

Tess Monaghan Books In Order

Laura Lippman

Baltimore Blues Laura Lippman, 2007 Unemployed journalist Tess Monaghan accepts an assignment from a suspected killer who would have her engage in unorthodox snooping in order to clear his name

Butchers Hill LP Laura Lippman, 2008-11-18 No sooner has Tess Monaghan hung her PI-for-hire shingle outside her new office on Butchers Hill when she walks Luther Beale. The notorious vigilante who shot a boy for vandalizing his car five years ago, Luther has just gotten out of prison and wants to make amends, he says, to the kids who witnessed his crime. He needs to find them first, and that's where Tess comes in. But once she starts snooping, the witnesses start dying. Like it or not, she's gotten herself embroiled in a case that could have devastating repercussions for Tess herself, the city she treasures, and the young lives a corrupt system heartlessly destroys—as she follows a nasty trail of lies, money, and murder that winds from Baltimore's darkest corners all the way back to Butchers Hill.

Another Thing to Fall Laura Lippman, 2008-03-11 The New York Times bestselling author of *What the Dead Know* is back with an indelible tale that probes the darkest recesses of the human heart. William Morrow & Company

No Good Deeds Laura Lippman, 2009-03-17 New York Times Bestseller Award-winning and New York Times bestselling author Laura Lippman's Tess Monaghan—first introduced in the classic *Baltimore Blues*—becomes involved in a complicated investigation that will force her to question her loyalties. “Chilling, insightful, and edge-of-your seat exciting.”—USA Today For Tess Monaghan, the unsolved murder of a young federal prosecutor is nothing more than a theoretical problem, one of several cases to be deconstructed in her new gig as a consultant to the local newspaper. But it becomes all too tangible when her boyfriend, Crow, brings home a young street kid who's a juvenile con artist and who doesn't even realize he holds an important key to the sensational homicide. Tess agrees to protect the boy's identity no matter what, especially when one of his friends is killed in what appears to be a case of mistaken identity. But as she soon discovers, her ethical decision to protect him has dire consequences. And with federal agents determined to learn the boy's name at any cost, Tess finds out just how far even official authorities will go to get what they want. It isn't long before Tess finds herself facing felony charges. To make matters worse, Crow has gone into hiding with his young protégé. So Tess can't deliver the kid to investigators even if she wants to. Now her only recourse is to get to the heart of the sordid and deadly affair while they're all still free...and still breathing.

Charm City Laura Lippman, 2009-10-13 As a practiced reporter until her newspaper went to that great pressroom in the sky, P.I. Tess Monaghan knows and loves every inch of her native Baltimore, even the parts being slobbered on by the sad-sack greyhound she's minding for her uncle. It's a quirky city where baseball reigns, but lately homicide seems to be the second most popular local sport. Business tycoon Wink Wynkowski is trying to change all that by bringing pro basketball back to town, and everybody's rooting for him -- until a devastating, muckraking expose of his lurid past appears on the front page of the Baltimore Beacon-Light. It's a surprise even to the Blight's editors, who thought they'd killed the piece. Instead, the piece killed Wink -- who's found in his garage with the car running. Now the Blight wants to nail the unknown computer hacker who planted the lethal story, and the assignment is right up the alley of a former newshound like Tess. But it doesn't take long for her to discover deeper, darker secrets, and to realize that this situation is really more about whacking than hacking. It's just murder in Baltimore these days -- and Tess Monaghan herself might be next on the list. As a practiced reporter until her newspaper went to that great pressroom in the sky, P.I. Tess Monaghan knows and loves every inch of her native Baltimore, even the parts being slobbered on by the sad-sack greyhound she's minding for her uncle. It's just murder in Baltimore these days -- and Tess Monaghan herself might be next on the list.

Hush Hush Laura Lippman, 2015-02-24 New York Times bestselling author Laura Lippman plunges Baltimore private investigator Tess Monaghan into a twisted and disturbing case. Tess Monaghan has encountered almost every possible criminal motive throughout her career: greed, revenge, jealousy, rage. But there are crimes that defy all attempts at understanding, where a search for motive seems pointless. Melisandre Harris Dawes committed such a crime. Found not guilty by reason of insanity, she fled the country, leaving her two daughters with their father. Twelve years later, she's back in Baltimore, and Tess is asked to provide security detail while Melisandre films a documentary about her attempts to reconcile with her now teenaged children. Tess, juggling work with caring for her demanding toddler, is uneasy about the case. Still, Melisandre's lawyer is family. And there is something about the woman herself—confident, beautiful, shrewdly intelligent—that draws Tess in. Is she a master manipulator or someone who was driven to temporary madness? Cold and calculating, or a mother concerned for her daughters' well being? Someone is leaving Melisandre enigmatic, threatening

