Playful Power Dan Bune,2025-06-14 □ Playful Power: Reconnect with Your Inner Child for Limitless Manifestation By Dan Bune What if the secret to manifesting your dream life was hidden in the parts of you that still love to daydream, doodle, laugh uncontrollably, and believe in magic? In Playful Power, Dan Bune invites you on a joyful, mind-expanding journey to reunite with your inner child—the truest, most vibrant part of you—and awaken the limitless power of conscious creation. With 99 transformative chapters, this book is your guide to unlocking inner joy, aligning your frequency, and mastering manifestation from the inside out. □ Blending inner child healing, emotional alchemy, and quantum energetics, you'll learn to: Heal emotional roots and rewrite limiting beliefs Harness joy as a superpower to shift your reality Align thought, emotion, and belief for magnetic manifestation Create powerful rituals for visualization, gratitude, and receiving Tap into timeline jumping and multidimensional living Become the vibrational match to your wildest dreams Whether you're brand new to manifestation or deep in your spiritual evolution, this playful, practical guide will help you remember: You were never too much. You were always enough. And your joy is the key to everything. □ Includes reflection exercises, journaling prompts, and frequency-raising practices to help you embody the version of you that already has it all.

Nothing Changes Until You Do Mike Robbins,2015-05-12 Best-selling author Mike Robbins had a life that many little boys dream of. Drafted by the New York Yankees directly out of high school, Mike decided instead to postpone his professional baseball career until he finished college. After a successful stint at Stanford, he began life in the minor leagues as a pitcher with the Kansas City Royals organization, where he played for three years until an injury benched him for good. This devastating disappointment changed his life in wonderful ways that he could have never imagined. He now teaches and speaks around the world about teamwork, emotional intelligence, and the value of appreciation and authenticity. In *Nothing Changes Until You Do*, Mike's third book, he looks at one of the most important and challenging aspects of life—our relationship with ourselves. Even the most successful person struggles with this delicate relationship, which has created an epidemic of self-criticism, self-doubt, and thinking that our value is directly connected to the external world—our jobs, our finances, our appearance, our accomplishments, and so on. Through 40 short essays, Mike shows readers that none of this is

true, and brings to light a new way to look at life. With themes spanning from the importance of trusting yourself to the benefits of vulnerability to the strength inherent in embracing powerlessness and change, Mike will help readers get out of their own way, so they can live a good life. He shows that with a little self-compassion and a healthy dose of self-acceptance, anyone can turn away from the negatives that manifest because of a critical self-perception—things like unkindness, addictions, sabotaged relationships, unnecessary drama, and more. Making peace with ourselves is fundamental to happiness. The suggestions, insights, and reminders of this book will allow readers to have more compassion, more acceptance, and more love for themselves—thus giving them access to more compassion, more acceptance, and more love for the people (and everything else) in their lives.

Love That Lasts: A Real Talk Guide to Relationships Napoleon Nalcot, 2025-06-21 A real talk guide for anyone who's tired of the love advice that sounds nice but doesn't actually help. If you've ever felt lost in love, stuck in silence, or unsure how to stay close when life pulls you apart—this book is for you. *Love That Lasts: A Real Talk Guide to Relationships* offers down-to-earth guidance for couples and individuals who want to love better, not just longer. In everyday language that feels more like a friend than a lecture, you'll learn how to communicate with honesty and clarity, repair trust and rebuild connection, grow through conflict instead of walking away from it, keep choosing each other, even when it's hard, build a love that's rooted in action (not just words). Perfect for those in long-term relationships, new beginnings, or recovering from past hurts—this is your reminder that healthy love is possible, and it doesn't have to be complicated. Because love isn't about finding the perfect person. It's about learning how to love each other well—imperfect and all.

