

Salem Witch Trials Book

Stuart A. Kallen

The Salem Witch Trials Michael Burgan,2019 In the spring of 1692, girls in Salem, Massachusetts, accused several local women of witchcraft. The events that followed were marked by mass hysteria and religious extremism and ultimately led to trials, convictions, executions, and many more accusals.

Witch-Hunt Marc Aronson,2003-12-02 Publisher Description

The Salem Witch Trials Lori Lee Wilson,1997-01-01 Discusses the witchcraft trials in Salem in 1692, the events leading up to them, and how the trials have been viewed by different historians since then.

The Salem Witch Trials Don Nardo,Tanya Dellaccio,2016-12-15 Mass hysteria in the late 17th century led to trials of people suspected to be witches in Salem, Massachusetts. Anyone could be accused of causing mysterious maladies or unfortunate occurrences, such as the death of cattle. Readers discover important facts and captivating details about this fascinating time in American history. The dangers of leveling accusations without proof and succumbing to panic are discussed in this engaging text, which is supplemented with a fact-filled timeline, full-color photographs, and primary sources.

Salem Story Bernard Rosenthal,1993 Salem Story engages the story of the Salem witch trials by contrasting an analysis of the surviving primary documentation with the way events of 1692 have been mythologised by our culture. Resisting the temptation to explain the Salem witch trials in the context of an inclusive theoretical framework, the book examines a variety of individual motives that converged to precipitate the witch-hunt. Of the many assumptions about the Salem witch trials, the most persistent is that they were instigated by a circle of hysterical girls. Through an analysis of what actually happened - by perusal of the primary materials with the 'close reading' approach of a literary critic - a different picture emerges, one where 'hysteria' inappropriately describes the logical, rational strategies of accusation and confession followed by the accusers, males and females alike.

A ^AStorm of Witchcraft Emerson W. Baker,2014-09-08 This fascinating account of the Salem Witch Trials explores their religious, social, and political dimensions, their origins, their critics, and their aftermath, as well as their influence on the American cultural imagination to the present day.

The Salem Witch Trials K. David Goss,2007-12-30 Part of the enduring fascination of the Salem witch trials is the fact

that, to date, no one theory has been able to fully explain the events that ravaged Salem in 1692. Countless causes, from ergot-infected rye to actual demonic possession, have been offered to explain why the accusations and erratic behavior of seven village girls left hundreds accused, over 20 dead, and the townspeople of eastern Massachusetts shaken. Through a multitude of resources, this authoritative reference guide explores the Salem Witchcraft episode, including the religious and political climate in Puritan New England, and accessibly summarizes the major interpretations of, and reactions to, the events, from the seventeenth century until the present day. Biographical sketches of each person central to the events—including afflicted girls, victims, ministers, and magistrates—add a human element, and primary document excerpts—including petitions, letters, and revealing testimony—give a firsthand glimpse of the proceedings in the players' own words. A chronology of events, a glossary of terms, an annotated bibliography, and over 25 photos make this a must-have resource for students of American history, criminal justice, gender issues, and culture. A must-have for any student of American history, this resource gives a unique glimpse into the 17th century politics, religious culture, and gender issues that created the Salem witchcraft episode, and gives context to an impact that still resonates today, in everything from modern political life to popular culture.

Salem Witch Trials Sean Price, 2008-10-17 Crucial eras and events in American history are brought to life through primary resources in this high interest series written especially for struggling readers. The personal struggles of the people making history guide the reader through each book. Background knowledge of the subject matter is incorporated into the text and vocabulary is defined at the point of use.

The Salem Witch Trials Judith Bloom Fradin, Dennis B. Fradin, 2009 Learn about the Salem witch trials, an important event in American history, that influenced social, economic, and political policies that affected the nation's future.

The Salem Witchcraft Trials Peter Charles Hoffer, 1997 Historian Peter Charles Hoffer reexamines a notorious episode in American history and presents many of its legal details in true perspective for the first time. Hoffer also shows how rights we take for granted today did not exist in colonial times, and he demonstrates how these cases relate to current instances of children accusing adults of abuse.

