**Salazar** Chariss K. Walker, A post-apocalyptic, dystopian fantasy story. Salazar, a descendent of Serena McKay, seems to be the only one who understands that his city, August City, faces apocalyptic annihilation while its wealthiest citizens are spirited away and to safety by spaceships. Is there any hope? • The wealthiest residents have fled. • An unprecedented and unprovoked air raid shatters August City. • A biological toxin is released on Earth. Is there any safe place to hide? Fortunately, Salazar remembers the stories his grandmother told about a city beneath August City, possibly a safe place to weather an unparalleled attack. But, as he leads his mother to this proposed shelter, they are attacked by crazed residents who have inhaled toxic fumes that alter their personalities and turned common men into killers. Can Salazar and his mother find safety before these madmen kill them both? Is there a future worth fighting for? Note: Serena McKay Crime Novels, Purple Kitty (ASIN: B01EHUL2MI) and Blue Cadillac (ASIN: B07B9V8XQ5) also take place in August City. This is Serena's world and is set some sixty years in our future. August city, a very dark, and scary place is even worse after another sixty years have passed. Serena's grandson, Salazar, still lives in August City and is faced with the end of the world as he knows it! All books in this series are also available as sudibooks and can be found on Amazon and Audible. Can anyone survive?

**Sondra** Chariss K. Walker, You have already met Salazar, a descendant of Serena McKay, in the first book. Now, meet Sondra, a gifted Seer, psychic, and precognitive, As one of 12 survivors who followed Salazar and Miki to the underground tunnels on that first terrible night that August City faced apocalyptic annihilation, Sondra's ability will help lead the remaining survivors. After the wealthiest citizens were spirited away to safety in spaceships, the remaining population is left to die as they faced extermination. First, an unprovoked and unprecedented air raid where their city is bombed to hell. Then, biological warfare occurs when a toxin that changes their DNA is released. Sondra's ability is vital to the continued survival of this ragtag group of men, women, and children. Together, these survivors gather over two thousand others who managed to live through the nightmarish devastation. Together, they have formed a society in an underground city they named Eden. But, can they continue to survive? •The effects of the biological weapon are now evident. •It has caused terrifying changes in people, animals, and plants. •These factions war against each other, fighting over perceived territories. Will their rivalry be the end and death of both sides?

*Search Terms:* Alpha Travis Hill, College sophomore Tyler Gallagher loves computers, video games, and Thanksgiving

Break. He's timed the arrival of his computer components with the holiday vacation from school to blast aliens and enemy soldiers alike on his brand new, high-end gaming computer. When the parts arrive, it soon becomes apparent that they aren't what he ordered from TechTerritory. Thinking he's the butt of a practical joke, Tyler plays along, and builds the computer with the obviously fake components. His annoyance turns to shock when the computer powers on. His shock turns to a mix of disbelief and wonder when he learns the strange quantum computer can pull web pages from the near future. Disbelief and wonder soon become fear and uncertainty when he discovers the future might not be so bright. Search Terms: Alpha is the first half of a new time travel thriller. 52,000 word novel Adult themes / language / mild sexual content

*Blue Cadillac* Chariss K. Walker, An antique blue Cadillac... What could it mean? What relevance could it have to this dystopian crime story? The sequel to *Purple Kitty* continues Serena's courageous story in *Blue Cadillac*. You will NOT enjoy this story unless you have read the first book, *Purple Kitty*. This series is not for everyone. As one 5 Star reviewer said, Chilling as an ice bath! When I reviewed the first book of the series, I said I wanted resolution. I found it in this book. Serena McKay has gone into hermit mode after the events of the other book, drinking and not allowing anyone inside her door. Her foster father Henry has finally had enough and goes to Serena's sixth-floor apartment and kept knocking for hours until she finally reacted and let him in. The two of them talked as they never had before. They talked about the erosion of rights for the illusion of safety. Serena asked the questions and Henry answered. The destruction of society, the ceding of rights without realizing it, the utter lack of privacy, all the things our current society is facing right now, and Henry had answers for Serena. By the next morning, they both had renewed purpose and were determined to catch the Cellophane Killer. This was every bit the resolution I needed. Thanks, Ms. Walker! Serena McKay, P.I., lives in a post-apocalyptic time where the rich get richer and the poor become destitute. In August City, you are either rich or poor. Existence there is nightmarish and chilling for most of its residents. Fans of Jessica Jones and post-apocalyptic fiction will love Serena McKay's Crime Novels! Serena has suffered from devastating emotional and physical abuse – first as a child and then during her career with the Police Department. You'd think it would have made her bitter, but it didn't. Instead, it made her a little crazy in relatable ways and, despite that flaw and others, she continues to do her job with bravery. Serena McKay caught The Cellophane Killer in *Purple Kitty*, Book 1; however, she gets a freaky message that blows her mind. He's coming for you! It could have only come from one person. Did this notorious serial killer escape from the Supermax Prison? Is he really back? If he is back, can Serena finally put him away for good this time? Author warning: Emotional triggers of all kinds. Language. Alcohol and drug use. Physical and emotional abuse.

