**The Maddest Place on Earth** Jill Giese, 2018-08-31 Gold-fuelled Melbourne was booming, but dwelling in the fault lines of the proud young colony was an alarming fact - Victoria had the highest rate of insanity in the world. Was it the antipodean sun, gold mania, excessive masturbation, the heady pace of modern life? The true story of colonial Victoria's quest to cure insanity unfolds through the lives of three English newcomers - a gifted artist, exiled from his homeland for his madness; an ambitious doctor, bringing enlightened treatment ideals to his post in charge of the overflowing asylum; and a mysterious undercover journalist, who sensationally exposed the lunatics' plight in Melbourne's press. Amid the clamour of fraught endeavours and maddened minds, the story reveals unexpected hope, creativity and ennobling humanity - and surprising contemporary relevance as we continue to grapple with this ancient human malady. Jill Giese is a clinical psychologist and writer, whose extensive career in mental health encompasses many years of clinical practice and executive roles in policy and advocacy.

The Insanity Defense Mark D. White, 2017-01-23 How often is the defense of insanity or temporary insanity for accused criminals valid—or is it ever legitimate? This unique work presents multidisciplinary viewpoints that explain, support, and critique the insanity defense as it stands. What is the role of the insanity defense as a legal excuse? How does U.S. law handle criminal trials where the defendant pleads insanity, and how does our legal system's treatment differ from those of other countries or cultures? How are insanity defenses used, and how successful are these defenses for the accused? What are the costs of incarceration versus psychiatric treatment and confinement? This book presents a range of expert viewpoints

on the insanity defense, exposing common myths; investigating its effectiveness and place in our legal system through history, case studies, and comparative analysis; and supplying perspectives from the disciplines of psychology, psychiatry, sociology, and neuroscience. The content also addresses the ramifications of declaring citizens insane or incapacitated and examines trials that involved pleas of insanity and temporary insanity.

*Insanity Greatest Quotes - Quick, Short, Medium Or Long Quotes. Find the Perfect Insanity Quotations for All Occasions - Spicing Up Letters, Speeches*, Adeline Branch,2016-02-17 This book is the outcome of an idea, and the idea is very simple. It is that the best way to understand the dramatic transformation any idea can bring and to successfully bring ideas across, is to think of them as profound insights and moments of clarity often disguised as wit, captured in one single Quote. Ideas and products and messages and behaviors spread faster when they carry your message in a single line or paragraph: a Quote. To feel the impact a Quote can have, here are three Insanity Quotes from this book: 'Insanity is often the logic of an accurate mind overtasked. - Oliver Wendell Holmes, Sr.' 'Love: A temporary insanity curable by marriage. - Ambrose Bierce' 'In individuals, insanity is rare; but in groups, parties, nations and epochs, it is the rule. - Friedrich Nietzsche' Three characteristics-one, contagiousness; two, the fact that little words can have big effects; and three, that insight happens not gradually but at one dramatic moment, using the right profound words-are the same three principles that define how an idea takes off, or a product goes viral. Of the three, the third, profound, trait... is the most important, because it is the principle that makes sense of the first two and that permits the greatest insight into why some ideas stick, some changes last, some words leave an impression, and others don't. This book will give you the opportunity to find that right Quote that can change it all.
