*A Profile of the Performing Arts Industry* David H. Gaylin, 2015-10-07 Attending a live concert or theatrical performance can be a thrilling experience. At their best, the performing arts represent the height of human creativity and expression. But the presentation on stage, whether it is Shakespeare, Beethoven, or The Lion King, depends on a business backstage. This book provides an overview of both the product on stage and the industry that makes it possible. While the industry's product is unique—with unique supply and demand characteristics—it is still an industry, with supply inputs, organization structures, competitors, business models, value chains, and customers. We will examine each of the major segments (Broadway, regional theater, orchestra, opera, and ballet) along these business dimensions. This book will give lovers of the performing arts an understanding of the business realities that make live performances possible. Managers, board members, and performers will be better equipped to take on the strategic challenges their companies face. People contemplating any of these roles will have a better idea of what to expect. Business analysts and students of strategy will discover how economic frameworks apply in this unique setting where culture and commerce converge.

PIRATES OF THE CARIBBEAN 2 Brass Suite Collections AMAZON Exclusive Alessandro Macrì,2023-06-07 PIRATES OF THE CARIBBEAN suite Dead Man's Chest Music by H. Zimmer Arranged by Alessandro Macrì CONTENTS JACK SPARROW THE KRAKEN DAVY JONES DINNER IS SERVED WHEEL OF FORTUNE Pirates of the Caribbean: Dead Man's Chest is the soundtrack for the Disney film of the same title, Pirates of the Caribbean: Dead Man's Chest. The score was composed by Hans Zimmer in 2006. Jack Sparrow: A track arranged in a concert suite style, (Like most of the tracks on the album) the opening melody is generally used as Jack's initial theme during his earlier scenes while on the Black Pearl, mainly his drunken theme. The second part of the track is known as Jack's action theme. The action cue is heavily borrowed for his escape from the Pelegostos, and is used on the Wheel of Fortune theme multiple times as well. The Kraken: Another track arranged in concert suite fashion, this track consists of various cues for when the Kraken attacks and destroys the Edinburgh Trader ship, as well as when it attacks the Black Pearl toward the end of the movie. It is composed of three primary themes, two of which also represent the Flying Dutchman and its crew. One of the themes, played mainly by organ, bears a similarity to Johann Sebastian Bach's Toccata and Fugue in D Minor, although it could be seen as a tribute. Many other small themes can be heard throughout the track. Davy Jones: Yet another track arranged as a concert suite, this track is the primary theme used for the character Davy Jones. Elements of his character are musically personified from the use of music box and organ. It is slightly different from the version heard in the film, using much less organ than the film. Dinner Is Served: This track starts with the tribal music played when the Island of the Pelegostos is seen from an aerial view and when Jack is first seen with his tribal makeup. The second part of the song is the waltz piece played while Will and the Black Pearl crew are swinging from the Bone Cage in an attempt to escape the island. Wheel of Fortune: The three-way duel between Jack, Norrington, and Will for the Dead Man's Chest key on the Isla Cruces. This lengthy action cue also covers Elizabeth, Pintel, and Ragetti's battle against the Dutchman crew for the Dead Man's Chest itself. Does not include the beginning of the duel, and actually begins when Pintel and Ragetti confront Elizabeth. Wheel of Fortune uses several of the action themes introduced in the Jack Sparrow suite, plus the first theme in the Kraken track, and many other action themes from earlier in

the movie and in the first movie. The name likely refers to the giant water wheel on which much of the battle takes place.
