New Era - New Urgency F. Joseph Merlino, Deborah Pomeroy, 2024-03-29 New Era - New Urgency: The Case for Repurposing Education explores the unprecedented realities and challenges associated with entering a new era, such as catastrophic climate changes, advanced artificial intelligence, massive demographic shifts, and worldwide digital disinformation campaigns. This era calls for a new urgency in thinking about how we will educate present and future generations of young people. This book is divided into four parts; Part I describes the profound social, technological, and demographic changes that have occurred over four hundred years since the first English settlements in Massachusetts and Virginia. Part II describes four shadows that have served to corrupt these purposes of education: extreme wealth inequality, nativism, white supremacy, and anti-intellectualism. Part III explores the illusions of educational reform that have over-promised college and career success, created an idolatry of math test scores, conflated memorization of facts with conceptual understanding, and confused multiple layers of policy agendas with progress. Part IV depicts F. Joseph Merlino and Deborah Pomeroy's twelve years of experience in Egypt, Bosnia-Herzegovina, Turkey, and the U.S. in helping to craft new purposes of education for model schools in their countries that reflect their aspirations for a new generation.

Sinners in the Hands of an Angry God Jonathan Edwards, 2015-07-08 Sinners in the Hands of an Angry God Sermons of Jonathan Edwards Jonathan Edwards Sinners in the Hands of an Angry God is a sermon written by British Colonial Christian theologian Jonathan Edwards, preached to his own congregation in Northampton, Massachusetts to unknown

effect, and again on July 8, 1741 in Enfield, Connecticut. Like Edwards' other works, it combines vivid imagery of Hell with observations of the world and citations of the scripture. It is Edwards' most famous written work, is a fitting representation of his preaching style, and is widely studied by Christians and historians, providing a glimpse into the theology of the Great Awakening of c. 1730-1755. This is a typical sermon of the Great Awakening, emphasizing the belief that Hell is a real place. Edwards hoped that the imagery and message of his sermon would awaken his audience to the horrific reality that awaited them should they continue without Christ. The underlying point is that God has given humanity a chance to rectify their sins. Edwards says that it is the will of God that keeps wicked men from the depths of Hell. This act of restraint has given humanity a chance to mend their ways and return to Christ.

Help for Questioning Christians John T. Whitehead,2025-03-31 *Help for Questioning Christians* by John Whitehead is a guide for Christians to recent scholarly writing on key moral issues such as the Prosperity Gospel, abortion, euthanasia, homosexual sexual activity, physician-assisted suicide, the death penalty, and Christian nationalism. While many official church documents assert that several of these issues are immoral and sinful, there are theologians and other scholars who offer positions that justify such actions, based on lack of biblical support or a different line of theological reasoning. This book explains these approaches and compares them to traditional answers. The book does not endorse positions but leaves it to each reader to try to make an informed decision about each issue.

Worship in an Age of Anxiety J. Michael Jordan,2024-06-04 Too often in the history of Christian worship, evangelical leaders have sought to manipulate anxiety to spur repentance. J. Michael Jordan challenges this utilitarian approach, offering a practical theology of worship within a healing framework that, rather than manipulating anxiety, acknowledges, accepts, and offers it to God.

Hurting Kids Michelle Mary Lelwica,2024-08-01 *Hurting Kids* explores religion's impact on Americans' beliefs about justice and on teenagers who get in trouble with the law. Why do many of us assume that punishment is an appropriate moral response to crime? How have diverging Christian narratives about divine punishment and God's mercy supported different responses to juvenile wrongdoing? What do these competing notions of justice imply for youth "offenders" today, nearly all of whom have been violated by the unjust and traumatic circumstances of their lives? Weaving together research on the juvenile justice system, theological analysis, self-examination of white privilege, and the stories and perspectives of incarcerated youth, *Hurting Kids* asks us to understand and care about the complicated humanity of a population of teenagers who are often deemed not only "delinquent" but dispensable. Sharing snippets of her conversations with incarcerated youth, Lelwica demonstrates that whatever harm these kids have inflicted on others is rooted in the painful experiences they have

survived—experiences that are shaped by systemic injustices that benefit people with privilege. Ultimately, *Hurting Kids* challenges common assumptions about “guilt” and “innocence,” while advocating for a kind of justice for youth that promotes equity, compassion, accountability, and healing for all.

Sinners in the Hands of an Angry God Jonathan Edwards,1700

Notes from the Fortune-telling Parrot David Pinault,2008 This book explores the richness of Pakistan's religious landscape, giving attention to a number of topics: Shia flagellation processions, Urdu-language pulp fiction, streetside rituals involving animals (pariah-kites and fortune-telling parrots), and the use of sorcery to contend with the jinns that are believed to infest cities such as Lahore. Uniting these topics is an investigation of how Islamist politicians seek to eradicate sectarian diversity and repress localized forms of Muslim folk practices in the name of a standardized, uniform, and globalized version of Islam. The book looks at forms of resistance to this Islamist globalization, such as collaborative efforts by Christian, Hindu, and Muslim human-rights activists to repeal Pakistan's notorious blasphemy law and assert the worth of religious pluralism.

This volume also includes another classic Edwards sermon, Love the Sum of All virtue. Both sermons have been updated for modern readers, keeping all of Edwards' ideas and voice, but

presented in a form that today's readers can easily digest.
