Islam Within Judaism and Christianity, a Voice from the Past Ahmed Shendy Yousef, 2014-01-27 Islam within Judaism and Christianity is a truth, truth that is clear and bright in the midst of a dark world that has lost its way through understanding that are guided by Satan. This book will remove the veil off of Gods concealed messages, and it will impact the twisted long life of preaching that was used for indecent political power and financial gains, causing billions of innocent lives lost throughout history. Through Islam within Judaism and Christianity I would like to introduce you to the messages of God from the holy Bible and The Quran so that you can discover that we are all followers of Moses, Jesus and Mohammed. We are one nation that belongs to the same one God, so we may consider changing our attention from striking one another to striking our one enemy, Satan! This is a book that assists you in better understanding one another in pursuit of making our world a better place and doing it together. Ahmed S. Yousef, PT. Ph.D.

Quran 5 Joseph C. Cods, 2010-04-29 The Forbidden Rumi and I Rumi is a great Muslim mystic and poet. His faith in God does not deter him from riding the winds of dangerous thinking and free expression. His most audacious poems were published in a collection called The Forbidden Rumi. I have chosen one of them and interspersed its verses between the chapters of my book. I wanted to let some fresh air in my dry discussion of the Quranic text. You see, the fifth chapter of the Quran was the last one to have been composed. It discusses theological questions and lacks the poetic rhythm of the much shorter chapters of the early days. I am neither a poet nor a mystic. I am not even a Muslim. And yet I feel I have something in common with a Rumi. I do not let the requirements of Islamic tradition, the strict rules of modern scholarship and the taboos of our time constrict my freedom to say what I think and to explain my forbidden views. I do so however in a friendly manner and without any animosity. My study of the Quran is based on knowledge not on faith. My purpose is not to provide spiritual ammunition to the faith. It is much more prosaic. I propose a new way of reading the Quranic text. Instead of seeing in it a divine revelation, I see in it the work of a man called Muhammad. I do what is forbidden for a believer. But I recognize the believer's right to see in the Book the very words of God.

Christ Vs Islam Randall Thornton, 2022-11-03 Every time there is a terrorist attack, we wonder if Islam condones murder. Does the Quran teach this? Is this just a handful of radicals that take an extreme view of the teaching of Islam? Do all Muslims secretly support them in these attacks? What do Muslims think of us, Western civilization, and why? What do

Muslims think of Christians? What do Muslims think of the Jews? There are 114 Surahs (chapters) in the Quran separated into verses. The shortest Surah is three verses. The longest surah is 286 verses. It is not necessary to read the whole book to get the answers to all of these questions. I found the answers in the first five Surahs. We shall cast terror into the hearts of those who disbelieve. (Surah Ale-Imran 3:151) Jesus said to him, You shall love the Lord your God with all your heart, with all your soul, and with all your mind. This is the first and great commandment. And the second is like it: You shall love your neighbor as yourself. On these two commandments hang all the Law and the Prophets. (Matthew 22:37-40) Jihad (holy fighting in Allah's Cause) is ordained for you (Muslims) though you dislike it, and it may be that you dislike a thing which is good for you and that you like a thing which is bad for you. Allah knows but you do not know. (Surah Al-Baqarah 2:216) Blessed are the peacemakers, for they shall be called sons of God. Blessed are those who are persecuted for righteousness' sake, for theirs is the kingdom of heaven. Blessed are you when they revile and persecute you, and say all kinds of evil against you falsely for My sake. Rejoice and be exceedingly glad, for great is your reward in heaven, for so they persecuted the prophets who were before you. (Matthew 5:9-12) Let those (believers) who sell the life of this world for the Hereafter fight in the Cause of Allah, and whoso fights in the Cause of Allah, and is killed or gets victory, We shall bestow on him a great reward. (Surah An-Nisa' 4:74) But I say to you who hear: Love your enemies, do good to those who hate you, bless those who curse you, and pray for those who spitefully use you. (Luke 6:27-28)

Straight Paths Scriptures say Sayed Noman Gauhar, 2024-10-25 This book is compilation of verses mentioned in the revealed scriptures like Upanishads, Rigveda, Yajurveda, Manu laws, Gautam Sutra, Bible, and Quran verses. The motive is to show that there is no difference between scriptures either Hindu or Christian or Islamic. The difference only between people and not in scriptures. This book is helpful to understand religion and helpful to understand all revealed scriptures, these are English language translation. Some places original language also mentioned. Read more about religion and what scriptures say.

