Encyclopedia of Contemporary Christian Fiction Nancy M. Tischler, 2009-09-10 A biographical encyclopedia of American and British Christian-themed writers from World War II to the present, covering acclaimed literary works and popular evangelical fiction. *Encyclopedia of Contemporary Christian Fiction: From C.S. Lewis to Left Behind* spans the entire breadth of Christian-themed British and American writing from World War II to the present—well-known and less familiar authors, acclaimed literary novels, and popular writing in a variety of genres (mysteries, thrillers, romances), works that explore matters of faith, works that challenge orthodoxy and church practices, and works wholly written by and for devout evangelicals. *Encyclopedia of Contemporary Christian Fiction* offers 90 alphabetically organized entries covering the field's most important writers. Each entry includes a brief biography, religious and educational background, a survey of major works and themes, and a summary of critical response, as well as a bibliography of major works and criticism. By examining evocative, sometimes overlooked Christian elements in modern fiction, and by exploring the depth and scope of popular evangelical fiction, *Encyclopedia of Contemporary Christian Fiction* offers the richest, most complete portrait of the role of faith in modern English writing ever published.

2009 Writer's Market Listings Robert Brewer, 2008-06-01 For 88 years, *Writer's Market* has given fiction and nonfiction writers the information they need to sell their work—from completely up-to-date listings to exclusive interviews with successful writers. The 2009 edition provides all this and more with over 3,500 listings for book publishers, magazines and literary agents, in addition to a completely updated freelance rate chart. In addition to the thousands of market listings, you'll find up-to-date information on becoming a successful freelancer covering everything from writing query letters to launching a freelance business, and more.

What Do I Read Next? 2002 Neil Barron, Gale Group, 2002 By identifying similarities in various books, this annual selection guide helps readers to independently choose titles of interest published in the last year. Each entry describes a separate book, listing everything readers need to know to make selections. Arranged by author within six genre sections, detailed entries provide: Title Publisher and publication date Series Names and descriptions of characters Time period and geographical setting Review citations Story types Brief plot summary Selected other books by the author Similar books by different authors Author, title, series, character name, character description, time period, geographic setting and genre/sub-

genre indexes are included to facilitate research.

The Proposal Lori Wick,2009-01-01 Lori Wick's bestselling English Garden series (more than 720,000 copies sold) is filled with engaging characters and stories. Now with fresh, new covers, each of the four books in the series will hold a favorite spot on the nightstand or bookshelf of any reader who loves a great romance. The Proposal, book one in the series, is set in 1810 London, England. William Jennings has never been interested in marriage and family. So when a relative dies and leaves Jennings three young children, his world turns upside down. Thrilled to have boys to carry on his name, William invests time in the two brothers, but the little girl is tended to by a negligent nanny. Finally, Jennings seeks help from his sister and soon becomes acquainted with her neighbor, Marianne Walker. Her strength and faith intrigues Jennings, but will he allow himself to fall for her and the God she loves?