Self-love workbook for black women Jennifer B. Cory, 2025-11-01 A Guided Journey to Heal Generational Wounds, Release Self-Doubt, and Step Boldly Into the Life You Deserve For generations, Black women have carried the silent burdens of strength — nurturing others while neglecting themselves. *Self-Love Workbook for Black Women* is your sacred space to finally lay those burdens down. Through powerful reflection, healing exercises, and guided journaling, this book helps you reconnect with your voice, your body, and your worth — without apology. This self-help book is a transformative workbook designed to help you heal from within — blending emotional awareness, cultural insight, and spiritual grounding. Each chapter gently walks you through a step-by-step process to release past pain and rebuild unshakable confidence. You'll uncover how generational wounds have shaped your beliefs — and how to rewrite those patterns through compassion, forgiveness, and self-trust. 5 Key Benefits You'll Gain: □ Heal generational wounds — Break free from inherited pain, guilt, and trauma that no longer define you. □ Silence your inner critic — Replace self-doubt with affirmations rooted in truth, self-worth, and empowerment. □ Reconnect with your body — Learn to see your beauty, presence, and sensuality as sacred and powerful. □ Redefine success on your terms — Detach from society's expectations and create a vision of success that truly fulfills you. □ Build your village of support — Surround yourself with people, practices, and community that uplift your

journey. □ Action: It's time to remember who you are — not just strong, but worthy, whole, and deserving of peace. Grab your copy of Self-Love Workbook for Black Women today and begin the healing journey toward the radiant life that's always been yours.

Brave Margie Warrell, 2015-02-18 Live every day with greater clarity, confidence and courage. Brave is a handbook for being more courageous. Written for busy people on the go, its short, focused chapters provide practical tools and empowering perspectives to help you build your 'courage muscles' in your work, relationships and life. Drawing on her background in business, psychology and coaching, author Margie Warrell will guide you in moving past the fears, doubts and beliefs that keep you from making the changes, and taking the chances, you need to enjoy the fulfillment and success you desire. Courage is a habit. Practicing it daily, even in quiet small ways, unlocks new possibilities, creates new opportunities, grows your influence and enables you to meet your challenges with more resilience and self-assurance. So whether you're stuck in a rut, struggling in a relationship, overwhelmed by your daily juggling act or uninspired about your future, Brave will provide you with a regular dose of positive and practical inspiration to: Clarify what 'success' truly means to you, and be more purposeful in your daily efforts to achieve it Speak up with greater confidence, and be more assertive in dealing with difficult people, getting what you want and changing what you don't Define the person and leader you aspire to be, become more resilient under pressure, decisive in uncertainty and adaptable to change Scrap the excuses (your age, education, gender, busyness or children) that sabotage your future actions Dare more boldly, passionately pursuing the goals that inspire you most, no matter how daunting Courage begets courage. You build it every time you choose to leave the safety of your comfort zone for the sake of something more important. Day by day, brave action by brave action, you can Brave within you to create a life rich in all that you seek. Less Perfect, More Powerful Geraldine Gleadow, Perfection is overrated. Power lies in progress. In a world obsessed with flawless filters, curated success, and polished personas, Less Perfect, More Powerful is a call to arms for anyone

exhausted by the pressure to appear perfect. This bold and liberating guide explores how embracing your flaws, failures, and human messiness can unlock the kind of strength that perfectionism never could. Blending personal stories, practical exercises, and punchy insights, this book will help you let go of the need to get it all right—and instead, show up real, grounded, and unshakably powerful in your own life. Whether you're stuck in self-doubt, paralyzed by procrastination, or simply tired of trying to be everything to everyone, this is your permission slip to trade perfection for presence—and rediscover your fiercest, most authentic self.

Butterfly Awakens Meg Nocero, 2025-07-30 One woman's dark night leads her on a journey to find her light. *Butterfly Awakens* depicts the story of the extraordinary transformation of a forty-something Italian American attorney as she moves through unimaginable grief and sadness watching her beloved mother lose her battle to breast cancer. This tumultuous life experience shifts her world, causing her to question her life choices and opening her up to her soul's calling. Nocero brings readers along on her journey through a dark night of the soul as she deals with the grieving process, a toxic work environment, and intense stress that results in depression, anxiety, and an acquired somatic nervous disorder called tinnitus. Through it all, she never gives up, instead looking for the help she needs to start to heal and find her light. In the end, like the metamorphosis from caterpillar to butterfly, this story is a beautiful love letter that honors Nocero's mother's legacy while detailing the awakening of her own. There are many stories about breast cancer and grief, but none are quite like this one. Throughout her tale, Nocero pulls the reader deep into her story through the intensity of her emotions; and in the end, after resigning from her career as a federal prosecutor due to a toxic administration, she searches for the lighthouse she saw in a vision when her mother died. Embarking on a spiritual pilgrimage on El Camino de Santiago in Northern Spain to get to the lighthouse at Cap Finisterre, she sets out to wake up and live again; the butterfly connection and stark honesty of her writing offers readers important lessons learned from moving through grief so that each person can shine their light again.

