The Black Forge Mills : or, Up the King's highway William P. Chipman, 2025-04-24 In *The Black Forge Mills: or, Up the King's Highway*, William P. Chipman presents a rich narrative set against the backdrop of 19th-century industrial America. The book intertwines elements of historical fiction and socio-economic commentary, revealing the transformative impact of industrialization on human lives and landscapes. Chipman's prose is characterized by its vivid descriptions, keen attention to detail, and a poignant sense of place, illuminating the inner workings of forge mills and the complexities of the characters' lives as they navigate personal conflicts and societal expectations along the King's Highway. William P. Chipman was born into a period marked by rapid change and industrial growth, factors that shaped his perspectives and creative expressions. His exposure to the compelling narratives of those affected by the rise of industry fueled his desire to explore themes surrounding human resilience and the dichotomies of progress. An adept historian and storyteller, Chipman intricately blends factual historical contexts with imaginative storytelling, offering readers a glimpse into the lives of ordinary people caught in extraordinary circumstances. For readers interested in historical fiction that expertly captures the essence of a pivotal era, *The Black Forge Mills* is an essential read. Chipman's insightful exploration of human experiences and industrial transformation resonates on multiple levels, making it a significant addition to the canon of American literature. This work not only entertains but also invites reflection on the enduring consequences of progress and change.

Monika Maron in Perspective, 2016-08-29 In diesem Band werden zum ersten Mal die Ansichten von 12 Forschern zum Œuvre der Berliner Autorin Monika Maron (1941) zusammengebracht. Die Beiträge entstanden im Rahmen eines internationalen Symposiums anlässlich des 60. Geburtstages der Autorin, das Ende März 2001 an der Universität Gent stattgefunden hat. Junge wie etablierte Wissenschaftler haben Einzelanalysen und Übersichtsartikel verfasst, die zusammen das gesamte Œuvre von Flugasche bis Pawels Briefe umspannen und zugleich einen Ausblick auf die Zukunft ermöglichen. Die gemeinsame 'dialogische' Ausrichtung der präsentierten Einblicke äußert sich darin, dass jeweils mit eigener Akzentsetzung die Grenzen des Textes nach außen hin überschritten werden. Dabei werden nicht nur die vielfältigen Wechselwirkungen zwischen Text und Zeit, sondern auch die bisher viel weniger thematisierte Bedeutung anderer Texte sowie die diversen Arten der Rezeption untersucht. Methodologisch reichen die Ansätze von der traditionellen Hermeneutik über historische Fragestellungen, Diskursanalyse und Rezeptionstheorie bis hin zu Überlegungen zur Ethik der Ästhetik.

Eine umfangreiche Bibliographie, in der eine möglichst umfassende Übersicht über Verbreitung und Rezeption von Marons Werken geboten wird, schließt den Band ab. Monika Maron in Perspective dokumentiert so, in den Beiträgen wie in der Bibliographie, den heutigen Stand der Forschung und liefert zudem zahlreiche Impulse zu einer weiteren Auseinandersetzung mit dem Werk.

Prophet und König im Nordreich Israel Bernhard Lehnart,2014-10-22 The present book deals with the so-called “pre-classical” prophecy in the Northern Kingdom of Israel. It becomes evident that the introduction of kingship in the early period of prophecy marks the beginning of a consideration of social situations. The prophet is placed over the king and stylized as the actual saviour figure. This development is examined along with the extensive prophetic traditions of Samuel, Elijah and Elisha. The texts are first analyzed from a diachronic standpoint to determine pre-deuteronomistic text components. These texts are then linked to their historical context and examined with respect to their medium and historicity. This book throws new light on the social and socio-structural importance of prophecy in this early period.