notes. Soon Tess, insecure about her parenting abilities and receiving cryptic messages of her own, isn't sure whether she should be protecting Melisandre from harm—or protecting everyone else from Melisandre. When Melisandre becomes the prime suspect in a murder, Tess must uncover the truth. Doing so will mean confronting her deepest beliefs about what separates good parents from bad, madness from sanity, and what lengths even the most rational person will go to, to protect what they cherish most.

In Big Trouble Laura Lippman, 2009-10-27 Join the world of New York Times bestselling author Laura Lippman's Tess Monaghan in the Shamus and Anthony Award-winning fourth book in the acclaimed series *In Big Trouble*. Tess Monaghan has learned the hard way how to survive on the streets of Baltimore—first as a fearless investigative reporter and lately as a PI. But a new case is about to take her way out of her element. What begins with a tantalizing shard of a newspaper headline—*In Big Trouble*—above a photograph of an old boyfriend will end far away in another world, where people dress and talk differently . . . and rich people's games can have lethal consequences. Here where the sun is merciless—and curiosity can kill faster than a rattler's bite—Tess is going to have to confront her past and, hopefully, live to tell about it. For the answers she seeks about a man she thought she knew may be somehow linked to a murderer who two-steps to a very deadly drummer.

By a Spider's Thread Laura Lippman, 2016 CRIME & MYSTERY. Award-winning and New York Times bestselling author Laura Lippman's Tess Monaghan first introduced in the classic *Baltimore Blues* must track down a missing wife and unravel the secrets in her marriage that led her to flee. Mark Rubin's family is missing and the police won't get involved because all the evidence indicates that his wife left willingly. So the successful Baltimore furrier turns to Tess Monaghan, hoping she can help him find his wife and three children. Tess doesn't quite know what to make of Rubin, who doles out vitally important information in grudging dribs and drabs. According to her client, he and his beautiful wife, Natalie, had a flawless, happy marriage. Yet one day, without any warning or explanation, Natalie gathered up their children and vanished.

By a Spider's Thread Laura Lippman, 2004-06-29 Tess Monaghan is asked to locate the wife and children of a wealthy Orthodox Jew who seems reluctant to provide Tess with all of the information she needs to find them.

The Last Place Laura Lippman, 2009-10-13 When New York Times bestselling author Laura Lippman's Tess Monaghan investigates five cold case murders, she doesn't expect the investigation to become personal... Tess Monaghan agrees to look into a series of unsolved homicides that date back over the past six years despite the fact that the assignment originates from a troubling source: wealthy Baltimore benefactor Luisa O'Neal, who was both instrumental in launching Tess's present career and intimately connected with the murder of Tess's former boyfriend. Apart from the suspicion that each death was the result of domestic violence, nothing else seems to connect them. Five lives—four women, one man—ended in various ways. The only thing the five cases seem to have is that they are now ice cold. Tess' search for the connecting threads takes her beyond the Charm City limits and into dangerously unfamiliar territory. With the help of a police officer obsessed with

bringing a murderer down, she follows scant leads into the remotest corners of Maryland, where a psychopath can hide as easily in the fabric of a tiny, rough-hewn fishing community as in the alleys and shadows of bustling Baltimore. As she strays far from everything that's familiar and safe in her life, Tess is suddenly cast into a terrifying cat-and-mouse game with an ingenious slayer who changes identities as often and effortlessly as clothing. But at last, a single link to the murders emerges. Unfortunately, it's Tess.