A Delusion of Satan Frances Hill, 1995 The Salem witch-hunt and trials have captured the attention and imagination of young and old for centuries. Now Frances Hill guides us through the thickets of history and explains in clear and factual terms exactly what went on during that horrifying period between 1691 and 1693 when over one hundred men, women, and children were shackled in the dank prisons of Salem, charged with witchcraft. Ultimately, nineteen were hanged at Gallows Hill, one was pressed to death under a pile of stones, and many others simply languished in prison for months on end, helplessly losing their families, homes, and possessions. Many lost their lives, not a few their sanity. But what really happened? Were the accused truly evil in some way? And if not, how could a group of teenagers work such a cruel and

convincing outcome? Drawing on the insights of modern psychology and feminism, *A Delusion of Satan* answers these questions and more, and forces us to recognize hints of witch-hunts in the McCarthyism of the recent past and in current events like alleged child-abuse cases.

The Salem Witch Trials Robin R. Johnson, 2014-10-31 Discusses the 1692 Salem, Massachusetts, witch trials and how innocent people were jailed on the evidence of dreams and visions.

The Salem Witch Trials - History 5th Grade | Children's History Books Baby Professor, 2017-12-01 The Salem Witch Trials has inspired several films, documentaries and TV series, which only goes to show how interesting they were. But instead of just believing fiction, why don't you learn the facts yourself? You can read this book and gather as much information as you could about the trivial trials. Get a copy today!

The Story of the Salem Witch Trials Bryan F. Le Beau, 2016-05-23 Between June 10 and September 22, 1692, nineteen people were hanged for practicing witchcraft in Salem, Massachusetts. One person was pressed to death, and over 150 others were jailed, where still others died. *The Story of the Salem Witch Trials* is a history of that event. It provides a much needed synthesis of the most recent scholarship on the subject, places the trials into the context of the Great European Witch-Hunt, and relates the events of 1692 to witch-hunting throughout seventeenth century New England. This complex and difficult subject is covered in a uniquely accessible manner that captures all the drama that surrounded the Salem witch trials. From beginning to end, the reader is carried along by the author's powerful narration and mastery of the subject. While covering the subject in impressive detail, Bryan Le Beau maintains a broad perspective on events, and wherever possible, lets the historical characters speak for themselves. Le Beau highlights the decisions made by individuals responsible for the trials that helped turn what might have been a minor event into a crisis that has held the imagination of students of American history.

The Salem Witch Trials Bruce Watson, 2018-02-06 What caused the worst witch-hunt in U.S. history? What demons sent twenty innocent people to their deaths? Was it panic? Payback? Puritanism run amok? In this probing short-form book, award-winning journalist Bruce Watson captures all the fear and fear-mongering while exploring the latest historical research into this unforgettable American tragedy.

The Salem Witch Trials Jane Yolen, Heidi E. Y. Stemple, 2021-05-25 In this spooky book from the nonfiction *An Unsolved Mystery from History* picture book series, tragedy strikes Salem, Massachusetts, in 1692 as the community is torn apart by accusations of witchcraft. When a group of girls came down with a horrible, mysterious bout of illness, they pointed the finger at people in their community they claimed were witches. Soon, the whole town was convinced they were in danger from supernatural forces. Today, we have details about the accusations, trials, and those who lost their lives, but the question remains: What caused the mass hysteria? Become a detective, study the clues, and see if you can help solve this chilling

mystery from history!

What Were the Salem Witch Trials? Joan Holub, Who HQ, 2015-08-11 Something wicked was brewing in the small town of Salem, Massachusetts in 1692. It started when two girls, Betty Parris and Abigail Williams, began having hysterical fits. Soon after, other local girls claimed they were being pricked with pins. With no scientific explanation available, the residents of Salem came to one conclusion: it was witchcraft! Over the next year and a half, nineteen people were convicted of witchcraft and hanged while more languished in prison as hysteria swept the colony. Author Joan Holub gives readers and inside look at this sinister chapter in history.

The Salem Witch Trials Stuart A. Kallen, 1999 Discusses the Salem witch trials, including their Puritan background, the accusations made, and the outcome of the social hysteria that produced the situation.

The Salem Witch Trials Earle Rice, Jr., 1997 Discusses the historical setting of the witchcraft trials in colonial Salem, Massachusetts, with background information on the Puritans.

The Salem Witch Trials William Nelson Gemmill, 1983

Right here, we have countless book **Salem Witch Trials Book** and collections to check out. We additionally meet the expense of variant types and furthermore type of the books to browse. The adequate book, fiction, history, novel, scientific research, as without difficulty as various other sorts of books are readily clear here.

As this Salem Witch Trials Book, it ends stirring subconscious one of the favored books Salem Witch Trials Book collections that we have. This is why you remain in the best website to look the unbelievable book to have.