What Is Truth? DJ Robinson, 2022-03-16 In a world filled with conflicting worldviews, one often asks the question, What is truth? D. J. Robinson asked himself this very question from a young age. Join DJ in his journey to Christ as he provides the reader with his reasons for accepting Christianity as the one and only true worldview. This work displays the inconsistencies and flaws in other worldviews such as atheism and agnosticism, polytheism, Judaism, Islam, Mormonism, Jehovah's Witnesses, and Hebrew Israelism. This work not only serves as a theological and logical refutation of opposing worldviews, but also provides historical argumentation. This work will supply the unbelieving reader with good reasons to question their worldview and the believing reader with arguments to defend their faith against opposing worldviews. Praise the Lord Jesus!

Demystifying Islam Harris Zafar,2023-06-14 “A welcome correction to the politically tortured conceptions of Islam so prevalent today . . . An important, original new examination of Islam.” —Kirkus Reviews Despite heightened interest in the study of the Muslim faith, for many people Islam remains shrouded in mystery and confusion. What really is Shariah law? How is a Muslim to understand Jihad? Does Islam oppose Western values such as free speech or freedom of religion? What place do women have according to Islam? Understanding that this confusion has as much to do with the behavior and words of Muslims as it does with allegations made by anti-Islam activists, *Demystifying Islam* offers refreshingly bold answers to provocative questions about Islam today. Author Harris Zafar—lecturer, writer, teacher and national spokesperson for Ahmadiyya Muslim Community USA—is forthright about issues where Muslims disagree, and he digs into history through vast research and scholarship to track the origins of differing beliefs. From the burqa to the role of Jesus in Islam, *Demystifying Islam* is an essential resource and concise guide to understanding the fastest growing religion in the world. “This book is less of a spiritual introduction than it is a cultural one, and an excellent starting point for people navigating interfaith relationships or working to improve understanding and representation in organizations and public discussion.” —Publishers Weekly “A significant contribution to the global conversation on peace, freedom, and justice in a world mystified and threatened by geopolitical and religious tensions.” —Paul Louis Metzger, author of *Connecting Christ*

Jesus in the Bible - Jesus in the Quran Mohammad A. Mughal,2016-05-27 What is unique in this book is that it shows beautiful verses about the extraordinary character of Jesus. At the same time, the author reveals how Christian scholars have discovered contradiction, translation errors, and lies in the Bible and these cannot serve as the sound basis for moral guidance. A penetrating and insightful investigation into the mysterious life of Jesus. This book presents the life of Jesus and many traditional beliefs. He is loved both by Christians and Muslims. Many miracles of Jesus can be found in the Quran. Jesus said one cannot serve two Masters: God and Money. But Vatican Bank is reported to have \$8 Billion which seems to be a

contradiction to the teachings of Jesus. Churches are unable to stop the moral decay in the society with growing use of drugs, liquor, gambling, violence, scandals, abortions, divorces, and family disintegration resulting in the decline of Christianity. This book is intended to create a debate about the true life of Jesus who was a great Prophet and a spirit from God. He chose to live a life of poverty. Majority of the Christians are kind and generous people but they are not fully aware of the spiritual life of Jesus. There are many books, movies, television shows which do not correctly reflect the true life of Jesus. Likewise, there are thousands of different false images of Jesus. To the contrary, the Quran and traditions of the Prophet Muhammad describe the pure character and life of Jesus. In the Bible, Jesus says: Love thy enemy and Do not retaliate. However, unjust wars have been launched, in the last few years, by leaders claiming to be true Christians. This book presents a comparative analysis about the life of Jesus from the Christian as well as Islamic perspective.
