Sooth and Sermons for Men's Rights Activists Conrad Riker, Crushed by feminist lies? Betrayed by courts and women? Discover how to rise stronger. Are you drowning in rage after seeing women's true nature and society's betrayal? Is family court destroying your life while feminists label you toxic for being a man? Do you crave spiritual strength to endure this hell and rebuild your purpose? Why This Book Changes Everything: - Ignites ancient masculine wisdom from Christ, Stoics, and warriors to armor your soul. - Turns redpill rage into unstoppable power—no weakness, just disciplined action. - Exposes feminist deceit with logic and facts, shattering their victim narratives. - Reveals financial tactics to shield your wealth from divorce traps and state theft. - Forges unbreakable brotherhoods so you never face gynocratic tyranny alone. - Transforms your body into a weapon of resilience through primal fitness rituals. - Guides you to lead with iron integrity, silencing Marxists and white knights. - Maps your path from ruin to rebirth—where pain fuels legacy, not defeat. If you want to incinerate feminist lies, reclaim your God-given dominion, and rise as the phoenix of your own life—buy this book today.

You're Not Stuck Kat Addams, 2023-10-02 What would happen if you took all the energy you use to try to change your partner and instead changed yourself? Romantic comedy author and host of the *You're Not Stuck* podcast Kat Addams is here to tell you what you've needed to hear all along. No, he won't change. But you will! Stop fighting for your relationship and start fighting for yourself. You're not stuck. You're capable of building the confidence and mindset needed to grow from victim to survivor and take back control of your life. Kat uses a brutally honest approach of inner work and progressive practices to empower victims to leave their situation. With a humorous, gritty, and relatable tone, she offers a fresh perspective on this emotional journey—or as she likes to call it, a shameless, shitty adventure. As a domestic violence survivor herself, Kat knows the struggle is real. She's an outspoken advocate for victims and a vocal testimony that life outside of someone else's control is pure magic. *You're Not Stuck* is part comic relief, shedding light on a dark topic, and part motivational kick in the pants to take action toward freedom. With a heavy theme of the ripple effect, this book tells how one life changed can change another, and together, we can stop surviving and start living. Whether you're struggling in a toxic relationship, a dead-end job, or you just want to escape misery, Kat's here to wake you up to realize that you're the key to your mental prison and only you can save yourself. Your life is waiting for you on the other side. You're not alone, and you're not stuck either.

Win Your Lottery Sharry Cramond,2025-01-07 Sharry Cramond grew up in a low-income household in Glasgow but went on to become the marketing director at M&S, the sort of job that she wasn't even aware existed in her early childhood. How did she make the leap onto a career ladder so successfully? Taking control of a potentially embarrassing moment on her first day of secondary school, she not only surprised herself but the 11 year old Sharry opened up a whole new understanding of how the brain works. Sharry realised that if she told herself something enough times, she believed it and this awakened a lifelong interest into Natural Language Processing as well as setting her on track to achieve her personal goals. In her book, Sharry shares her story and her tips for adopting and maintaining the right mind frame to propel you from the life you are living now into the one that you really want – all on your own. The Great Motivation Swindle Laura Tong,Mark Tong,2014-06-08 Do you dream of doing something awesome, big or small towards a Great Life, anything indeed, but when you try to motivate yourself into actually getting off your burgeoning ass and taking some kick-ass action, nothing happens, zilch? Somehow, for some damn reason you can't identify, your motivation always fails to show up for the party? Goes AWOL? There's a strong chance it's never your true dream you're chasing, but some swindling parasitic desire foisted on you - in short, you've been swindled, you're a casualty of The Great Motivation Swindle. Too many great people are failing to achieve the success and Great Life they could be living and it seems to be assumed that this is a natural state of affairs and there is little that can be done about it. So what do you do if you find it harder to get motivated than a shark at a salad bar? If you're feeling more demotivated than an albino in a heatwave? What happens is you turn to self-improvement. But the killer is that this industry is largely just putting out the same swindling message as society, more and more dressed up in pseudo 'science' and psychological jargon. The mountains of motivational literature, images and quotes that are designed to get you fired up enough to get going and kick some ass, are in fact doing the oh so opposite: rather than motivating ordinary people to get out there and chase down some sweet dream, they are demotivating them or worse still, encouraging the swindleous practice of substituting some other bastard's aims and desires for yours. So what's the alternative? The alternative is a Revolution. A Revolution for the Common Man. A Revolution where you buck the swindle and the whole concept of 'self-improvement', replace all the corrosive crap in your head with your own unique desire and motivation to pursue your own happiness and go grab whatever the hell you want, as you. The book also includes 19 Motivational Rules for the Common Man

If You're Going Through Hell, Keep Going! Doug Giles,2009 A trouble-less life with God and Christ doesn't exist. Jesus never promised His followers a carefree, no-conflict existence. Therefore, to not expect pain, to not brace for pain, and to not understand the role of pain guarantees that when it comes, you will be steamrolled by it. Yes, storms are a when, not an if affair. Jesus told us in the Sermon on the Mount that heartaches in life are a matter of when, not if. Are you ready? If not, don't freak, as the contents of this fastpaced and funky book seek to shore up your sagging spirit. --from cover.