The Sugar House Laura Lippman, 2009-03-17 New York Times bestselling author Laura Lippman's Tess Monaghan must solve one of the most baffling murders in her PI career. When Tess Monaghan agrees to talk to Ruthie Dembrow, she senses she'll regret it. If there's anything Tess has learned in her work both as a newspaper reporter and then as a PI, it's to trust your instincts. Still, she can't deny she's intrigued when Ruthie asks her to investigate the fatal stabbing of her brother, Henry, while he was locked away for murdering a teenage runaway over a bottle of glue. Henry's death at the hands of fellow convicts doesn't surprise Tess, but what does is that he was convicted for murdering a "Jane Doe"—something that rarely happens in the judicial system. No ID was found on the victim's body, and her fingerprints didn't match up to any in the national database. How could anyone escape all the identity nets of the modern world? Ruthie is convinced if she learns the identity of her brother's victim, maybe she can also find out why he was killed. Tess's search takes her on a harrowing journey from Baltimore's exclusive Inner Harbor to the seedy neighborhood of Locust Point. But it's the shocking discovery of the runaway's true identity that turns Tess's hunt deadly. Suddenly, her supposedly solved murder case keeps turning up newer, fresher corpses and scarier versions of the Sugar House—places that look so sweet and safe, but only from the outside.

In a Strange City Laura Lippman, 2009-10-13 New York Times bestselling author Laura Lippman's Tess Monaghan must put her PI skills to the ultimate test when she falls into the crosshairs of a psychopath who knows everything about her. For the past fifty years on the birth date of Edgar Allan Poe, a person wearing a cloak has placed three roses and a half bottle of cognac on the writer's gravesite. PI Tess Monaghan has never witnessed the event. But when John P. Kennedy, an eccentric antiques dealer, asks her to uncover the identity of the caped visitor, who he believes has duped him with the sale of an inauthentic antique, Tess decides to hold vigil on the night the cloaked stranger is expected to make an appearance. But the custom takes on a bizarre, fatal twist when two cloaked figures arrive. The imitator leaves his tribute and then makes his escape...after shooting the first visitor. Warning bells tell Tess to steer clear of this case. But when roses and cognac appear on her doorstep, Tess's curiosity is piqued. She soon discovers that John P. Kennedy has vanished into thin air and much of what he told her was questionable. Then the identity of the shooting victim comes to light, and all clues seem to point to the possibility he was the target of a hate crime. But Tess isn't convinced. What was his connection to the decades-long Edgar Allan Poe tradition and to the killer? When more cryptic clues are left at her home, Tess realizes that someone is watching

her every move...someone who's bent on killing again.

The Last Place Laura Lippman, 2002-10-01 Over the course of six novels featuring Baltimore private investigator Tess Monaghan, author Laura Lippman has won a mantle full of awards (including the Edgar), consistently resounding critical acclaim (The best mystery writing around -- Village Voice), and a well-deserved reputation among readers as one of the very brightest lights in contemporary crime fiction -- a reputation now brilliantly reconfirmed as Tess returns to find a nightmare in the last place she ever thought to look for it. In hot legal water -- and court-ordered therapy -- for having assaulted a potential child molester, Tess Monaghan is more than ready for a distraction. So she agrees to look into a series of unsolved homicides that date back over the past six years despite the fact that the assignment originates in part from a most troubling source: wealthy Baltimore benefactor Luisa O'Neal, who was both instrumental in launching Tess's present career and intimately connected with the murder of Tess's former boyfriend. There are other troubling aspects as well. Apart from the suspicion that each death was the result of domestic violence, nothing else seems to connect them, Five lives -- those of four women and one man -- were destroyed by fire, gunshot, and hit-and-run, and all five cases have gone ice cold. Though Luisa's nonprofit organization hires Tess simply to review old police documents for inconsistencies and investigative blunders, curiosity is soon leading the P.I. off the paper trail. And it just may get her killed. Tess's search for connecting threads takes her beyond the Charm City limits and into dangerously unfamiliar territory. With the help of a police officer obsessed with bringing a murderer down, she follows scant leads and intuition into the remotest corners of Maryland, where a psychopath can hide as easily in the fabric of a tiny, rough-hewn fishing community as in the alleys and shadows of bustling Baltimore. Straying far from everything that's familiar and safe in her life, Tess is suddenly cast into a terrifying cat-and-mouse game with an ingenious slayer who changes identities as often and effortlessly as clothing. Because a single common link to five senseless murders is beginning to emerge with shocking clarity to tie the loose ends together into one bloody knot...and the link is Tess Monaghan herself.

The Last Place Laura Lippman, 2003 Tess's case in this terrific novel is a series of unsolved homicides that may or may not be overlooked cases of domestic violence. After a while, Tess realises she's on the trail of a single, serial killer. But the Maryland State Police are convinced that the killer she's looking for is dead and therefore that he's no threat. But he is. And his target is Tess herself. There are two voices in the novel: Tess Monaghan who is feisty, funny and cool and, as yet, unaware of the serial killer who is stalking her and the chilling voice of the killer himself. In addition, Tess is having to attend anger counselling classes following a brilliant first scene. This is a book that will be rewarding to Laura Lippman's fans but a good starting point for those who have never read her. Her biggest book yet - sure to win her prizes, yet more acclaim and a wider readership.

