**Richard Poore (successively bp. of Chichester, Salisbury and Durham),James Morton**

Sins of the Shovel Rachel Morgan,2023-11-06 Rachel Morgan's frank and incisive history begins with Richard Wetherill's discovery of Mesa Verde in Colorado in 1888. Subsequent expeditions by amateurs, looters, and budding professional archaeologists abetted the devastation of Indigenous sites throughout the Southwest. These expeditions became the proving grounds for different conceptions of what archaeology should be and how it should be practiced. Ultimately, revulsion at the work of nineteenth-century explorers led to more rigorous and ethical norms, as well as federal regulation, but the core issues of how we ought best to engage with the evidence and people of the past remain live ones today. Morgan, an archaeologist, knows well the field's history of racism and unethical behavior, and she is both unsparing and even-handed in assessing what happened in the Southwest and how it informs relations among people-and with the planet-today--

*Medieval England, 500-1500* Emilie Amt,Katherine Allen Smith,2018-01-02 The new edition of *Medieval England, 500-1500*, edited by Emilie Amt and Katherine Allen Smith, spans several centuries in 102 documents that present the social and political history of England. The documents include constitutional highlights and records such as the Magna Carta and Froissart's Chronicles, as well as narrative sources describing the lived experiences of a range of historical actors. These narratives fit into thematic clusters covering topics such as the Anglo-Saxon monarchy, lay piety, later medieval commercial life, queenship, and Jewish communities. Thirty-nine new sources discuss significant events like the conquest of Wales, the Gregorian mission, and the Viking invasions. They also allow for multiple examples of particular genres, such as wills and miracle collections, to facilitate comparative analysis. Introductions and questions situate each source in the historical landscape and facilitate engagement with the text, inspiring readers to delve into the medieval past. The book also features 40 illustrations, a map, and an index of topics. Additional resources, including essay questions, web resources, and a timeline, can be found on the History Matters website ([www.utphistorymatters.com](http://www.utphistorymatters.com)).

*I See You, Survivor* Liz Ianelli,2023-08-29 A must read for anyone concerned about teenage mental health. -- Maia Szalavitz, NYT bestselling author of *Unbroken Brain* co-author of *The Boy Who Was Raised as a Dog* A survivor of the Troubled Teen Industry exposes the truth about the dark side of a billion-dollar industry's institutionalized abuse—and shares the story of her own fight for justice. Liz Ianelli, known around the world as Survivor993, spent years at the Family Foundation—labeled an “institution for troubled teens.” The children who went through The Family School like her were good people. They had potential and dreams, but they came out with lifelong trauma: anxious, angry, paranoid, self-hating and in pain. Most of them have suffered lives of hardship, unable to integrate back into society. Hundreds have died, mostly

by overdose and suicide. I See You, Survivor is about what really happened at The Family and what continues to happen at thousands of facilities like it. Beyond the trauma, this book is about triumph, resilience, and an effort to help others, and it conveys Liz's critical message for every survivor she sees: "You are not broken. You are not unlovable. And you are not alone. There are millions of us. And I come with a message, for you, for them, for everyone: They act strong, but we are stronger. We are worthy. We are not alone. Speak, and we will be there for you. Speak, because there is power in your testimony. Speak, and we will win." This is a book first and foremost for survivors who can find support and community in these stories. It is also for parents, counselors, law makers and others to expose this industry for what it is: child abuse. And how that abuse has consequences for all of us.
