Breaking Point Kevin W. Connell, 2016-09-20 In recent decades, the crisis of college affordability has emerged as one of the defining challenges of our era. Since 1978, college tuition and fees have soared by 1,120 percent, growing at three times the rate of housing prices and four times the rate of the increase in the hourly wage. The inevitable consequence has resulted in a national student debt that surpassed \$1.3 trillion in 2015, crushing the average household under \$35,000 in student debt. Breaking Point explains flaws in the structure of higher education that have caused college prices to soar over our lifetime, including “prestige maximization,” a perpetual “amenities war,” and a predatory lending industry that has not only fostered but encouraged the explosion of college costs. To counter this trend, Kevin Connell proposes several bold solutions that are intended to induce colleges and lenders alike to redefine the structure, price, and ultimate purpose of higher education in America.

The Judith Files Judge Bill Swann, 2021-12-27 Judith clerked for the Tennessee Court of Appeals, practiced for ten years, and then was named to a judgeship with a domestic relations docket. The problems began almost immediately, with her home being shot up. And then things got worse.

Fullerton's Rangers Chuck Hornung, 2015-05-07 In 1890, the U.S. government declared the frontier settled, and the Wild West was history. In the territory of New Mexico, however, crime still knew no limit and the gun was the final answer to

all problems. Aiming to help New Mexico achieve statehood, its leaders decided they needed a mounted police force like those that had tamed Texas and Arizona. This book describes the birth of the New Mexico Mounted Police in 1905 and tells the stories of the members of the original Mounties, starting with their first captain, John F. Fullerton. Information drawn from personal interviews with ranger family members (many of whom provided photographs), Fullerton's personal papers and official Mounted Police records brings a wealth of detail to this story from New Mexico's rich history. Fred Lambert, the last surviving member of the territorial rangers, provides a foreword.