*A Beginner's Guide to Energy Work* Chariss K. Walker, Enjoy a new personal growth series created just for beginners. As the title indicates, all of my A Beginners Guide to books are for beginners. This book covers the basic information you need to know about energy work. What it is, how to use it, how to get started, and many other questions you might have as a beginner. I receive a lot of questions from readers asking about Reiki, healing techniques, releasing trapped emotions, muscle testing, visualization, meditation, and other topics. I also talk to other practitioners and find that sometimes they do not know some of the basic information either. So, I know there are hungry people out there who want to know the basics or beginning steps. My books are for those who have not found the answers to their questions in a way that helps them.

**How to Market a Book** Ricardo Fayet,2021-01-27 Writing a book is hard. Marketing it can be even harder. Marketing a book in 2023 can seem like a full-time job, what with the crazy number of things authors seem to be expected to do: social media, blog tours, advertising, price promotions, mailing lists, giveaways, you name it. But here's a little secret: you don't need to do all those things to successfully set your book on the path to success. What you need is a solid plan to find the one or two tactics that will work, and start to drive sales... in a minimum amount of time. And that's exactly what you'll find in this book. Instead of drowning you in information or inundating you with hundreds of different tactics and strategies that eventually prove fruitless, this book will guide you through a step-by-step framework to find the ones that actually work for you and your book, so that you can start marketing more efficiently. In particular, you'll learn: □ How to change your mindset and sell more books with less effort.; □ How to write books that guarantee a lasting, profitable career; □ How to get Amazon's Kindle Store to market your book for you; □ How to get thousands of readers into your mailing list before you even release the book; □ How to propel your book to the top of the charts at launch; and □ How to automate your marketing so that you can spend less time marketing and more time writing, After helping over 150,000 authors crack the marketing code through a popular weekly newsletter, Reedsy's Co-founder Ricardo Fayet is sharing everything he's learned over the past few years in this beginner-friendly, jargon-free guide to book marketing. Best of all, the ebook version is and will always remain 100%

FREE. Get your copy now and benefit from all the experience of a seasoned marketing professional.

*Better Off Dead* Claire Grimes, Lovers Tale Oasis, 2015-10-26 Zoey Mayfair knows there must be some kind of mistake, she never meant to actually die. After being dumped by her fiancé because she doesn't seem to need him, 25-year-old Zoey Mayfair cooks up a scheme over a bottle of red wine: she'll fake an attempt at suicide so that he feels badly enough to come crawling back to her. It's only when she wakes up in the morgue days later that she realizes she's made a terrible, life changing (and ending) mistake. Pulled out of a morgue drawer by the mysterious Jason Teague, he explains to her that she's one of the lucky rare few that get to come back after death to help others die...just like him. Thrown into a supernatural underground featuring faeries, vampires, and witches, Zoey doesn't know if she wants to participate in this magical world. Making matters worse is Maurice, a barista with a cute smile who seems to be interested in Zoey in the most boring way possible...something that Zoey finds incredibly enticing. Can she ignore her new-found supernatural powers and still attempt to live a normal life? How did she even become this anyway? And more importantly...what happens if she breaks the rules? The first in a series, *Better Off Dead* introduces the reader to a magical world full of mythology, magic, and much more. If you love Urban Fantasy Romance with sexy men who love their Fae women then this wonderful romantic tale is right up your alley. So Scroll up and Click the Buy Button and discover what Zoey does about Maurice, her hot barista with a cute smile. Please note: *Fae-ever Dead* is a serialized Fae Romantic Fantasy Series released monthly, which means the tale will evolve over a series of short stories (approx 20,000 words). There are cliffhangers. If you are a self professed serial junkie or a member of Kindle Unlimited then this paranormal romance series is exactly what you need. Still not sure what to do? Just Scroll Up And Click The Buy Button and discover what Zoey does about Maurice, her hot barista with a cute smile.

