle' series addresses this difficulty. Through Noodle's adventures and learning, key research findings surrounding a wider range of issues are broken into a format that not only supports grown-ups in approaching and educating various topics but is also accessible and fun for all children (aged 4-7 years). These include: promoting resilience, overcoming educational anxieties, connection to nature, and managing feelings of guilt and shame. This ever-expanding series is visually exciting and will be supported by free downloadable activities that have been created in collaboration with primary teacher expertise.

**Dipsy Doodle's Noodle** Alisa Guttadauro, 2018-08-20 Dipsy Doodle loves eating dinner with her parent's, but, one day something strange happens, and dinner turns into something bigger than they could have imagined. What would you do if you found a 70 inch noodle in your soup bowl?

*Doodle on a Noodle* Joyce Schuster, 2016-05-02 Have you ever wondered what a dog was thinking? Sure, we know how to easily read some of their body language clues such as a wagging tail or jumping for joy. They also know how to communicate through sounds and posture many of the same emotions we, as humans, experience. In this book you will meet Rooney, a real

dog, who tells her story and thoughts in the form of simple rhyming sentences and pictures! Even though she is very smart, she is still a dog, after all, and simple rhymes are to be expected. This book is the first in a series which will explore the world through her eyes. You, the reader, will be in attendance from her earliest days to the moment the title of this book becomes obvious. In the books that will follow you will come along as she grows and learns even more about her world. I, as her Mum, think Rooney is very special and is the smartest, cutest, and sweetest dog that ever has lived. Of course, all loving doggie moms feel exactly the same way about their furry babies. She does have an annoying habit, though, and you will discover what that is as you continue your journey with Rooney, the Doodle on a Noodle. So put away your cares for a bit, no matter your age. Follow along and find out what this goldendoodle is thinking as she learns about her world.

**Doodle on a Noodle** Joyce M. Schuster, 2018-05-21 Enjoy the adventures of Rooney and Oliver.

**Doodle Noodle 1** Jollyo Books, 2024-05-31 Doodle Noodle 1 is an amazing activity book for kids that combines the fun of mazes with the creativity of coloring with 100 mind-bending mazes and doodle designs on every page.

Draw, Doodle, Use Your Noodle Amy Hernandez Greenbank, 2019-10-24 Looking for a way to color beyond the lines? Unlike coloring books, which keep you inside the lines, Draw, Doodle, Use Your Noodle, lets creativity flow. The pictures have been started, but it's up to you to fill in the rest. Features: 42 unfinished drawings Fun and engaging prompts, led by Color-oni and Cheese Single sided pages Meet Color-oni and Cheese. This charming pair will give you ideas to finish the drawings, but remember, you are the artist! So don't be afraid to get crazy! If you see an empty hamster cage, for example, you could add a hamster. Or you could add a fire breathing dragon. Maybe even a unicorn, alien, or llama. So go ahead, grab a pencil and get creative.

*Doodle on a Noodle* Joyce M Schuster, 2017-01-27 In this second edition of the adventures of Rooney, the Doodle on a Noodle, she continues to explore her world. She really is out and about and tells you, dear reader, about her experiences in her usual format of simple rhymes. While she may no longer be a young pup she still has a lot of energy! Rooney and Mum continue to explore the beauty of East Tennessee. You will meet some of her friends at the dog park and some wild animals, too, that share her neighborhood. The picture on the front cover really is Rooney! Did you know she has the ability to change colors? You will find out how she performs this magic within the pages of this book. Find out what Mummy thinks about this trick. You also may be wondering if Rooney has finally stopped jumping on people. I won't tell you now but you will find out soon! You will also meet some of her human friends, too! So many people, animals and places to visit that she will have to write another book!!! We hope you enjoy the stories and pictures in this edition! Mummy and Rooney sure had a great time putting it all together for you!
