Summary of Contagious SellWave Audio, 2025-11-13 Why do some products, ideas, or stories spread like wildfire while others barely make a ripple? Why does certain online content go viral, while equally good material is ignored? The answer lies in word of mouth—arguably the most powerful force in marketing, far more persuasive than advertising. Jonah Berger, a leading expert in social influence, shows that word of mouth is not random—it follows predictable patterns. Whether you run a small local business, manage a large corporation, or are campaigning for office, the principles that make ideas catch on are the same. Drawing on years of research, *Contagious* reveals why some things are inherently shareable and provides practical steps to make your product, story, or idea more likely to be talked about. You'll discover surprising truths, like how little online chatter actually drives sharing and how subtle triggers can generate massive word of mouth. Filled with fascinating insights and actionable advice, *Contagious* is a must-read for anyone who wants their ideas, products, or projects to thrive.