A Prison in High Heels Giana Dhar, 2025-09-13 A raw and empowering journey of breaking free from toxic love, reclaiming your voice, and rising stronger than ever. From the outside, your life might look perfect. Your relationship might seem like a dream, admired by everyone around you. People may even call it couple goals. But behind closed doors, the reality can be painful, confusing, and isolating. Emotional abuse, manipulation, betrayal, and silence can make you question your worth, your choices, and even your sanity. You might feel trapped, invisible, or as if no one would understand your pain. "The heels that once chained me became the heels I walked out in. I was no longer trapped. I was free." *A Prison in High Heels* is a guide for women who are ready to stop pretending, to stop hiding, and to finally step into freedom. This book meets you where you are and offers guidance to help you: See the invisible chains that hold you back Recognize emotional abuse for what it truly is Break patterns of betrayal, guilt, and generational pain Rebuild your confidence, your voice, and your sense of self Step fully into your power, purpose, and freedom Every story, every exercise, and every affirmation in this

book is designed to remind you that your pain does not define you. It is proof that you have survived and that survival can become the foundation for the life you deserve. This book is a companion for every woman who has felt silenced, minimized, or trapped in love that was never meant to last. By the end of this journey, you will understand that your freedom, your voice, and your power were never lost. They were waiting for you to claim them. *A Prison in High Heels* is more than a guide; it is your roadmap to reclaiming yourself, rising stronger, and stepping into the life you were always meant to live.

Round We Dance Mark A. Green, 2024-04-08 Sacred Celebrations for the Skeptical Seeker Invite more joy and meaning into your life with nature-based rituals, ceremonies, and workings that are spiritually powerful but rooted in material reality. Rituals transform a moment that might otherwise seem ordinary into a special occasion. However, it can feel awkward to start these practices, particularly for atheists, agnostics, humanists, and other nonbelievers. With this book, Mark A. Green teaches you how to meaningfully ritualize your life, without asking you to believe in anything science can't prove. With an emphasis on the cycles of nature instead of deity worship, Mark shows you how to celebrate wheel of the year holidays, rites of passage, and personal observances. He provides dozens of rituals, workings, crafts, and recipes to bring greater happiness and connection to every occasion. Through Atheopagan principles and practices, you can spiritually honor the passage of time, important milestones, your community, and yourself. Includes a foreword by Arwen Gwyneth, former chair of the Atheopagan Society Council

Imagine Gina Renée Misiroglu, Misiroglu, 2002-06 Over the course of the twentieth century. Americans have made great strides in science, created new forms of artistic expression, given women the right to vote, and fought for civil rights legislation. They were inspired by the sermons of Martin Luther King Jr., cheered the exploits of Muhammad Ali, and witnessed such activists as Dolores Huerta and Gloria Steinem win hard victories for human rights. Our Spirits soared as men

took the first steps on the moon, developed extraordinary new technologies, and crafted lasting peace treaties. These events - and the leaders behind them -- have shaped who we are as a nation, and challenged how we, as Americans think. This magnificent collection of photographs and essays celebrates more than fifty of our nation's greatest heroes. Imagine captures the words and ideas of famous and not-so-famous leaders, artists, entertainers, business pioneers, scientists, and philosophers -- from Amelia Earhart and John F. Kennedy to Sally Ride and Albert Einstein -- all illuminated by the portraits of renowned photographers such as Carl Van Vechten. Yousuf Karsh, and Michael Collopy. As we embark on a new century, imagine pays tribute to the greatest individuals of the last century, with the hope that their inspiring examples will help us imagine more fulfilling lives and a better world for all.
