Songs for the Forgotten Julia Burns, 2020-10-20 *Songs for the Forgotten: A Psychiatrist's Record* combines pivotal moments from Julia Burns's Southern upbringing in the 1970s with case histories accumulated through three decades of treating psychiatric patients, particularly those drowning in the cultural epidemic of child abuse. This book is her journal of rupture and return. The reader will follow the author's hard-won reconciliation. In telling panoply of stories, including her own, Burns argues for the interconnectedness of humanity: when one child is hurt, our humanity is violated, and we are all responsible for undoing that damage. If no one steps up to save children, to show them they are worth saving, the cycle of abuse will continue. *Songs for the Forgotten* offers a strong practical component, providing information about trauma and healing. Burns illustrates how hope and wholeness can come from remembrance and telling.

I Love Jesus, But I Want to Die Sarah J. Robinson, 2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.” —Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Dance and Creativity within Dance Movement Therapy Hilda Wengrower, Sharon Chaiklin, 2020-10-26 Dance and Creativity within Dance Movement Therapy discusses the core work and basic concepts in dance movement therapy (DMT), focusing on the centrality of dance, the creative process and their aesthetic-psychological implications in the practice of the profession for both patients and therapists. Based on interdisciplinary and multidisciplinary inputs from fields such as philosophy, anthropology and dance, contributions examine the issues presented by cultural differences in DMT through the

input of practitioners from several diverse countries. Chapters blend theory and case studies with personal, intimate reflections to support critical descriptions of DMT interventions and share methods to help structure practice and facilitate communication between professionals and researchers. The book's multicultural, multidisciplinary examination of the essence of dance and its countless healing purposes will give readers new insights into the value and functions of dance both in and out of therapy.
