Ask Me Why Harloe Rae,2019-06-18 One deep breath. Two slow blinks. Three hollow beats.I'm still here.After three years, that reminder isn't as necessary. But everyone has their bad days. This is definitely one of them. Until an adorable little boy dashes into my store. His zest for life makes me smile in a way that's been long lost. Then I meet his father.Well, confront is more like it.Brance Stone is volatile.Offensive.Harsh.And can't be bothered to care.Not that I want him to. I get frostbite just looking into Brance's glacial stare. But there's something undeniable about him.My misery suddenly craves company. The suffocating numbness lifts whenever Brance is near. That alone should have me running in the opposite direction. Try as I might, there's no avoiding him. If only I could understand why. As if he'd let me.I don't ask. He doesn't tell. A silent, bitter truce settles between us.That was our first mistake.It's certainly not the last.

Oh, and I dare you not to fall in love with little Ollie! - LJ Shen, USA Today and Washington Post bestselling author One deep breath. Two slow blinks. Three hollow beats. I'm still here. After three years, that reminder isn't as necessary. But everyone has their bad days. This is definitely one of them. Until an adorable little boy dashes into my store. *Hollywood Secret* Nicole French,2018-10-02 Will Baker was a jerk. A chiseled, green-eyed, hypnotizingly delicious jerk.

And like a bad penny, he just kept showing up. Crashed my bike? There he was. Flat tire? One more time. And yet he thought I was the one stalking him. Seriously. How paranoid do you have to be? But the more I got know my intense new neighbor, the more his hard shell cracked, revealing a soulful man starved for affection. A man whose secrets were eating him alive. Just like mine. He was broken. I was broken. But together we seemed whole. Maybe, just maybe, we could fix each other. If our secrets didn't break us first. Author's Note *Hollywood Secret* was originally published as *Discreet*, a steamy, 120,000-word celebrity romance from USA Today bestselling author Nicole French.

*Keeper* Harloe Rae, 2020-01-28 From USA Today & Amazon Top Ten best-selling author Harloe Rae is a new standalone romance where opposites attract and the lines of friendship are blurred beyond recognition. Will you help me remember? That's the second thing I ask the stranger hovering just outside of my hospital room. To me, Decker Fredric is another nameless face in the crowd. To him, I'm a forgotten girl he hasn't seen in years. But he agrees to be my crutch through the fog as if we were once friends. Everything is a blank canvas spreading far and wide in front of me. Any direction I take, my steps stumble over the unknown. Decker becomes the only reliable constant in my life. I lean on him too hard, but he doesn't seem to mind. His unwavering patience and guidance restore some semblance of normal I don't recall having. My attraction to Decker is instant, but he appears indifferent. Until the day his stare holds a bit too much heat. In return, I dare to let my touch linger. Our hugs cling tighter than a simple embrace should. But we have no business defying the distinct line cutting between us. Decker Fredric was never mine to keep. But that doesn't stop me from wanting him to be.
