**Max, V and Me** Charm Heart,2023-08-06 The second book in the Max, V and Me series. My journey continues with my guide, Max and my guardian angel V, explaining why we are here. You have already heard about V and her past lives in book 1, *The Early Years*. Now you will find out about Max's past. As I grew, we encountered many challenges together, having conversations during those events and receiving my questions answered from Max and V, who have accompanied me since before I was born. I have documented our discussions about the afterlife and my journey into adulthood. These are the next unbelievable 21 short stories based on true events, which we decided to reveal, including challenges that shook me to my core, affecting my life's journey, but they and my family helped me overcome and made me a stronger person.

*The Bizarre Events at Hellman Elementary* Richard M. Born,2022-01-07 Have you ever looked to the skies to see a shooting star? In *Golfing Blue*, every fifty years, you can look up at the sky and see the streak of blue light from Jeffrey's comet. This can only mean one thing for the students of Hellman Elementary—even more bizarre happenings! Taking on the teachers at the school is next to nothing compared to Jeffrey's comet and who may be riding it. Strange things are happening this week at Hellman Elementary. Changes are occurring, teachers are just as strange, and the janitor is locking doors more often than normal. What could possibly be hiding in the basement? What does the lunch lady really use to make the Sloppy Joes? Does it have something to do with comet shooting across the sky? Jacob is about to find out the dangers of wishing upon shooting stars. He is tired of being the only boy in his family and tired of the way his sisters treat him. But when he wishes for a different family, he finds out just how strange things can get, not only at home but at school as well. Will Jacob get his original family back, or will he be destined to live with his new nightmarish family? Do not miss the next bizarre event, *The Perfect Game—Book 5*, in the series.

**DJ Max** Lisa Forrest,2011-09-01 Maxine Phillips thinks she's got it all worked out. She's found the future in the hard, fast, relentless bass lines that drive her forward and keep her safe from the past: the mother she's never known, her beloved grandmother who died just a few years ago, and her grandfather Reg, so trapped in his grief that he scarcely notices Max anymore. Not that it bothers Max. Reg would never understand her new life, her dreams, her new job as a DJ. Once she and

Reg were inseparable but now, ironically, they have been driven apart by their love of music. And by the past, of course, rising up and filling the space inside the beat, bursting Max's insides wide open with all the memories - and what's the point of that? Maxine Phillips is about to find out.

*The Soulmate* Sally Hepworth, 2023-04-04 "One of the best thrillers of the year"—The New York Times The book is many things: a crime story, a psychological study, a blueprint for how and when to mete out information in a thriller. But most of all it is an inquiry into the mysteries of marriage and commitment, and into what we owe our spouses and one another. --The New York Times Book Review Prepare yourself for a thrilling, addictive novel about marriage, betrayal, and the secrets that push us to the edge in this next book from the bestselling author of *The Good Sister* and *The Younger Wife*. Picture a lovely cottage on a cliff, with sloping lawns, walking paths, and beautiful flowers. It's Gabe and Pippa Gerard's dream home in a sleepy coastal town. But their perfect house hides something sinister. The tall cliffs have become a popular spot for people to end their lives. Over the past several months, Gabe comes to their rescue, literally talking them off the ledge. Until one day, he doesn't. When Pippa discovers Gabe knew the victim, the questions spiral. . . . Did the victim jump? Was she pushed? And would Gabe, the love of Pippa's life, her soulmate . . . lie? As the perfect façade of their marriage begins to crack, the deepest and darkest secrets begin to unravel. Because sometimes, the most convincing lies are the ones we tell ourselves.
