Pearls of Wisdom Mamutty Chola, 2019-07-09 The book — Pearls of wisdom presents a historical and panoramic view of human civilization. It is a compilation of quotes /sayings of prophets, philosophers, thinkers, poets, emperors, politicians and business tycoons; on various aspects of human lives; be it religions, ethics, morals, business, principles of governance, evolution of science and technology, besides quotes on Nature, Earth, Soul, Love, Beauty, Human Minds, Human Hearts, and Eyes. There are quotes about the qualities of animals; like Dog, Horse, Lion and their influence on human lives. There are in all 26 sections chapters as reflected in the Index. On perusal of these quotes following facts emerge: 1) The human race loves to live in peace. The religions, though was intended to achieve peace in society, have unfortunately been one of the main reasons for wars, crimes, destruction, and genocides because of the intolerance among the believers since faith is blind. Rationality had been and is the first casualty. 2) All the religions are the gifts of the East. The gifts of the west are communism and Atheism. 3) Things once considered as blasphemies have come to be accepted as truth. The example of Galileo Galilei is remarkable. 5) The governing principles have been evolutionary. There can never be a uniformed pattern of governance as peoples differ in their thinking and beliefs for that reasons there have been clashes of civilization down the ages. 6) The exploration of our solar systems is the result of endless and insatiable urge in man to unravel nature. The achievements of science and technology belong to the whole of humanity. I have tried to present a snapshot profile of March of human civilization through the voices of the great minds ever walked on mother earth. This compilation will serve as ready reckoner

PILLAR OR PITFALL: MOUTHS THAT BREAK D.R. OFORI, 2025-06-28 By speaking life, truth, and affirmations aligned with spiritual beliefs, individuals can break free from a mindset of limitation and open the door to confidence, hope, and renewal. Words of faith can lead to spiritual transformation and mental healing, breaking the stronghold of negative self-perception. Words of apology, forgiveness, and reconciliation can spiritually break down walls of resentment, anger, or bitterness between people. In spiritual contexts, healing words, prayers for reconciliation, and speaking with love can mend broken relationships and restore harmony. Proverbs 15:1 talks about how a gentle answer turns away wrath, indicating that the right words can break the cycle of conflict and open the door to peace and healing in relationships. Spiritually, words of prayer, blessing, and declaration can break generational curses or cycles of negative patterns that have been passed down through families. Many belief systems, including Christianity, speak of the power of speaking blessings, renouncing curses, and declaring God's promises to undo the spiritual impact of harmful family legacies.

Heroic Fraternities Anthony B. Bradley, 2023-02-28 An original vision for redefining American manhood in an age of anxiety and an era of socioeconomic change, Heroic Fraternities examines the impact of the “frat film” genre (invented by Animal House) on ideas about “real” men and “real” fraternities that permeate the culture, and led the news media to increasingly equate the supermajority of fraternity men with the outrages of a few. The ugliest cases have sparked a drive to Abolish Greek Life, even though studies show rates of misconduct don’t change when fraternities disappear. Common sense suggests that young men are struggling to build balanced adult male identities in a world where campus leaders call for them to be “less bad” and activists acknowledge male allies with #notallmen. The irony of the abolition movement is what they seek to destroy is also one of the more certain routes to save America’s men from the alienation of a society in crisis. Fraternities are uniquely positioned to address soaring rates of substance abuse, anger, and despair by providing men with the support, friendship, and multiple role models they need. Examining fraternity life in the SEC, ACC, and Big Ten conferences, this book presents reasons for hope—and heroism—at all colleges.
