

Sistema Politico De Argentina

Terry C. Jones

Sistema político y modelo de acumulación en la Argentina Eduardo M. Basualdo, 2001

Las múltiples vidas del sistema de partidos en Argentina Carlos Augusto Varetto, 2018-03-16 El libro contribuye al conocimiento de la dimensión funcional del sistema partidario argentino; en la cual pueden encontrarse claramente diferenciadas dos “vidas”, fases o subsistemas, las que a su vez habría que sumar al resto de los subsistemas que surgen cuando se abordan la dimensión horizontal y vertical de los sistemas partidarios en contextos de estados multinivel. Es en estas “dimensiones” o “arenas” donde se denen los variados tipos de interacciones entre los partidos políticos y en donde dichas interacciones se encuentran condicionadas a su vez por la presencia de múltiples escenarios sociales políticos y culturales. Es aquí entonces donde los partidos compiten dando lugar a subsistemas diferentes.

Revista argentina de ciencias políticas, 1911

Revista argentina de ciencias políticas Rodolfo Rivarola, Horacio C. Rivarola, Mario A. Rivarola, 1910

Instituciones políticas brasileñas Vicente Palermo, 2018-06-01 Seguramente el lector interesado en comprender la política brasileña ha de estar profundamente desconcertado por el cataclismo cuyos puntos destacados, hasta ahora, han sido la destitución de Dilma Rousseff, la operación Lava Jato, encarada por la Justicia contra gran parte del personal político y contra empresarios de gran envergadura, y la detención de Lula da Silva. Y, dado que tanto la destitución como la ofensiva de la Justicia tienen lugar en el marco de un extendido malestar de la opinión pública contra los políticos, y con un presidente débil y de mala reputación como Temer al mando, no parece por ahora posible imaginar una recomposición política, una recuperación de la gobernabilidad ni un regreso de Brasil al camino de mayor crecimiento económico y mejora de la distribución del ingreso recorrido desde 1994 hasta, por lo menos, el fin de la primera presidencia de Lula. Sobre el fondo de esa crisis, Vicente Palermo realiza esta exploración de las instituciones políticas brasileñas. En un recorrido que comienza en el presente, examinando los motivos de la actual situación política de Brasil, el autor interroga sus estructuras institucionales comparándolas con las argentinas, observa luego la dimensión federal y los modos de relación entre el Gobierno nacional y los provinciales, y, por fin, revisa los términos del actual debate institucional brasileño. Sus conclusiones, aunque contraintuitivas, reflejan que el cuadro institucional brasileño es estable y proporciona una base relativamente sólida para la formulación e implementación de políticas de gobierno. Obra clave para la comprensión del actual proceso político de Brasil,

Instituciones políticas brasileñas. Estabilidad y crisis del proceso político contemporáneo es, también, un libro imprescindible para evaluar el futuro del gran país latinoamericano.

Historia de Belgrano y de la independencia argentina Bartolomé Mitre,1887

Coalition Politics and Federalism Adrián Albala,Josep Maria Reniu,2018-05-08 This book analyzes the verticalization of coalition cabinets from the national to the sub-national level. Presenting case studies for countries with federal systems of government, such as Argentina, Australia, Brazil, Canada, Germany, and India, as well as those focusing on states with hybrid systems of government, such as Italy, the contributors analyze multilevel government formation processes to identify vertical congruence between national and sub-national coalitions. The book also examines various factors affecting the degree of congruence of political coalitions, such as the degree of decentralization, federalization and institutionalization of political systems, as well as cleavage structure. This book will be a valuable resource for all scholars interested in coalition politics, as well as for politicians and practitioners in government and parliament.

Power, Alliances, and Redistribution Carl Friedrich Bossert,2021-04-19 Lateinamerika gilt als der ungleichste Kontinent der Welt. Paradoxerweise hat die Entwicklung ressourcenintensiver Sozialsysteme wenig dazu beigetragen, das soziale Ungleichgewicht zu verändern. Der Autor zeichnet dieses Paradox am Beispiel Argentinien nach, deckt die zugrundeliegenden Macht- und Interessenskonflikte auf und stellt erfolgreiche Strategien zur Umsetzung einer integrativen Politik vor. Als erste Studie dieser Art untersucht sie systematisch die langfristige Entwicklung der sozialen Absicherung von Geringverdienern in Argentinien und analysiert die entscheidenden politischen, sozialen und ökonomischen Einflussfaktoren.

The Populist Challenge Lars Schoultz,2018-06-15 Schoultz examines the fundamental political cleavage between classical liberalism and the populist Peronist political movements in Argentina, identifying the socioeconomic structural features that led to this division and focusing on changes in social class composition that accompanied major demographic shifts and alterations in economic activity. He dominated the electoral process that liberals are able to control public policy only through ties to the military. Originally published in 1983. A UNC Press Enduring Edition — UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of

print. These editions are published unaltered from the original, and are presented in affordable paperback formats, bringing readers both historical and cultural value.