**The Blood of a Dragon** Jack Adkins, 2021-09-21 Anuka Sandbar is the most interesting half-goblin alive. Just ask him. Anuka's father is a ship captain, retired Naval Commander, and genius engineer. Anuka is just a daring, handsome, witty, red-skinned, dagger-wielding entertainer. When Papa disappears, Anuka sets out to find him. While sailing to a sleazy port city to begin his search, Anuka and some unlikely companions are enslaved by pirates. They wind up the property of an emissary for the Silver Dragon Lord, Shimmer. The emissary offers them manumission if they discover the source of massive amounts of illegal DragonsBlood flooding the country. DragonsBlood is the most valuable currency on the continent and is the source of all magic in the land. With different Dragon factions on the precipice of war, revealing the truth could mean the destruction of the mortal civilization. What will these unlikely heroes do when their failure means enslavement but their

success could lead to a war between the gods?

A Grim Demise and Even Worse Resurrection Tim Paulson,2020-11-19 Max's coworkers treat him like hot garbage and his manager is a superficial dolt. It might be worth it if he made any money but he doesn't. Unfortunately for him, his fate was sealed before he was even born and it's way worse than working part-time in a coffee shop. Confronted out of the blue by a cackling demonic entity from another world, like a lot of things in his life, Max doesn't take it seriously. So when he's yanked by his bones into that world, he's given every disadvantage the demon can dish out. When Max finds that he's fallen feet first into an old RPG game his dad played on the NES back in the 90s, he's immediately given two quests: Find the imprisoned girl with the green eyes, and survive. He's not sure which one's worse.

*Voice of Darkness* A G Houser,2021-06-07 Dragonborn powers. A blood-thirsty sorceress. A kingdom on the brink of destruction. Eryane's powers as a Voiced One grow stronger every day, but the consequences of breaking the Queen's laws against magic are becoming deadlier than ever. She yearns to show her best friend Abbott who she really is, even though it could mean her death. Princess Caryse has had one job her entire life: protect her brother and see him take his throne on his eighteenth birthday. But she's growing increasingly suspicious of her stepmother, and worries if Queen Arabella will let her brother have his throne at all. Jerra's sudden dragonborn powers are worthless to her, a farm girl with no interest in saving the world. The infuriatingly charming Commander Everson wants her to hear out the Queen's plea. But when the evil she's supposed to stop strikes too close to home, she'll have to decide if these powers are worth dying for. Each of these women will be tested by magic... but which of them will become the Voice of Darkness? If you love the worlds of Brandon Sanderson, the biting excitement of Tahereh Mafi, and the twisting, entangled characters of Jennifer L. Armentrout, then you won't get enough of A.G. Houser's mythical, breathtaking series! Enter the Kingdom of Voices by scrolling up to Buy Now! Available for FREE with Kindle Unlimited!

Path of the Dark Jayne Castel,2019-10-13 He's been sent to assassinate a princess ... but a beautiful sorceress threatens to ruin his plans. Prince Elias of Anthor failed to kill the last surviving member of an overthrown royal family when he had the chance. Now his father wants him to finish the job. Traveling north under the guise of peace, Elias's task is straightforward: start negotiations, get close to the princess, and end her life. It's straightforward until he meets a woman who will challenge him on every level. Ryana is an enchanter who prefers singing in crowded taverns to following the rules of the Order she's sworn to. A woman with a dark past, she's trying to keep out of trouble when she meets Elias. He's the son of a dictator, sent to negotiate peace with her king, and she distrusts him from the first--but she can't deny the pull between them. The Anthor prince represents everything she's sworn to avoid. He's dangerous, yet she can't keep away from him. Time is running out for Elias. But when it comes time to kill the princess, he finds himself faced with the most difficult decision of his life. Does he do

his duty, listen to his conscience, or follow his heart?