Charm City Laura Lippman, 2001 It's murder in Baltimore these days - and Tess herself might be next on the list . . . From

the author of *LADY IN THE LAKE* and *SUNBURN* Winner of Edgar Award and Shamus Award As a practised reporter until her newspaper went to that great pressroom in the sky, PI Tess Monaghan knows and loves every inch of her native Baltimore. It's a quirky city where baseball reigns, but lately homicide seems to be the second most popular local sport. Business tycoon 'Wink' Wynkowski is trying to change all that by bringing pro basketball back to town, and everybody's rooting for him - until a devastating, muckraking exposé of his lurid past appears on the front page of the *BALTIMORE BEACON-LIGHT*. It's a surprise even to the newspaper's editors, who thought they'd killed the piece. Instead, the piece killed Wink, who's found in his garage with the car running. Tess is hired to find the unknown computer hacker who planted the lethal story - but it doesn't take long for her to discover deeper, darker secrets...

To the Power of Three Laura Lippman, 2009-10-13 “Powerful....A gripping tale that is a mystery only in the same sense as *To Kill a Mockingbird* was....Brilliant, insightful, moving.” —Chicago Sun-Times There are excellent reasons why New York Times bestselling author Laura Lippman has won the Edgar®, Agatha, Anthony, Nero Wolfe, and every other major award the mystery genre has to offer. *To the Power of Three* is just one of those reasons. Lippman’s brilliant and disturbing tale of three inseparable high school girlfriends in an affluent Baltimore suburb who share dark secrets literally until death, *To the Power of Three* is this “writing powerhouse” (USA Today), who has “exploded the boundaries of the mystery genre to become one of the most significant social realists of our time” (Madison Smartt Bell) operating at the very top of her game. Not merely crime fiction, but fiction that gets to the deep psychological, emotional, and human roots of a terrible crime, Lippman’s novel is one that will not be easily forgotten—a must read for fans of Kate Atkinson, Tana French, Jodi Picoult, and Harlan Coben

Hardly Knew Her Laura Lippman, 2009-02-03 A trade paperback collection of 16 short stories, some new, some published before, all together for the first time, featuring Tess Monaghan, New York Times Bestselling author Laura Lippman’s acclaimed private eye For the first time together in one collection is a mix of brand new Tess Monaghan short mysteries as well as previously published, award-winning short stories. Split into three parts—Girls Gone Wild (seven stories about girls behaving badly); Other Cities, Not My Own (four stories about places outside of Baltimore); My Baby Walks the Streets of Baltimore (four stories and a profile)—the inimitable Tess Monaghan, along with some old friends and new faces, is back solving crime.

Another Thing to Fall Laura Lippman, 2009-02-24 When the production of a Hollywood film in Baltimore brings mayhem and murder to the area, private investigator Tess Monaghan finds her job complicated by the acting skills of her numerous suspects. By the author of *What the Dead Know*. Reprint. 400,000 first printing.

Butchers Hill Laura Lippman, 2001 All PI Tess Monaghan has to do is find some witnesses - that is, until the witnesses start dying . . . Tess Monaghan has finally made the move and hung out her sign as a private investigator for hire, complete

with an office in Butchers Hill. Maybe it's not the greatest address in Baltimore, but you've got to start somewhere. Then in walks Luther Beale, the notorious vigilante who five years ago shot a boy for vandalising his car. Just out of prison, he wants to make reparations to the kids who witnessed his crime, so he needs Tess to find them. But once she starts snooping, the witnesses start dying. Is the 'Butcher of Butchers Hill' at it again? Like it or not, Tess is embroiled in a case that encompasses the powers-that-be, a heartless system that has destroyed the lives of children, and a nasty trail of money and lies leading all the way back to Butchers Hill.

The Girl in the Green Raincoat Laura Lippman, 2011-01-18 Lippman delivers a new Tess Monaghan novella that first appeared in serial format in The New York Times.

The Engaging World of E-book Books: A Thorough Guide Unveiling the Benefits of E-book Books: A Realm of Convenience and Versatility E-book books, with their inherent portability and simplicity of access, have freed readers from the constraints of hardcopy books.
